

## The Lost Savior: A Reverse Harem Paranormal Romance (Alinthia Book 1)

My one piece of advice: Never kiss a stranger. See, I kind of kissed this sexy man at the bar on a dare once, and it turns out he's a Royal Fae destined to be my mate. Now I've been dragged to the Elemental Fae Academy to control the powers I unlocked that night. So kissing? Yeah, that won't happen again. Nope. Lesson learned. Except, I kind of kissed Titus, too. And well, now, I'm in a world of trouble. I keep burning things down, flooding dorms, and I've attracted the campus mean girl brigade. This Fae Realm is a nightmare come to life. Truly. But there are dreams here, too. Sexy ones. And they're in the form of five Elemental Fae mentors. They're supposed to help me control my powers, but who's going to keep the elements from controlling me? Note: This is a medium burn reverse harem paranormal romance, and book one of the Elemental Fae Academy trilogy.

They came from another world to protect her. Now it's her destiny to save them... Tori King is a normal senior in high school. Head over heels in love with her childhood sweetheart, she is busy making plans for college when a chance encounter with an alien bounty hunter turns her world upside down. Now, she's experiencing terrifying changes and developing supernatural abilities that leave her questioning her entire existence. Then the arrival of four hot new guys at school has everyone talking—especially when they become fixated on Tori, following her wherever she goes. She can't shake them off, and as they grow closer, she finds herself drawn to all four of them in ways she cannot explain. When they finally reveal their true identity, and why they're here for her, she discovers everything she thought she knew about herself is a lie. Because there is nothing normal about Tori King. And she's about to discover exactly how underrated normal is. "Brimming with intrigue, heartbreak, romance (times four), and all the hot I have come to expect from Siobhan's alien worlds." Jaymin Eve, USA Today bestselling author of the Curse of the Gods series. From a USA Today bestselling author comes a captivating new alien reverse harem series that is intended for readers aged seventeen and older. This is upper YA/NA crossover which gets steamier as the series develops. This book ends with a cliffhanger and cannot be read as a standalone. 110,000-word full-length novel.

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

**\*\*Dark Reverse Harem\*\*** For hundreds of years Catriona and her sisters have kept their existence a secret. The power that they hold could change the supernatural world. One mistake during a night out on the town leaves her bound to a pack of wolf shifters, and all six of them want her. Her pheromones make their wolves wild for her and they will have her at any cost. Now that she's been discovered, other packs, even other races will kill to have her, to own her, to use her, to abuse her and to consume her. And all of them will hate her. Suddenly thrust into the middle of pack politics, Catriona and her fated mates must negotiate their way forward to keep her safe, and to lead the Sirens and the Wolf Shifters forward to survival at the same time. There is a war coming, and the fate of all will depend on them. **\*\*Please note, this book contains scenes that may not be suitable for sensitive readers. This book is not intended for readers under the age of 18 years.\*\***

Savior's Spell

How Five Great Commanders Saved Wars That Were Lost - From Ancient Greece to Iraq

The Complete Prophecies of Nostradamus

A Dark Reverse Harem Novel

A Paranormal Romance

*Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world—a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series*

*After this logging season, I'm never having sex again. Because: reasons. But first, I have a gig earning room and board and ten thousand dollars by 'entertaining' 8 lumberjacks. Eight strong and strapping Paul Bunyan types, big enough to break me in two. There's Lincoln, the leader, the stern, silent type... Jagger, the Kurt Cobain look-alike, with a soul full of music and rockstar moves... Elon & Oren, ginger twins who share everything... Saint, the quiet genius with a monster in his pants... Roy and Tommy, who just want to watch... And Mason, who hates me and won't say why, but on his night tries to break me with pleasure. They own me: body, mind and orgasms. But when they discover my secret—the reason I'm hiding from the world—everything changes.*

*The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.*

*Stirring portraits of five commanders whose dynamic leadership changed the course of war and history by prominent military historian Victor Davis Hanson. "Victor Davis Hanson has written another*

time since the creation of the world that God has addressed all mankind. These utterances form the first text expressed by God among mankind in which He exposes people, guides, judges them, and speaks heart-to-heart to them and so, too, are they the first utterances in which God lets people know His footsteps, the place in which He lies, God's disposition, what He has and is, God's thoughts, and His concern for mankind. It can be said that these are the first utterances that God has spoken to mankind from the third heaven since the creation. The first time that God has used His inherent identity to appear and express the voice of His heart to mankind amid words.

