

The Piranha Club: Power And Influence In Formula One

*A comprehensive introduction to the workings of the business, **Sportscasters/Sportscasting: Principles and Practices** explains all of the information essential to anyone looking to begin a career in sports media. This unique volume explores topics in print and broadcast media, sports psychology, technology issues, politics and legalities, ethics, and even the role of sports and sportscasting in society. Other topics discussed include the historical development and economics of sports and sportscasting, sports spectators, sports controversies, sociological perspectives, and sports journalism. **Sportscasters/Sportscasting: Principles and Practices** is filled with knowledge essential to the craft of sportscasting, including numerous appendices containing acronyms and biographic information about over 200 sportscasters, and a complete Instructor's Manual with exercises to help guide students toward mastery of the topic. Please visit <http://LKFullerSport.com> for more information and to download the Instructor's Manual.*

When a fierce and adorable piranha gets captured in a net her world gets turned upside down. She meets her ancient teacher and they begin training in the mystical "Art of Non-Biting". It's a challenge for a young piranha who was born to bite and fight. Yama must learn to calm her mind, overcome her fears, awaken her

inner light, and get back to the lake to begin the adventure with her friends. Piranha Yama is the first children's adventure book that uses yoga and meditation to help the story's hero find her answers. Voted "Top 3 Best Children's Books With A Yoga Theme" by StudioArtYoga.com "This books is perfect for the yoga community, especially those mamas and papas with little yogis." - OmAndTheCityBlog.com

After meeting Abby Brown, David Corbin was freed from the spell keeping him from the truth and returned to claim his crown as Solas Beir, king of Cai Terenmare. His magical realm is now in a battle against the dark forces of the evil lord, Tynan Tierney, and David and his friends must quest for the knowledge to save his kingdom from certain doom.

This book is the first English-language study of motorsport and Italian Fascism, arguing that a synergy existed between motor racing and Fascism that did not exist with other sports. Motorsport was able to bring together the two dominant, and often opposed, cultural roots of Fascism, the Futurism of F. T. Marinetti, and the Decadence associated with Gabriele D'Annunzio. The book traces this cultural convergence through a topical study of motorsport in the 1920s and 1930s placing it in the context of the history of sport under Mussolini's regime. Chapters discuss the centrality of speed and death in Fascist culture, the attempt to transform Rome into a motorsport capital, the architectural and ideological function of the Monza and Tripoli and autodromes, and two chapters on the importance of the Mille Miglia, a genuine Fascist artefact that became one of the most legendary

motor races of all time. Paul Baxa is Associate Professor of History at Ave Maria University in Florida, USA. His previous publications include Roads and Ruins: The Symbolic Landscape of Fascist Rome (University of Toronto Press, 2010).

The Piranha Club

A History of Organizational Change

Set during the Great Depression and based in part on real characters and a series of historical events, *Toughs* follows the story of Loretto Jones as he finds his life intertwined with the fate of Vince Coll, a 23-year-old Irish gangster who for a brief moment rose to the level of a national celebrity during his war with Dutch Schultz, Owen Madden, and Lucky Luciano. Tagged "Mad Dog Coll" after killing five-year-old Michael Vengelli in a botched assassination attempt, Coll was the subject of a shoot-to-kill order issued by New York City Police Commissioner Edward P. Mulrooney, a \$50,000 bounty offered by Dutch Shultz and Owen Madden, and \$30,000 in reward money from by the Patrolmen's Benevolent Association and the city's newspapers. Loretto and Vince are bound to each other by years spent in an orphanage and on the streets, but in the summer of 1931, with Loretto in love with newly-divorced Gina

Get Free The Piranha Club: Power And Influence In Formula One

Baronti, and Vince in thrall to the beautiful Lottie Kriesberger, their world of tough guys in tough times is hurtling toward disaster, and Loretto finds himself faced with impossible choices.

