

The Little Book Of Wisdom: Change Your Outlook One Day At A Time (The Little Book Of Series)

Inspired by the teachings of the Buddha and other great masters, teachers, and writers, this is a book designed to help people connect to their inner divinity and find their spiritual path. It is overflowing with profound quotes, sayings, and insights, each presented alone, allowing the reader to dip in at any time. Each reading is guaranteed to inspire immediately and provide food for thought. Quotations and sayings have been chosen from Gautama Buddha and other "buddhas"--masters of spirituality and inspiration, such as Milarepa, Longchenpa, his Holiness the 14th Dalai Lama, Thich Nhat Hanh, and Sogyal Rinpoche, along with other "greats" including Cicero, Rumi, Lao Tzu, Mother Teresa, and Shakespeare. A wonderful book to place on your office desk, coffee table, or bookshelf or by your bed, it is designed to provide daily comfort, wisdom, and spiritual nourishment.

Chakras are your body's spiritual centres of vibrant, healing energy. This beginner's guide explains the seven major chakras, how to awaken them and how to channel their energy for optimum health and well-being. Exploring the mental and physical aspects of each chakra, the chapters reveal how diet, yoga and meditation can bring balance and harmony to your daily life. To complete this holistic treatment, the sections on crystals and essential oils show further ways of boosting vitality and cleansing mind, body and spirit.

The Little Book series aims at bringing within the reach of everyone beautiful texts that will stimulate the mind and inspire the heart; these miniature masterpieces will fit into the bag or pocket, or find a permanent place by the bedside. Beautifully illustrated in two colour or full colour, each is a treasure chest of wisdom, and an inspiring introduction to its subject. Keep this little book in your pocket and carry it with you. Wherever you find yourself, in the noise of the city, in the peace of the countryside, or in the silence of your room, the wisdom it contains will inspire and comfort you. Stop talking, stop thinking, and there; is nothing you will not understand. Return to the

Root and you will find the Meaning; Pursue the Light, and you will lose Its source...There is no need to seek Truth: only stop having views. - Seng-Ts'an/Sosan (D. 600)

Teachings from the Buddhist tradition on opening the heart and deepening relationships, written with unusual clarity, simplicity, and warmth—for readers of any background. This short, practical, and inspiring book presents Buddhist wisdom on love, relationships, and finding true contentment in life. Love is far more than merely an emotion we feel toward our partners, families, and friends; it is a way of being awake in the world, of living beyond the ego. Moh Hardin offers key insights and practices from the Buddhist tradition for awakening, deepening, and expanding love in our lives, starting with ourselves, then moving outward to our partners and children, and ultimately reaching even strangers, perceived enemies, and all living beings.

"Patience is the ornament of the brave," Eknath Easwaran's wise grandmother used to say. In all relationships, Easwaran says, patience is the mark of love. An experienced spiritual teacher, he gives powerful insights and advice for developing patience at home and at work, with his unique blend of humor and practicality. Stories offer quiet interludes throughout this little book. Anecdotes about animals, sports stars, and happy family outings make these short, varied readings as entertaining as they are instructive. Gentle reminiscences of India, tales from Easwaran's Hindu heritage, and inspiration from the world's saints lift the reader's spirits and give courage. Just keep trying, Easwaran says, and you'll find there's no end to your patience -- no end to the wisdom, love, and compassion in your heart. This book makes a thoughtful gift for anyone seeking a life that is kinder, more stable, and serene.

The Little Book of Chakras

'One thing I've known about Bob from the very beginning is that he possesses a wisdom that is unusual, even in cats. In the decade since we met he's grown even wiser in my eyes. This book is a collection of the insights I've gained during my years with Bob.' In the spring of 2007, busker James Bowen came across an injured ginger tom cat in the hallway of his shelter in north London. What he didn't know was that this would be the start of a friendship that would turn both their lives around, and lead to A Street Cat Named Bob, the international bestseller that tells the story of their friendship. The Little Book of Bob is a collection of the wisdom James has learnt from Bob throughout the years, as they go through thick and thin together. From the power of friendship to staying calm and finding the joys in a simple life, let Bob be your guide on how to navigate the ins and outs of life like a wise street cat.

