

The Little Prince: Unabridged With Large Illustrations 70th Anniversary Edition

The Little Prince and nbsp;(French: and nbsp;Le Petit Prince) is a and nbsp;novella and nbsp;by French aristocrat, writer, and aviator and nbsp;Antoine de Saint-Exupéry. It was first published in English and French in the US by and nbsp;Reynal and amp; Hitchcock and nbsp;in April 1943, and posthumously in France following the and nbsp;liberation of France and nbsp;as Saint-Exupéry's works had been banned by the and nbsp;Vichy Regime. The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, and nbsp;The Little Prince and nbsp;makes observations about life, adults and human nature. The Little Prince and nbsp;became Saint-Exupéry's most successful work, selling an estimated 140 million copies worldwide, which makes it one of the and nbsp;best-selling and nbsp;and and nbsp;most translated books and nbsp;ever published. and nbsp;It has been translated into 301 languages and dialects. and nbsp;The Little Prince and nbsp;has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera. Moral allegory and spiritual autobiography, The Little Prince is the most translated book in the French language. With a timeless charm it tells the story of a little boy who leaves the safety of his own tiny planet to travel the universe, learning the vagaries of adult behaviour through a series of extraordinary encounters. His personal odyssey culminates in a voyage to Earth and further adventures.

The Happy Prince and Other Tales was written by Victorian author Oscar Wilde and illustrated by Walter Crane and Jacomb Hood.?

A hilarious picture book from #1 New York Times bestselling author Jory John, paired with new illustrator Erin Kraan, about a bear whose friends help him make it through a bad day! Jeff the bear has definitely forgotten something. He ate his breakfast, he watered his plant, he combed his fur...what could it be? Why does he feel so oddly off? So he asks his friend Anders the rabbit what could possibly be wrong. It couldn't have anything to do with the fact that he's wearing underwear...over his fur...could it? Something's Wrong! is another read-out-loud, laugh-out-loud picture book from bestselling and beloved author Jory John, about that horrible nagging feeling that it just might not be your day—but you know you have a friend to support you no matter what.

The Life of Antoine de Saint-Exupéry

A Guide for Grown-ups

The Little Lame Prince

Hello, I am the Little Prince. Bonjour, je suis le Petit Prince. Meet the Little Prince and read about his tiny planet - in both English and French! This classic, beloved tale is re-imagined as a beautiful, padded board book, with original illustrations and a playful, sweet design.

Follow The Little Prince as he travels from Asteroid B-612 to Planet Earth. This re-telling of Antoine de Saint-Exupéry's classic novella focuses on the Little Prince's relationships with the people and places he comes across on his adventure. Illustrations from the original work are joined by new designs, showing the Little Prince as he flies his plane, watches the sunset with the Fox, and spends time with his beloved Rose. "The Little Prince for Young Children" also provides a learning opportunity, with the original French text accompanying each English paragraph.

An anniversary edition of the classic tale of a little prince's adventures among the stars includes collected information about the making of the story using sketches, original reviews, and details into the author's life and work.

***** English (Voor Nederlands naar beneden scrollen) *** Kindle bilingual edition (Dutch - English parallel texts) Dutch easy readers: If you are learning or improving your Dutch or English as second language, grab this bilingual edition containing a bilingual edition of this masterpiece. The Love Story Behind The Little Prince

Beautiful Images for You to Color and Enjoy...

Counting with the Little Prince

The Tale of the Rose

For over 70 years This Unabridged illustrated beloved classic beautifully reflects Saint-Exupery's unique and gifted style. The Little Prince [Le Petit Prince], is a novella and the most famous work of the French aristocrat, writer, poet and pioneering aviator Antoine de Saint-Exupery (1900-1944). The novella is both the most-read and most-translated book in the French language, and was voted the best book of the 20th century in France. The artwork in this edition has been restored to match in detail and in color Saint-Exupery's original artwork. Perfect for longtime fans and those meeting the little prince for the first time!" Saint-Exupery's timeless classic with complete original text and beautiful illustrations, including downloadable audio."

In 1939, hatred took root in South Africa, where the seeds of apartheid were newly sown. There a boy called Peekay was born. He spoke the wrong language—English. He was nursed by a woman of the wrong color—black. His childhood was marked by humiliation and abandonment. Yet he vowed to survive—he would become welterweight champion of the world, he would dream heroic dreams. But his dreams were nothing compared to what awaited him. For he embarked on an epic journey, where he would learn the power of words, the power to transform lives, and the mystical power that would sustain him even when it appeared that villainy would rule the world: The Power of One.