Essential reading for anyone interested in life behind-the-scenes at Formula One. Formula One Grand Prix mechanic Steve Matchett takes the reader on a compelling journey through his life in the pit-lane, from his beginnings as a young apprentice, through his time at Ferrari and BMW to his later success with Benetton. He gives eye witness views of the great drivers, including Michael Schumacher, Nigel Mansell, Alain Prost and Ayrton Senna. He also talks of key Benetton personalities, and explains how the team was transformed into a strong, competitive organisation, winning three World Championships. His determination and frustration in trying - and eventually succeeding - to break into the high-pressure world of Formula One leaps off the page.

A USA TODAY BESTSELLER "A surprising and incredibly satisfying story of chance and fate."—New York Times bestselling author Taylor Jenkins Reid "I read it in one long gulp and didn't want it to end."—New York Times bestselling author Jill Santopolo Acclaimed author Colleen Oakley delivers a heart-wrenching and unforgettable love story about a woman who must choose between the man she loves and the man fate has chosen for her, in a novel that reminds us that the best life is one led by the heart. Mia Graydon's life looks picket-fence perfect; she has the house, her loving husband, and dreams of starting a family. But she has other dreams too—unexplained, recurring

Get Free The Piranha Club: Power And Influence In Formula One

ones starring the same man. Still, she doesn't think much of it, until a relocation to small-town Pennsylvania brings her face to face with the stranger she has been dreaming about for years. And this man harbors a jaw-dropping secret of his own—he's been dreaming of her too. Determined to understand, Mia and this not-so-stranger search for answers. But when diving into their pasts begins to unravel her life in the present, Mia emerges with a single question—what if?

* Instant WSJ bestseller * Translated into 18 languages * #1 Most Recommended Book of the year (Bloomberg annual survey of CEOs and entrepreneurs) * An Amazon, Bloomberg, Financial Times, Forbes, Inc., Newsweek, Strategy + Business, Tech Crunch, Washington Post Best Business Book of the year * Recommended by Bill Gates, Daniel Kahneman, Malcolm Gladwell, Dan Pink, Adam Grant, Susan Cain, Sid Mukherjee, Tim Ferriss Why do good teams kill great ideas? Loonshots reveals a surprising new way of thinking about the mysteries of group behavior that challenges everything we thought we knew about nurturing radical breakthroughs. Bahcall, a physicist and entrepreneur, shows why teams, companies, or any group with a mission will suddenly change from embracing new ideas to rejecting them, just as flowing water will suddenly change into brittle ice. Mountains of print have been written about culture. Loonshots identifies the small shifts in structure that control this transition, the same way that temperature controls the change from water to ice. Using examples that range from the spread of fires in forests to the hunt for terrorists online, and stories of this

Get Free The Piranha Club: Power And Influence In Formula One

and geniuses and kings, Bahcall shows how a new kind of science can help us become the initiators, rather than the victims, of innovative surprise. Over the past decade, researchers have been applying the tools and techniques of this new science—the science of phase transitions—to understand how birds flock, fish swim, brains work, people vote, diseases erupt, and ecosystems collapse. Loonshots is the first to apply this science to the spread of breakthrough ideas. Bahcall distills these insights into practical lessons creatives, entrepreneurs, and visionaries can use to change our world. Along the way, readers will learn how chickens saved millions of lives, what James Bond and Lipitor have in common, what the movie Imitation Game got wrong about WWII, and what really killed Pan Am, Polaroid, and the Qing Dynasty. “If The Da Vinci Code and Freakonomics had a child together, it would be called Loonshots.” —Senator Bob Kerrey

Aaron Blabey, the bestselling creator of Pig the Pug! Everyone knows that piranhas don't eat bananas -- except for Brian. This little fish loves to munch not only on bananas, but on fruit of all kinds! Brian's piranha friends think he's crazy. Piranhas don't eat bananas -- their sharp teeth are for eating meat! And there's a scrumptious pair of feet dangling in the water nearby...Rich with author-illustrator Aaron Blabey's hysterical text and unforgettably wacky illustrations, Piranhas Don't Eat Bananas is a hilarious story about trying new things -- no matter how strange they seem!