The Soil Will Save Us

The Lost Savior

***In the power struggle between two elite groups, one feisty girl will bring them to their knees... Life is a cruel game where only the most ruthless survive. It's a truth my mother rebelled against, and she paid for it with her life. Now, I play their game. Publicly accepting the destiny that lies in wait for me when I turn eighteen. But, behind closed doors, I plot my escape. Trent, Charlie, and my twin, Drew, rule the hallways of Rydeville High with arrogance and an iron fist. I execute my role perfectly, hating every second, but they never let me forget my place in this world. Everyone obeys the rules. They have for generations. Because our families have always been in control. Until Cam, Sawyer, and Jackson show up. Throwing their new money around. Challenging the status quo. Setting hearts racing with their gorgeous faces, hot bodies, and bad boy attitudes. Battle lines are drawn. Sides are taken. And I'm trapped in the middle, because I made a mistake one fateful night when I gave my V-card to a stranger in a blatant F you to my fiancé. I thought it was the one thing I owned. A precious memory to carry me through each dark day. I couldn't have been more wrong. Because the stranger was Camden Marshall, leader of the new elite and my perpetual tormenter. He hates me with a passion unrivaled, and he won't be the only one. Fire will rain down if the truth is revealed, threatening alliances, and the power struggle will turn vicious. My life will hang in the balance. But I'll be ready, and I'm not going down without a fight. Due to mature content and themes this book is recommended to readers eighteen and over.***

***SAVIOR'S DAY BY ALAN WINTER Savior's Day is a work of fiction taken out of today's headlines. Cardinal Arnold Ford, head of the Archdiocese of New York, witnesses a murder on the steps of St. Patrick's Cathedral. With the old man's dying breath, he hands the Cardinal a sliver of ancient parchment to keep and protect. What follows is a tale woven from an open case that Israel's vaunted spy agency, the Mossad, is afraid to solve. What do they fear? How can the lost pages of an ancient treasure threaten the very existence of the State of Israel? LeShana Thompkins, the NYPD detective assigned to the homicide, interviews Cardinal Ford. As the investigation unfolds, LeShana is conflicted whether to reveal secrets about the priest's past that his adopted missionary parents hid from him. Ford is stunned. He learns from the Detective who his biological father was, what role his father played in history, and how his own DNA primes the priest for the challenge of a lifetime: to broker a Middle East Peace agreement. Savior's Day is by turns a suspense thriller that fictionalizes history into a modern-day drama that will keep you at the proverbial edge of your seat. Surprise after surprise leaps off the pages, based on true facts that will amaze. Move over DaVinci Code, Savior's Day has arrived! Jericho lay prostrate, left elbow on the flat stone rimming the roof, gunstock against his shoulder, the barrel under the barb wired encircling the building, finger on the trigger, pulse at a steady fifty-six beats. All that was required was the missing Element who was now approaching the East Gate of Jerusalem's old city. By some, it was aptly referred to as the Gate of Mercy. Across the way, hidden in a minaret all thought safe, secure, and unoccupied, Zakkariah ibn Mohammed took aim. In moments he would put a hole through the madness centered around these absurd missing pages written on ancient parchment. And then it happened. Two shots rang out. Pandemonium erupted. In the spit of a flash, soldiers rushed to form a tight ring around the Trinity plus Two. It was too late. The indelible, unchangeable, irrevocable act occurred on what would be forever known as Savior's Day.***

***Celeste was a shifter. What's the worst part of being a snow leopard shifter? It wasn't the epic-sized hairballs or the constant nudity. No, it was the fear. The fear of being captured and becoming another statistic, another underground prize. When an unintentional rescue results in some accidental consequences, Celeste knows that the sunny-natured Reese will have her back. However, she didn't plan on his best friends being quite so hostile, or the fact that Reese was one of the youngest billionaires in the US. His friends look at her and see just***

***another gold digger; one they want gone by any means necessary. Fine, she hadn't planned on staying anyway, but while she was here, she was happy to play cat and mouse with Lincoln, the jacked-up bodyguard and Vincent, the way too pretty rockstar. Because her snow leopard? She wanted to roll around on them like they were catnip and she'd never been great at self-denial. But death still waits in the shadows for its prize, and this time, there will be no accidental savior coming to her rescue.***

