Once upon a time, Little Red set off into the woods to catch a wolf. . . . But the woods aren't all they seem - and are there even any wolves left? Mini Grey re-imagines the classic Little Red Riding Hood fable in an entirely new way. Can Little Red help her new friends in need and recover the wild days of the past? This is a powerful, moving and funny picture book which will have children and adults revisiting its exquisite pages time and time again, and discussing the important message it holds. From the award-winning author/illustrator of The Adventures of the Dish and the Spoon, The Pea and the Princess and Biscuit Bear.

This blistering novel—from the bestselling, Pulitzer Prize–winning author of The Road—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Lewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. No Country for Old Men is a triumph.

This whimsical collection features 25 dumpling-shaped crochet cats. Each is loaded with personality and accompanied by a photo and drawing as well as easy-to-follow instructions suitable for crocheters of any skill level.

Inspired by the #1 New York Times bestseller She Persisted by Chelsea Clinton and Alexandra Boiger comes a chapter book series about women who stood up, spoke up and rose up against the odds! In this chapter book biography by award-winning author Lesa Cline-Ransome, readers learn about the amazing life of Claudette Colvin--and how she persisted. Before Rosa Parks famously refused to give up her seat on a bus in Montgomery, Alabama, fifteen-year-old Claudette Colvin made the same choice. Complete with an introduction from Chelsea Clinton, black-and-white illustrations throughout, and a list of ways that readers can follow in Claudette Colvin's footsteps and make a difference! And don't miss out on the rest of the books in the She Persisted series, featuring so many more women who persisted, including Harriet Tubman, Ruby Bridges, Oprah Winfrey, and more! Praise for She Persisted: Claudette Colvin: "Cline-Ransome brings the teen activist to life with great compassion and impressive brevity. . . . A noteworthy start for chapter-book readers wishing to read more about young leaders of the movement." --Kirkus Reviews "Cline-Ransome's narrative provides a knowledgeable, interesting introduction to an important player in the civil rights movement." --School Library Journal