Clive Cussler's New York Times bestselling Blue Gold, now available in ebook, is a heart-pounding thriller in the NUMA adventure series. Kurt Austin navigates the Amazon jungle in search of a legend that could change the path of science—but secretive powers will do anything to stop him. From deep within the Venezuelan rain forest emanates the legend of a white goddess and a mysterious tribe with startling technical accomplishments. Few believe the tribe exists—and even fewer suspect its deity may hold knowledge that can change the course of history. For National Underwater & Marine Agency crew leader Kurt Austin, an investigation into the sudden deaths of rare whales leads him to the Mexican coast, where someone tries to put him and his mini-sub permanently out of commission. Meanwhile, in South America's lush hills, a specially assigned NUMA crew turns up the white-goddess legend—and a murderous cadre of bio-pirates intent on stealing medicinal secrets worth millions. Soon Austin and his crew realize they're working the opposite ends of the same grand scheme. A billionaire California tycoon is poised to rise to power by monopolizing the earth's vastly depleted freshwater reserves and ultimately dominate the world. Austin has a hunch Venezuela's mythical tribal goddess has some real roots in science, and may be the key to locating a secret

formula that could turn vast amounts of seawater into fresh. But with each step into the bush, he and his NUMA team feel like fish out of water—and must fight a deadly, twisting trail of enemies through a dense jungle of treachery, blackmail, and murder.

The time was the 1980s. The place was Wall Street. The game was called Liar's Poker. Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street's premier investment firms. During the next three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. Liar's Poker is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis's knowing and hilarious insider's account of an unprecedented era of greed, gluttony, and outrageous fortune.

When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and

Get Free The Piranha Club: Power And Influence In Formula One

expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, In the Sea There Are Crocodiles brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

Expert Analysis of the Anatomy of the Modern Grand Prix Car

A novel from the NUMA Files

This book, the first study of its kind, examines the economics behind motorsports, in particular Formula One. Chapters discuss the costs involved in Formula racing and how they are borne by teams, promoters and racers. The book also looks at how society, the public and the private sectors stand to benefit economically from the motorsport industry. Other topics like the economics of TV rights, sponsorship and sustainability are also addressed, again for the first time in an economics book. Moving beyond the economics of what happens on track, the book also undertakes a serious examination of what goes in to making a winning team and what having a winning racer can do for a team's fortunes. Mourão's highly relevant and contemporary book also looks at how motorsport teams confront the challenges of the modern sporting world, including the changing dynamics of sports media and com

the future of Formula 1 as motorsports evolve.

Matt Santini is discontented. An unhappily closeted gay actor, he's just lost his lover and is fast approaching thirty without so much as a decent soap opera callback in sight. 24 year old Richard Lucas has even bigger problems. The newest recruit of fading Formula One team Logan Racing, he's fighting to escape the omnipresent shadow of his ace older brother as his burgeoning sexuality. After Matt wins a role in hip new TV drama Nightsearcher (think: Buffy on wheels), the two men begin a secret affair that takes them all over the world on a collision course between career and companionship in which there can only be one victor. "Robin Tamblyn follows up backdoor-to-Tinseltown blockbuster King of Hollywood with Velocity, a steamy, adrenaline-rush, fast paced novel mixing hot guys, sexy shenanigans and Formula One racing. Written with verve and a youthful edge, Velocity takes you on an inside track to the macho world of racing, where sex and the need for speed meet head on. Fasten your seat belts readers, Velocity is one pleasure-trip of a ride!" --Michael D. Cramer
Author of The Ice Sculptures: A Novel of Hollywood

Leading F1 journalist David Tremayne unravels the mysteries of modern Grand Prix car design. The authoritative, extensively illustrated text explains just how an F1 car works and why. This revised and updated third edition includes new material about the rules changes introduced for the 2009 season. The philosophy and technology behind the chassis, engine, transmission, electronics, steering, suspension, brakes, tires and aerodynamics are analyzed and the important question of how these parts and systems interact is explored. This