***Is she strong enough to fulfill her legacy or will the dark side prevail? After the gruesome battle on Xzanthar, General Arantu is on a mission to seek retribution, and he has Earth in his sights. Alinthia and her protectors ally with the government to shield innocent humans from attack, but that's not their only concern. As her eighteenth birthday approaches, Alinthia's awakening draws closer, and no one knows what to expect. Internalizing her fear of the darkness that threatens to consume her, she pushes herself to the breaking point to master complete control over her powers. But she's still terrified of the unknown. Working from the secret society's hidden base in the Valley of the Queens, Alinthia attempts to forge partnerships with alien allies in preparation for the ultimate battle. However, emotions are running high, distrust is rampant, and loyalty is hard-won. Dane continues to push Alinthia away, causing additional friction and uncertainty when they can't afford to be divided. Determined to avoid confronting what happened on Xzanthar, he throws himself into his duties, butting heads with key players as he struggles to adjust to the new power dynamic. Presenting a united front has never been more important, but when Alinthia's birthday arrives, will the bond with her protectors be enough to save her from the dark side? Or are they all doomed to fail?***

***Reverse the Curse***

"From the rising of the sun to its setting my name is great among the nations, and in every place incense is offered to my name, and a pure offering; for my name is great among the nations, says the Lord of hosts."—Malachi 1:11 One Old Testament passage seized the imagination of the early Church—and directed Christian hearts and minds toward the Eucharist. It was the oracle of Malachi 1:11, and it was cited (like Isaiah's Suffering Servant oracles) to prove the identity of the Messiah through His Church and His Sacrament. In *The Eucharist Foretold: The Lost Prophecy of Malachi*, Mike Aquilina reveals that the Messiah's true identity—and the identity of the Eucharist—helps us find our identity as "catholic," and will lead us to discover our roots in the religion of ancient Israel. To the early Christians, Malachi's oracle defined who they were individually and as a Church.

Please read entire description before purchase.\*When a Biker with a tortured past, meets a mysterious woman in a dangerous situation, she becomes a light in his dark life that he'll do anything to keep. But she has a dark past of her own. One that is creeping ever closer, threatening to extinguish that light forever....\*This is the story of Dean and Vanna. Two star crossed lovers who come to realize that they need each other to survive, in more ways than one. \*Dean Keegan is a Vigilante Biker with a tortured past, who makes abusers of women and children pay for their crimes against the innocent. The story begins with Dean at rock bottom, on the verge of giving up after having lost his marriage and about to be thrown out of his club. His personal life is a wreck, but then Dean meets a unique woman named Vanna, who is unbeknownst to him, in hiding from her ex fiance cop currently doing time for nearly killing her years prior. They both have emotional scars and inner demons they're dealing with, that effect their lives and especially their budding relationship.\*This is an in depth love story between two damaged characters that takes place in a small country town in a fictionalized region of the Carolina's. \*The main story line of this book is wrapped up by the end, with a happily ever after for now (HEAFN), however there is a building story in the background that will continue and carry over into the upcoming Book 2. So technically you could say there is a "cliffhanger". \*This isn't exactly an insta-love story, but could be considered a mutual insta-lust, that develops into true love. The circumstances around their relationship are unique and complicated at times, especially coming from two different walks of life. Dean and Vanna DO NOT cheat on each other, and though Vanna self identifies as a pagan witch, this is NOT written as a paranormal romance. There are witches in the world, just as there are bikers. It's up to the reader to decide whether or not spells or magic are real. Also, there isn't an extreme age gap (28h/37H)\* SAVIOR Book 1, is not your typical MC Romance style book, though the main character is a Biker with connections to an MC. At 660+ pages, it is fast paced, and centers more heavily on the love story than MC politics, for a majority of the book. The MC politics are brewing in the background throughout the story, and will carry over into the sequel.\* TRIGGER WARNING: Contains Explicit Adult Content: Sex, Profanity, Violence, Blasphemy, Brief Depictions of Abuse. Not recommended for anyone under the age of 18, or anyone triggered by the above mentioned.

Explores Jung's psychological concepts regarding the nature, function and importance of man's symbols as they appear on both the conscious and subconscious level

"No doubt, it is common to hear Christians today declaring their allegiance to God's kingdom. But what does this actually entail, and what difference does it make? In his characteristically provocative and daring way, Christoph Blumhardt articulates a vision of God's kingdom that turns much of our understanding of modern Christianity upside-down. In the present volume, available in English for the first time, Blumhardt leads readers to look at the gospel anew, challenging us to follow Jesus in a way that makes God's reign a reality, here and now. Bypassing vague notions of spirituality, as well as transcending simplistic approaches to faith, Blumhardt inspires us to actually live under the rule and reign of God."