One of the most popular and profound inspirational writers of all time shares simple wisdom for living a happy and fulfilling life. This book is a collection of Gibran's words on how to live. Here are his thoughts on what it means to live in community and solitude and what gives life meaning, along with his often prescient views on government, organized religion, wealth, and commerce. Gibran's sensibility feels contemporary. He did not recognize any ultimate authority outside of the human soul: "it were wiser to speak less of God, whom we cannot understand and more of each other, whom we may understand." This is the essential Gibran, with 88 selections organized into 5 sections that elucidate answers to the questions that each of us face: 1. Living a wise life 2. Community wisdom 3. Wise exchange 4. Wisdom from solitude 5. Wisdom beyond words this inspirational gift volume gently guides readers through life's big issues: meaning and mortality, good and evil, and discovering an authentic spiritual path. Suitable for all gift-giving occasions, it is a book that delights, informs, and inspires.

C. S. Lewis' Little Book of Wisdom offers more than 300 bite-size nuggets of inspiration and wisdom from the much-loved author, philosopher, and Christian theologian. Novelist, poet, critic, scholar, Christian theologian, and best-selling author of the Narnia series, C.S. Lewis was a deep thinker and a beautiful writer. His works have become timeless classics for adults and children around the world. Here, in one concise and inspirational volume, is the essence of Lewis' thought. This distillation of his feelings on subjects ranging from love and faith, to ethics and morality, to myth and literature will throw open the windows of the soul and provide readers with bite-size nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will provide sustenance, wisdom, and hope for believers, seekers, artists and thinkers. It will provide an entry point for those unfamiliar with Lewis' thought; an entry point that will make them want to further explore his works of fiction and non-fiction.

The Little Red Book of Wisdom offers time-tested principles for professional and personal fulfillment. Mark DeMoss gathers insights for living wisely from history, Scripture, and a lifetime of listening. The result is a handy, accessible book that gives readers a new way to enjoy lasting success in the work world and beyond. Topics include finding and keeping your focus in life, building a winning corporate culture, and setting aside time for good thinking.

Listen to the bees. Bees reflect human society - understand them and we can get a little closer to understanding ourselves. Humans and bees have enjoyed a close relationship for millennia, and the entries in this book reflect at least two thousand years of fascination with the world's favourite insect. Monarch, celebrity, monk, peasant, warrior or regular Joe, there are few who haven't fallen under the spell of bees and the riches they bring. From superstition to science, cake recipes to self-help, these quotes are a mirror to ourselves - our hopes and fears, our lives and deaths. Not to mention our taste-buds. 'A summer where there are no bees becomes as sad and as empty as one without flowers or birds' The Life of the Bee, Maurice Maeterlinck, 1901, trans. Alfred Sutro, 1914. In many European countries and parts of North America it is traditional to visit a hive and 'tell the bees' when there is a birth, marriage, departure, return or death in the family.

With over 300 quotations, this book invites the reader to delve into the writings of the great contemplatives and mystics of the past two thousand years. The Little Book of Christian Mysticism provides a user-friendly, insightful, and potentially life-changing introduction to the essential teachings of the greatest mystics in the western wisdom traditions, past and present, including Francis of Assisi, Hildegard of Bingen, Thomas Merton, Evelyn Underhill, Meister Eckhart, Teresa of Avila, John of the Cross, and Julian of Norwich. Readers can use this book to initiate themselves into this visionary and ecstatic spiritual lineage, and they can also use it as a book of daily meditations. Small enough to fit in one's pocket or handbag, this is truly a user-friendly introduction to this venerable body of wisdom.

"This is a collection of inspirational wisdom for living a meaningful and productive life. This selection of quotations has been chosen to reflect Rumi's inspiring and uplifting approach to life and the inevitable issues that we encounter during our lifetimes. The wisdom includes no-nonsense

Words of Wit and Wisdom from the Starman

A USA Today bestseller! "These well-chosen Lewis quotes will inspire readers and prompt them to make their own spiritual reflections." —Publishers Weekly Novelist, poet, critic, lay theologian, and best-selling author of the 'Narnia' series, C. S. Lewis' works have become timeless classics for adults and children around the world. Here in one concise volume is the essence of his thought on subjects ranging from love and faith to ethics and morality and myth and literature that will throw open the windows of the soul and provide readers with bite-sized nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will provide sustenance, wisdom, and hope for both believers and seekers. And, most importantly, it will provide an entry point for those unfamiliar with Lewis that will make them want to explore his fiction and nonfiction works.

Selections from C.S. Lewis' Little Book of Wisdom: "If God had granted all the silly prayers I've made in my life, where should I be now?" "Surely arrested development consists not in refusing to lose old things, but in failing to add new things..." "Do not dare not to dare." "We are mirrors whose brightness is wholly derived from the sun that shines upon us." "I didn't go to religion to make me happy. I always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity."