Power and Influence in Formula One

Three women. Three generations. Three secrets. Katie's life is falling apart: her best friend thinks she's a freak, her mother, Caroline, controls every aspect of her life, and her

Get Free The Piranha Club: Power And Influence In Formula One

estranged grandmother, Mary, appears as if out of nowhere. Mary has dementia and needs lots of care, and when Katie starts putting together Mary's life story, secrets and lies are uncovered: Mary's illegitimate baby, her zest for life and freedom and men; the way she lived her life to the full yet suffered huge sacrifices along the way. As the relationship between Mary and Caroline is explored, Katie begins to understand her own mother's behavior, and from that insight, the terrors about her sexuality, her future, and her younger brother are all put into perspective. Funny, sad, honest, and wise, this powerful multigenerational novel from international bestseller Jenny Downham celebrates life like no book before.

Funny and deeply personal, Sorry Not Sorry recounts Glee star Naya Rivera's successes and missteps, urging young women to pursue their dreams and to refuse to let past mistakes define them. Navigating through youth and young adulthood isn't easy, and in Sorry Not Sorry, Naya Rivera shows us that we're not alone in the highs, lows, and in-betweens. Whether it's with love and dating, career and ambition, friends, or gossip, Naya inspires us to follow our own destiny and step over--or plod through--all the crap along the way. After her rise and fall from early childhood stardom, barely eking her way through high school, a brief stint as a Hooters waitress, going through thick and thin with her mom/manager, and resurrecting her acting career as Santana Lopez on Glee, Naya emerged from these experiences with some key life lessons: Sorry: - All those times I scrawled "I HATE MY MOM" in my journal. So many moms and teenage daughters don't get along--we just have to realize it's nothing personal on either side. - At-home highlights and DIY hair extensions. Some things are best left to the experts, and hair dye is one of them. - Falling in love with

Get Free The Piranha Club: Power And Influence In Formula One

the idea of a person, instead of the actual person. Not Sorry: - That I don't always get along with everyone. Having people not like you is a risk you have to take to be real, and I'll take that over being fake any day. - Laughing at the gossip instead of getting upset by it. - Getting my financial disasters out of the way early--before I was married or had a family--so that the only credit score that I wrecked was my own. Even with a successful career and a family that she loves more than anything else, Naya says, "There's still a thirteen-year-old girl inside of me making detailed lists of how I can improve, who's never sure of my own self-worth." Sorry Not Sorry is for that thirteen-year-old in all of us.

The third edition of Exploring Innovation offers an engaging new perspective on innovation. The book provides business students with a clear understanding of the nature of innovation and how it can be managed and fostered. Written in an accessible style, Exploring Innovation encourages students to challenge their pre-conceived ideas about innovation and to see it as a continuous, on-going process, by exploring some of the biggest developments in innovation. Lively discussions of key concepts are provide through numerous case studies, on a range of original products and services, bringing business theories to life. The new edition has been fully revised and updated with a more intuitive structure to now feature: A greater emphasis on what innovation involves. A new chapter on Value Capture. Expanded coverage on Services and Process Innovations. Two new chapters covering Global and Green trends in innovation. 8 new major case studies and more than 40 new mini-cases including Twitter, Angry Birds, Netflix, Google and Toyota.

In Gomorrah, a New York Times Book Review Notable Book of the Year, Roberto Saviano revealed a true, devastating portrait of Naples, Italy under the rule of the Camorra, a crime

Get Free *The Piranha Club: Power And Influence In Formula One*

organization more powerful and violent than the Mafia. In The Piranhas, the international bestselling author returns to his home city with a novel of gang warfare and a young man's dark desire to rise to the top of Naples's underworld. Nicolas Fiorillo is a brilliant and ambitious fifteen-year-old from the slums of Naples, eager to make his mark and to acquire power and the money that comes with it. With nine friends, he sets out to create a new paranza, or gang. Together they roam the streets on their motorscooters, learning how to break into the network of small-time hoodlums that controls drug-dealing and petty crime in the city. They learn to cheat and to steal, to shoot semiautomatic pistols and AK-47s. Slowly they begin to wrest control of the neighborhoods from enemy gangs while making alliances with failing old bosses. Nicolas's strategic brilliance is prodigious, and his cohorts' rapid rise and envelopment in the ensuing maelstrom of violence and death is riveting and impossible to turn away from. In The Piranhas, Roberto Saviano imagines the lurid glamour of Nicolas's story with all the vividness and insight that made Gomorrah a worldwide sensation. "With the openhearted rashness that belongs to every true writer, Saviano returns to tell the story of the fierce and grieving heart of Naples." —Elena Ferrante