How Jesus Christ Reversed Every Curse on Mankind

The Eucharist Foretold: The Lost Prophecy of Malachi

Feeling Backward

Critical and Exegetical Notes and Discourses on the Gospels

A Dark High School Bully Romance

How a New Religion Has Betrayed Black America

**Journalist and bestselling author Kristin Ohlson makes an elegantly argued, passionate case for "our great green hope"—a way in which we can not only heal the land but also turn atmospheric carbon into beneficial soil carbon—and potentially reverse global warming. Thousands of years of poor farming and ranching practices—and, especially, modern industrial agriculture—have led to the loss of up to 80 percent of carbon from the world's soils. That carbon is now floating in the atmosphere, and even if we stopped using fossil fuels today, it would continue warming the planet. As the granddaughter of farmers and the daughter of avid gardeners, Ohlson has long had an appreciation for the soil. A chance conversation with a local chef led her to the crossroads of science, farming, food, and environmentalism and the discovery of the only significant way to remove carbon dioxide from the air—an ecological approach that tends not only to plants and animals but also to the vast population of underground microorganisms that fix carbon in the soil. Ohlson introduces the visionaries—scientists, farmers, ranchers, and landscapers—who are figuring out in the lab and on the ground how to build healthy soil, which solves myriad problems: drought, erosion, air and water pollution, and food quality, as well as climate change. Her discoveries and vivid storytelling will revolutionize the way we think about our food, our landscapes, our plants, and our relationship to Earth.**

**Vols. 24-52 include the proceedings of the A.N.A. convention. 1911-39.**

**In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.**

**Is it her destiny to save them ... or destroy them? Now that Tori finally understands who she is and what's expected of her, she's in full-on freak-out mode. How will she save the galaxy from General Arantu's clutches when she can't even control her powers? Add that to the lack of retaliation by enemy alien forces, and everyone is on edge. Especially when they uncover evidence of a strange alien symbol with possible links to humans, and the mystery deepens. But that's not the only thing keeping Tori awake at night. Confused over the horrific vision she experienced the night of the Herassan attack, Tori is terrified of revealing details of her protectors' supposed fate, so she says nothing. Keeping stuff hidden never ends well, and as evil forces conspire against Tori and her four protectors, secrets and lies threaten to destroy everything they hope to achieve. While Tori grows closer to Coop, Maddox, and Beck, Dane remains distant, creating more tension and jeopardizing their bond. Then an unexpected newcomer arrives, casting suspicion over everything they believe they know. When Tori finally figures out what's going on, will she have time to warn the guys? Or is their fate already sealed? The second book in the captivating Alinthia series is intended for readers aged seventeen and older. This is upper YA/NA crossover reverse harem paranormal romance which gets steamier as the series develops. This book ends with a cliffhanger and cannot be read as a standalone. 92,000-word full-length novel.**

### **To Seduce a Fae**

The second coming is perhaps the most confusing, controversial, and contentious of biblical doctrines. In *The Lost Message of the End Times*, Ian Miller guides the reader through the New Testament prophecies that speak of Jesus's return. As he does so, he brings their powerful, hope-filled, faith-inspiring, and life-changing message to life. With clear and easily understood explanations, this book will show you how the Scriptures reveal a world of promise, not fear; a kingdom present, not to come; and the powerful bride as she is, not one that needs to be won. Here are the complete prophecies of Nostradamus. Nostradamus is the best known and most accurate mystic and seer of all times. There are those who say that he predicted the September 11 attack on the World Trade Center. Read the prophecies and judge for yourself.

Moving portraits of five commanders whose dynamic leadership styles changed the course of warfare and history trace the stories of Themistocles, Belisarius, William Tecumseh Sherman, George Washington, and David Petraeus, evaluating their pivotal military roles and the controversies that marked their careers.

New York is under attack from sinister forces. To save the city, she must give her life... Emma Slade burns for revenge and excels at kicking butt. At least human butt. But the fiercest fae in her family hopelessly outnumber the half-fae orphan. And the handsome, brooding werewolf claiming he can help might send her instead to her death. Liam Cooper is determined to be the prophesied savior whose sacrifice will protect the realm. Prowling the Manhattan streets, he's shocked when he encounters Emma and learns she's his fated mate. But it breaks his heart when he learns she's also the messiah he seeks. Taken to the shifter's compound, Emma trains with a mystic sword that has never lost a battle. But Liam grows increasingly anxious that fulfilling the prophecy will doom the woman he loves. Can the two heroes pull off a miracle and twist a terrible destiny? *Savior's Spell* is the enthralling first novel in the Spellcaster Urban Fantasy Series. Like strong-minded heroines, sexy alphas, and dark humor, then you'll love Gwen Rivers' gripping tale. Buy *Savior's Spell* to defend New York from darkness today! A hilarious urban fantasy featuring a half fae half human turned unlikely hero and her alpha werewolf protector by USA Today bestselling author Jennifer L. Hart writing as Gwen Rivers. The Spellcaster series includes: *Savior's Spell* Book 2: *Savior's Hex* Book 3: *Savior's Curse* Related Series: *The Unseelie Court*