If Dauphin, a pampered Shetland pony, seems to lead the perfect life in the penthouse suite of the city's posh riding stables, it's because he does. And if he seems a bit too self-satisfied—after all, he's won several trophies for his young owner, Isabella, and is widely acknowledged to be the prettiest pony in the city—it's because he is. Dauphin leads a rich, comfortable life. But all that changes when his relationship with his owner takes a decided turn for the worse. He's suddenly sent away to a farm in the middle of nowhere, which is filled with the most unusual animals. And where, against all odds, he discovers the true meaning of home and family.

An Antidote to Chaos

Little Prince

The Happy Prince

The Pilot and the Little Prince

A controversial tale of friendship and tragedy during the Great Depression A Penguin Classic Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. Of Mice and Men represents an experiment in form, which Steinbeck described as "a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan Shillinglaw, one of today's leading Steinbeck scholars. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied France. Neither his plane nor his body was ever found. The Tale of the Rose is Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the spirited woman who gave him the strength

to fulfill his dreams. Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in 1930—she a seductive young widow, he a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they would go their separate ways, but always they would return. The Tale of the Rose is the story of a man of extravagant dreams, and of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet spell of reconciliation, The Little Prince was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. The Tale of the Rose is Consuelo's reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as The Little Prince. Praise for The Tale of the Rose “We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to understand her husband, she accepts him and leads him to what he must be. . . . Written with a strong and authentic voice, The Tale of the Rose is a book to read for its strength of character, and for the adventure that it offers.”—Elle

Rediscover Antoine de Saint-Exupéry's universal masterpiece with original text and magnificent new illustrations created by masters of film animation. This wise and enchanting fable teaches the secret of what is really important in life.

Now a Netflix movie directed by Mike Flanagan (Oculus, Hush) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... “And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone.” Once again, Jessie Burlingame has been talked into submitting to her husband Gerald's kinky sex games—something that she's frankly had enough of, and they never held much charm for her to begin with. So much for a “romantic getaway” at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that may conceal an imagined or very real threat right there with her..

The Little Prince - de Kleine Prins

"What does everyone in the modern world need to know? [The author's] answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. [The author discusses] discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life"--

This classic beloved tale is reimagined as a beautiful, sturdy counting board book -- one prince, two sheep, three trees and so on with a surprise lift-the-flap at the end!

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

One of the most published and translated books in the world, The Little Prince fascinates the reader with its story of a pilot marooned in the Sahara after something goes wrong with his plane, and a little man with golden hair who has 'fallen' to earth by chance.

The Power of One

12 Rules for Life

In Regency London, an unconventional scientist and a fearless female artist team up to trap a cold-hearted killer: "Thoroughly enjoyable" (Deanna Raybourn, New York Times–bestselling author). The Earl of Wrexford possesses a brilliant scientific mind, but boredom and pride lead him to reckless behavior. So when pompous, pious Reverend Josiah Holworthy publicly condemns him for debauchery, Wrexford unsheathes his rapier-sharp wit and strikes back. As their war of words escalates, London's most popular satirical cartoonist, A.J. Quill, skewers them both. But then the clergyman is found slain in a church—his face burned by chemicals, his throat slashed ear to ear—and Wrexford finds himself the chief suspect. An artist in her own right, Charlotte Sloane has secretly slipped into the persona of her late husband, using his nom de plume, A.J. Quill. When Wrexford discovers her true identity, she fears it will be her undoing. But he has a proposal—use her sources to unveil the clergyman's clandestine involvement in questionable scientific practices, and unmask the real murderer. Soon Lord Wrexford and the mysterious Mrs. Sloane plunge into a dangerous shadow world hidden among London's intellectual enclaves to trap a cunning adversary—before they fall victim to the next experiment in villainy . . . "Sharp, engaging characters, rich period detail, and a compellingly twisty plot, Andrea Penrose delivers a winner." —Deanna Raybourn, New York Times–bestselling author "Fans of C.S. Harris take note! A riveting ride through Regency London, from the slums of St. Giles, to the mansions of Mayfair." —Lauren Willig, New York Times–bestselling author "Historical chemistry meets alchemy . . . A delight of a book.&rdquo

An unmissable collection of eight unconventional and captivating short stories for young and adult learners. "I love Olly's work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller A Mind for Numbers Short Stories in French for Beginners has been written especially for students from beginner to intermediate level, designed to give a sense of achievement, and most importantly - enjoyment! From science fiction to fantasy, to

crime and thrillers, Short Stories in French for Beginners will make learning French easy and enjoyable.