Juan Cabrillo faces a global deadly threat in Clive Cussler's *The Jungle*. Juan Cabrillo and the crew of the *Oregon* are up against their smartest foe yet - but in their midst there is a traitor . . . After losing their contract with the US government because of a daring raid too far, Cabrillo and his crew of mercenaries with a conscience are earning money the hard way: doing dirty, dangerous little jobs in the world's trouble spots. Now they've accepted a mission deep to find a missing adventurer deep in the jungles of Myanmar. But it is not long before Cabrillo and his team realise that they have been set up. Cabrillo - betrayed, tortured and played for a fool - is angry that he's been used as a pawn in someone's deadly scheme. But with the US nuclear launch codes up for grabs and a madman bent on using them to hold millions of lives to ransom, he hasn't time to worry about revenge. He's got to save the world first . . . The number-one bestseller Clive Cussler, author of the thrilling Dirk Pitt novels *Treasure of Khan* and *Trojan Odyssey*, and co-author Jack Du Brul tell a gripping story of adventure, treachery and betrayal in the eighth *Oregon Files* novel. *The Jungle* is preceded by *Corsair* and *The Silent Sea*. Praise for Clive Cussler: 'Frightening and full of suspense . . . unquestionably entertaining' *Daily Express* 'All-action, narrow escapes and the kind of unrelenting plot tension that has won Cussler hundreds of millions of fans worldwide' *Observer*

Roberto Saviano returns to the streets of Naples and the boy bosses who run them in *Savage Kiss*, the hotly anticipated follow-up to *The Piranhas*, the bestselling novel and

major motion picture Nicolas Fiorillo and his gang of children—his paranza—control the squares of Forcella after their rapid rise to power. But it isn't easy being at the top. Now that the Piranhas have power in the city, Nicolas must undermine the old families of the Camorra and remain united among themselves. Every paranzino has his own vendettas and dreams to pursue—dreams that might go beyond the laws of the gang. A new war may be about to break out in this city of cutthroat bargaining, ruthless betrayal, and brutal revenge. Saviano continues the story of the disillusioned boys of Forcella, the paranzini ready to give and receive kisses that leave a taste of blood. Saviano's Gomorrah was a worldwide sensation, and The Piranhas, called "raw and shocking" by The New York Times Book Review, captured readers with its tale of raw criminal ambition, told with "openhearted rashness" (Elena Ferrante). Savage Kiss, which again draws on the skills of translator Antony Shugaar, is the latest thrilling installment from the brilliant Italian novelist.

In Superteams, renowned teamwork specialist Khoi Tu explains how to make sure your team delivers consistently superior results and emerges stronger from the inevitable crises you will face. What do the SAS, Ferrari and the Rolling Stones have in common? Their success is about much more than talented individuals. They are Superteams. Every organisation, whether a business or a sports club, lives or dies by the quality of its teamwork. No man can be an island for long; only great teams can face a crisis and emerge stronger. So how do you build the right team? Many people think of it like a

In the quest for ultimate speed, Formula One combines human drama, cutting-edge technological innovation and high-stakes finance in a thrilling global circus watched by half a billion avid fans. The Fastest Show on Earth brings the FIA Formula One World