Book One

An Explanation

*The Lost Message of the End Times*

*Savior's Day*

*The Numismatist*

*The Scandal of the Evangelical Mind*

The first book in the classic vigilante action series from a "writer who spawned a genre" (*The New York Times*). Overseas, Mack Bolan was dubbed "Sgt. Mercy" for the compassion he showed the innocent. On the home front, they're calling him the Executioner for what he's doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it's not to reunite with his family, it's to bury them—victims in a mass murder/suicide. Even though Bolan's own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero "who would make Jack Reacher think twice," this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon ([Empireonline.com](http://Empireonline.com)). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics' *The Punisher*, credits the Executioner as "my inspiration . . . that's what gave me the idea for the lone, slightly psychotic avenger." The series is also now in development as a major motion picture. *War Against the Mafia* is the 1st book in the Executioner series, but you may enjoy reading the series in any order.

Luther is the most beautiful of my captors. Still I hate him more than the others. I hate him so much that the darkness inside me comes alive. When I started university and moved out of my foster parents' home, I hoped everything would change. That the nightmares, the visions, the voices would stop, but they got worse. Then three of the most dangerously stunning fae crashed into my life. Intoxicating eyes. Devilish lips. Dangerous intentions. They insist I belong with them in the Wandering Realm. A place where love is lost, where war is brewing between two realms, and where the once powerful royals are being hunted down and slaughtered. I'm their savior they say, but there are no saviors amid monsters. These princes who are tasked to keep me safe are keeping secrets of their own. Secrets that will kill me. So, how am I meant to rid the realm of evil when I feel the darkness spreading through my veins? Scorching hot first book in the brand new 'WINTER'S THORN' Trilogy.

The Simple Heart Cure

The 90 Day Program to Stop and Reverse Heart Disease

The structure and content of the defining document of Christian belief made clear. A guide for studying, teaching, and preaching God's truth. The doctrinal structure of Romans is made clear by an easy-to-follow outline, which provides a guide for each topic and key words that capture the meanings contained in the great epistle. Also, there are five reasons to believe the resurrection of Jesus. An understanding of Romans is essential for growth and confidence for the Christian. To help you understand the Gospel in depth and support your determination to remain strong in the faith during times of trouble. The six-section outline shows the doctrinal framing work of the great Roman epistle. Each part has descriptive title, with illumination subtitles that trace the content and clear explanations that make meaning understood. The use of key words and verse references make the text content readily available. Also, there are five reasons to believe the resurrection of Jesus, in the first chapter, and reasons to trust the authorship of Paul and Matthew. The complete text of Romans is included for easy access.

Mark Noll has written a major indictment of American evangelicalism. Reading this book, one wonders if the evangelical movement has pandered so much to American culture and tried to be so popular only to lose not only it's mind but it's soul as well. For evangelical pastors and parishoners alike, this is a must read! --Robert Wuthnow.

My name is Vinna, and I've been keeping a lot of secrets. You would too if you'd experienced some of the weird shit I have: red-eyed monsters chasing me, markings on my body appearing out of nowhere, a strange power that crackles colorfully over my skin from time to time, and don't get me started on the weapons I can conjure up almost out of nowhere. Lucky for me, I have yet to meet someone whose ass I couldn't kick, inside the ring or out. I put that to the test when I run headfirst into a fight that brings all my secrets, and reality as I know it, crashing down around me. Now, I'm looking for answers and trying to piece together what the hell is going on. Paranormal is my new way of life. It's not going to be easy, and I'm not exactly welcome. That is, until I meet the boys, and trust me, they are anything but boyish. I'm up against elders who think I'm too powerful, a family who views me as a threat, and something lurking in the shadows that's been coming for me my whole life. There's not a chance in hell I'm going down without a fight. I'm not lost anymore, and I'm about to show this world exactly what I can do. Author's Note: This is the first book in The Lost Sentinel Series and ends with a cliffhanger. This book is a medium burn reverse harem story, intended for ages 18 years and older. This story contains strong language, sexual situations, and violence. Book two coming in January

'Feeling Backward' weighs the cost of the contemporary move to the mainstream in lesbian and gay culture. It makes an effort to value aspects of historical gay experience that now threaten to disappear, branded as embarrassing evidence of the bad old days before Stonewall. Love argues that instead of moving on, we need to look backward.