Prince Owin Being a fierce predator--not at all adorable, despite my graceful stature--the last thing I needed was a bodyguard. Especially a wolf shifter, whose presence alone was an insult to my princely principles. As Prince of the Ocelot Shifters, I prided myself on my infallible feline instincts, uncompromisable dignity, and flawless fashion sense. If having a canine follow me around at all times wasn't bad enough, I now faced the most important moment of my entire life. The time had come to prove I was worthy of my crown. If only I could find a way to get rid of the pesky bodyguard. Grimmwolf When the King of All Shifters asked me to guard Prince Owin, I admit I had no idea what to expect. Cat shifters tend to be a little intense, not to mention kinda cranky. Owin was no exception, though he seemed crankier than most. Being his bodyguard was proving to be one of the greatest challenges of my life--but not nearly as great as convincing him there was something special between us. When Owin is faced with a perilous quest to prove his worth, I was determined to keep him safe, even if the same couldn't be said of my heart.

Although The Mysterious Island is technically a sequel to Verne's enormously popular Twenty Thousand Leagues Under the Sea, this novel offers a vastly different take on similar thematic motifs. As with all of Verne's best-known works, The Mysterious Island is a masterpiece of the action-adventure genre, with a heaping dash of science fiction influence thrown in for good measure.

The Little Prince Deluxe Pop-Up Book

Gerald's Game

Essential Wisdom from the Collected Works of Antoine de Saint-Exupéry

The Little Prince Family Storybook

Meet the Little Prince (Padded Board Book)

The New York Trilogy is perhaps the most astonishing work by one of America's most consistently astonishing writers. The Trilogy is three cleverly interconnected novels that exploit the elements of standard detective fiction and achieve a new genre that is all the more gripping for its starkness. It is a riveting work of detective fiction worthy of Raymond Chandler, and at the same time a profound and unsettling existentialist enquiry in the tradition of Kafka or Borges. In each story the search for clues leads to remarkable coincidences in the universe as the simple act of trailing a man ultimately becomes a startling investigation of what it means to be human. The New York Trilogy is the modern novel at its finest: a truly bold and arresting work of fiction with something to transfix and astound every reader. 'Marks a new departure for the American novel.' Observer 'A shatteringly clever piece of work . . . Utterly gripping, written with an acid sharpness that leaves an indelible dent in the back of the mind.' Sunday Telegraph 'The New York Trilogy established him as the only author one could compare to Samuel Beckett.' Guardian A lone pilot stranded in the desert is awoken by a little prince, and they become friends. The prince comes from a tiny nameless planet far away. All that exists on his planet are three volcanoes and a flower. Yet, when the flower became difficult to please, like and understand, the little prince left in search of new friends and places.

The Little Prince Family Storybook Unabridged Original Text Harcourt Brace

The release of the film The Little Prince, adapted from the masterpiece by Antoine de Saint-Exupéry and produced by Mark Osborne, offers a publisher the chance to shed new light on this universal work. The delicate stop-motion animation used in the feature film, created by cutting and animating pieces of paper, sets the stage for a poetic re-reading of this timeless classic. Both young and old are able to relate to the story of the little prince and discover for themselves that "the only way to see is with one's heart."

A Bear, a Hare, and Some Underwear

The Little Prince

The Little Prince Coloring Book

Of Mice and Men

The Egyptian

A beautifully illustrated retelling of Oscar Wilde's classic story

Peter Sís's remarkable biography The Pilot and the Little Prince celebrates the author of The Little Prince, one of the most beloved books in the world. Antoine de Saint-Exupéry was born in France in 1900, when airplanes were just being invented. Antoine dreamed of flying and grew up to be a pilot—and that was when his adventures began. He found a job delivering mail by plane, which had never been done before. He and his fellow pilots traveled to faraway places and discovered new ways of getting from one place to the next. Antoine flew over mountains and deserts. He battled winds and storms. He tried to break aviation records, and sometimes he even crashed. From his plane, Antoine looked down on the earth and was inspired to write about his life and his pilot-hero friends in memoirs and in fiction. A Frances Foster Book This title has Common Core connections.

Few novels have been as inspirational as The Little Prince" by Antoine de Saint-Exupéry. Now one of the most famous literary works of the 20th century has been re-imagined in this new edition

by White Star. Follow the tale of the Little Prince as he discovers the universe and learns lessons about life and love. Enriched with lavish illustrations by Manuela Adreani an artist who, with her rare sensitivity, has created a beautifully original version of this story to cherish.

First published in the 1940s and widely condemned as obscene, The Egyptian outsold every other American novel published that same year, and remains a classic; readers worldwide have testified to its life-changing power. It is a full-bodied re-creation of a largely forgotten era in the world's history: an Egypt when pharaohs contended with the near-collapse of history's greatest empire.

This epic tale encompasses the whole of the then-known world, from Babylon to Crete, from Thebes to Jerusalem, while centering around one unforgettable figure: Sinuhe, a man of mysterious origins who rises from the depths of degradation to get close to the Pharaoh...