Get Free The Piranha Club: Power And Influence In Formula One

Championship vividly to life for everyone from first-time race-goers to avid fans wanting to delve even further into the Fastest Show on Earth. Experts from within the industry share their insights into the effect that recent revolutionary changes to regulations have had on engines, tyres, brakes, aerodynamics, fuel, safety and the use of data in a whole new era of racing. Races, rule changes and drivers are brought up to date in a comprehensive guide to the world's most viewed sport. This book is a superb technical guide, including circuit diagrams, team histories, driver profiles and a comprehensive glossary that offers fascinating insights into the inner workings of a world that offers everything from tragedy to thrilling triumph. From the cut-throat intrigue of the Piranha Club to the unsung heroism of pit lane, every aspect of Formula One is covered in compelling detail. Much more than just a sport and far more than a business, Formula One is a world of larger-than-life personalities and razor-sharp business people. The book also offers a window into the new Liberty Media regime and what the future may hold for the sport under new ownership. This extensive guide includes the official FIA circuit diagrams, team histories, driver profiles, circuit facts, technical braking profiles, a special section on the history of Formula One in the US and the most comprehensive glossary of Formula One terms ever compiled.

This book is the first independent exploration of the Fédération Internationale de l'Automobile's (FIA) institutional history. Virtually unexamined compared with similar institutions like the FIFA and the IOC, the FIA has nevertheless changed from being a

Get Free The Piranha Club: Power And Influence In Formula One

small association in 1904 to becoming one of the world's most influential sport governing bodies. Through chronologically organised chapters, this book explains how the FIA manages to link together motorsport circuses like Formula 1 with the automotive industry and societal issues like road safety and environmental sustainability. In an exciting narrative spanning seven decades, it reviews the FIA's organisational turning points, governing controversies, political dramas and sporting tragedies. Considering the FIA to be a unique type of hybrid organisation characterised by what the author calls 'organisational emulsion', this case study contains theoretical innovations relevant to other studies of sport governing bodies. It makes an empirically grounded contribution to the research fields of institutional logics, historical sociology and sport governance.

"Gemma Files has one of the great dark imaginations in fiction?visionary, transgressive, and totally original." —Jeff VanderMeer In Gemma Files's "boundary-busting horror-fantasy debut," former Confederate chaplain Asher Rook has cheated death and now possesses a dark magic (Publishers Weekly). He uses his power to terrorize the West, leading a gang of outlaws, thieves, and killers, with his cruel lieutenant and lover Chess Pargeter, by his side. Pinkerton agent Ed Morrow is going undercover to infiltrate the gang, armed with a shotgun and a device that measures sorcerous energy. His job is to gain knowledge of Rook's power and unlock its secrets. But there is someone else who has Rook in her sights: the Lady of Traps and Snares, a bloodthirsty Mayan goddess who will stop at nothing to satisfy her own desires. Caught between the good, the bad, and the

Get Free The Piranha Club: Power And Influence In Formula One

unholy, Morrow will have to ride out a storm of magical mayhem to survive, in this debut novel, the first book of Files's "weird Western Hexslinger trilogy . . . [which] is chock full of hellish horrors" (Mike Allen, author of *Unseaming*). "Ridiculously vivid . . . A magic-riddled, horror-strewn West with hexes running around wrecking reality and a spectrum of queer characters." —Tor.com "Definitely promising—tantalizing, even, because it sets such a fertile scenario and hammers home the themes of love, sacrifice, and apotheosis." —Strange Horizons "Truly one-of-a-kind: violent, carnal and creepy." —Fangoria

NATIONAL BESTSELLER • At once an incredible adventure narrative and a penetrating biographical portrait—the bestselling author of *Destiny of the Republic* brings us the true story of Theodore Roosevelt's harrowing exploration of one of the most dangerous rivers on earth. The River of Doubt—it is a black, uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world. Indians armed with poison-tipped arrows haunt its shadows; piranhas glide through its waters; boulder-strewn rapids turn the river into a roiling cauldron. After his humiliating electoral defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped, rapids-choked tributary of the Amazon. Together with his son Kermit and Brazil's most famous explorer, Cândido Mariano da Silva Rondon, Roosevelt accomplished a feat so great that many at the time refused to believe. In the process, he changed the map of the western hemisphere forever. Along the way, Roosevelt and his men faced an unbelievable series of hardships, losing their canoes and

supplies to punishing whitewater rapids, and enduring starvation, Indian attack, disease, drowning, and a murder within their own ranks. Three men died, and Roosevelt was brought to the brink of suicide. The River of Doubt brings alive these extraordinary events in a powerful nonfiction narrative thriller that happens to feature one of the most famous Americans who ever lived. From the soaring beauty of the Amazon rain forest to the darkest night of Theodore Roosevelt's life, here is Candice Millard's dazzling debut.