"The most valuable aspect of religion," writes Robert Lawrence Smith, "is that it provides us with a framework for living. I have always felt that the beauty and power of Quakerism is that it exhorts us to live more simply, more truthfully, more charitably." Taking his inspiration from the teaching of the first Quaker, George Fox, and from his own nine generations of Quaker forebears, Smith speaks to all of us who are seeking a way to make our lives simpler, more meaningful, and more useful. Beginning with the Quaker belief that "There is that of God in every person," Smith explores the ways in which we can harness the inner light of God that dwells in each of us to guide the personal choices and challenges we face every day. How to live and speak truthfully. How to listen for, trust, and act on our conscience. How to make our work an expression of the best that is in us. Using vivid examples from his own life, Smith writes eloquently of Quaker Meeting, his decision to fight in World War II, and later to oppose the Vietnam War. From his work as an educator and headmaster to his role as a husband and father, Smith quietly convinces that the lofty ideals of Quakerism offer all of us practical tools for leading a more meaningful life. His book

culminates with a moving letter to his grandchildren which imparts ten lessons for "letting your life speak."

With characteristic humour and a down-to-earth approach to the Buddhist path, the Dalai Lama offers us an inspirational way to transform our hearts and minds and create the happiness we seek. He shows us how our state of mind, in terms of our attitudes and emotions, plays a crucial role in shaping the way we experience happiness and suffering.

A treasure chest of angelic lore and an exquisite introduction to the divine messengers and the heavenly hierarchies. This inspiring "Little Book" collection of sayings, poems, prayers, and teachings makes an ideal gift or constant companion. Illustrated in color throughout.

Essential Wisdom of Saints, Seers, and Sages

The Circle of Fire

Spiritual Wisdom for Every Day

A collection of Wonderland quotations, showcasing not only the most recognisable bon mots of Wonderland, but the hidden depths and deeper meanings to be found within even the most innocuous turns of phrase.

Pope Francis appears to be changing the face of Roman Catholicism. He has infused what some consider a staid institution with openness and optimism. He has faced off against established power interests within the Vatican. He has reformed the Church's finances. And, most importantly, he has asked that Catholics approach one another and non-Catholics with candor, humility, and love. He has made the papacy and the Church relevant once again. A pope of the people, Pope Francis' teachings have been praised and shared by the faithful and nonreligious alike. Exploring themes such as faith and prayer, love and family, peace and poverty, this collection is accessible to all who admire the man and are inspired by his wisdom. Included in this gift-format edition are fifteen chapters on wide-ranging topics including: On Family On the Law of Love On the Nature of God On Humility and Faith On Sacrifice and Suffering On Prayer On Peace

"Don Miguel Ruiz is the author of The four agreements, The mastery of love, and numerous other bestselling books. He is also one of the most influential spiritual teachers on the planet, having touched the lives of millions and millions of people around the world. No person has been affected more by his teachings than his own son, don Miguel Ruiz Jr., and in this groundbreaking work, don Miguel Ruiz Jr. has compiled the wisdom of his father into one little, albeit extremely powerful, book."--Inside cover flap.

In The Circle of Fire (formerly published as Prayers: A Communion With Our Creator) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

The Manual For Living
How to Deduce What On Earth Is Going On

90 Management quotes from the world's best thinkers - The Intriguing, fast, and focused rout to success. The Little Book of Big Management Wisdom outlines 90 of the greatest management quotations ever. The majority of quotes have been taken from legendary business leaders and commentators, including Warren Buffet and Peter Drucker. However, there are a few surprise inclusions from such people as Robert Frost and Elvis Presley. Each quotation, what it means, how to use it and the questions you should be asking, is outlined in two pages so you can immediately start to apply it in the real world. Packed with advice on how to deal with a wide range of management issues, this book will provide you with the insight and skills you require to succeed. Manage and develop your business Manage yourself and your career Motivate and lead people Turn your customers into partners Plan effectively Make better decisions All you want to know and how to apply it - in a nutshell. 'Pure nectar - a distillation of management with passion. Not only a book for Management but should be required reading for any sales executive'. Dr Paul Mycock, Principle Consultant, Ampercom Ltd

The wisdom of the Native American traditions is increasingly recognized as a source of true inspiration in the troubled times we are all experiencing today. Here are peoples who have long understood the importance of living in harmony with the Earth and who understand the interconnectedness of all things. In this collection of extracts, the author takes readers through the essence of Native American wisdom with the words of such visionaries as Black Elk. There are many principles of this ancient tradition that are acutely appropriate for us all in the modern world and which can inspire our hearts, guide our thoughts and bring joy and hope to our lives.

A collection of your favorite Bible verses organized for any occasion, Wisdom of the Bible is an invaluable resource. Wisdom of the Bible provides day-to-day insights and hope from the greatest story ever told. Too often in life, we struggle with uncertainty and anxiety; it is in these times that we can turn to the Scriptures for comfort and guidance. Presented in a clear,

elegant format, Wisdom of the Bible draws on the Scriptures to provide words of advice and inspiration on relationships, love, family, and more. Taking as its credo that the best life is one that follows the principles of the Scriptures, Wisdom of the Bible brings these ages-old words of wisdom to life, along with practical advice from Pastor Tonia Jenkins' personal and professional experience. Wisdom of the Bible brings God's guidance to those who need it most. These words of wisdom and advice have guided countless lives for centuries; this book directs these perfect words of Scripture to those areas of life where they are needed most: matters of love and family, health and prayer, and even life and death. Providing insight not only into one's personal life, but also offering advice on how best to trust in God's wisdom and let his plan follow its plotted course, Wisdom of the Bible is the book to reach for whenever you need a word of wisdom. A great gift idea. "Happy is the man that finds wisdom, and the man that gets understanding." --Proverbs 3:13

One of the most popular and profound inspirational writers of all time explores the mysteries of life. Here is bite-sized wisdom for daily living in a beautiful gift package. This book is a collection of Gibran's words on life's big questions and the mysteries of the spiritual path. It is an exploration of the riddles and conundrums that are part of the fabric of existence, and it is an attempt to penetrate and explain the mysteries of life. Gibran was fascinated by life's puzzles and riddles--those questions that cause us to stop what we are doing and ask, "Why?" Here are his musings about the seemingly unanswerable questions and his exploration of good and evil, love and hate, and the difference between appearances and reality. Kahlil Gibran's Little Book of Secrets is organized into five sections that elucidate the key issues and questions that each of us face: Entering the Labyrinth of Life Secrets of Life and Death Life's Ups and Downs Secrets of Good and Evil Traveling the Inner Path This inspirational gift volume gently guides readers through life's big issues: meaning and mortality, good and evil, and discovering an authentic spiritual path. Suitable for all gift-giving occasions, it is a book that delights, informs, and inspires.

THE MANUAL FOR LIVING is the first and best primer for living the best possible life -- as helpful in the twenty-first century as it was in the first. Epictetus's teachings rank among the greatest wisdom texts of human civilization. Epictetus taught that philosophy is a way of life and not just a theoretical discipline. To Epictetus, all external events are beyond our control; we should accept calmly and dispassionately whatever happens. However, individuals are responsible for their own actions, which they can examine and control through rigorous self-discipline. By putting into practice the ninety-three wise instructions that make up The Art of Living, readers learn to successfully meet the challenges of everyday life.

A little book for those in search of words to calm and inspire. In this gift book His Holiness the Dalai Lama imparts his message: the importance of love, compassion and forgiveness.

Sherlock Holmes' wit and wisdom, combined with some sly illustrations, will help you deduce the best way to mindfully solve the mysteries of modern life! In our pursuit of happiness, is it possible we have overlooked some crucial clue? Time to turn your days into a thrilling adventure! The game's afoot. In this age of nano-tech and quantum physics, the thinking of Sherlock Holmes returns to remind us that success in life depends on noticing the tiny details that others do not. "You know my method. It is founded upon the observation of trifles."

(Holmes) If you find life puzzling and incomprehensible, who better to help you understand what's going on than Sherlock Holmes? Holmes reminds us that life makes a lot more sense if you know what to look for. Listen to Holmes and you'll know that life isn't random. Holmes has lots of life lessons to offer us. His great career wasn't only down to spotting clues. He was a specialist in deduction, a master of disguise, a genius at setting traps and a prince of daring-do, happy to brave a moor at midnight and face a demon hound. He also knew how to choose his friends, and find the perfect ally in his dear Watson. After all, the great detective unmasked the Sussex Vampire, caught the Creeping Man and destroyed the evil genius Moriarty. Compared to this, shouldn't our worries be a piece of cake? Illustrated with Glenn Dakin's trademark witty cartoons and insightful observations.