The Secrets of Stellar Performance from Seven Legendary Teams

The Hegira is the finest super-sub that Arab oil money can buy. But the U.S. Navy is only now learning just how good this undersea sword of Islam is. Already one American sub has been destroyed, and another crippled, as the Hegira breaks out of the Mediterranean and heads toward America to deliver its lethal payload. Now it's up to Captain Michael Pacino and the USS Seawolf to find the enemy sub and destroy it—in the ultimate battle between the most advanced weapons technology on the planet...and the sheer force of human courage.

Hailed a "Best Book of the Year" by NPR, Publishers Weekly, Vulture, and the New York

Public Library, *Some Trick* is now in paperback For sheer unpredictable brilliance, Gogol may come to mind, but no author alive today takes a reader as far as Helen DeWitt into the funniest, most far-reaching dimensions of possibility. Her jumping-off points might be statistics, romance, the art world's piranha tank, games of chance and games of skill, the travails of publishing, or success. "Look," a character begins to explain, laying out some gambit reasonably enough, even in the face of situations spinning out to their utmost logical extremes, where things prove "more complicated than they had first appeared" and "at 3 a.m. the circumstances seem to attenuate." In various ways, each tale carries DeWitt's signature poker-face lament regarding the near-impossibility of the life of the mind when one is made to pay to have the time for it, in a world so sadly "taken up with all sorts of paraphernalia superfluous, not to say impedimental, to ratiocination."

One of *Vogue's* Best Books of 2022 So Far, *Buzzfeed's* Summer Books You Won't Be Able To Put Down, *Book Riot's* Best Summer Reads for 2022, and *Dazed's* Queer Books to Read in 2022 "[Nevada] is defiant, terse, not quite cynical, sometimes flip, addressed to people who think they know. It is, if you like, punk rock." —*The New Yorker* "Nevada is a book that changed my life: it shaped both my worldview and personhood, making me the writer I am. And it did so by the oldest of methods, by telling a wise, hilarious, and gripping story." —Torrey Peters, author of *Detransition, Baby* A beloved and blistering cult classic and finalist for the Lambda Literary Award for Transgender Fiction finally back in print, *Nevada* follows a disaffected trans woman as she embarks on a cross-country road trip. Maria Griffiths is almost thirty and works at a used bookstore in New

York City while trying to stay true to her punk values. She's in love with her bike but not with her girlfriend, Steph. She takes random pills and drinks more than is good for her, but doesn't inject anything except, when she remembers, estrogen, because she's trans. Everything is mostly fine until Maria and Steph break up, sending Maria into a tailspin, and then onto a cross-country trek in the car she steals from Steph. She ends up in the backwater town of Star City, Nevada, where she meets James, who is probably but not certainly trans, and who reminds Maria of her younger self. As Maria finds herself in the awkward position of trans role model, she realizes that she could become James's savior—or his downfall. One of the most beloved cult novels of our time and a landmark of trans literature, Imogen Binnie's *Nevada* is a blistering, heartfelt, and evergreen coming-of-age story, and a punk-smearred excavation of marginalized life under capitalism. Guided by an instantly memorable, terminally self-aware protagonist—and back in print featuring a new afterword by the author—*Nevada* is the great American road novel flipped on its head for a new generation.

Tackling the subject of Formula One's most influential figures, Timothy Collings provides penetrating insights into Bernie Ecclestone, Max Mosley, Alain Prost, Jackie Stewart, Ron Dennis and many more.

Making a Scene in the American Heartland

A Novel

Unbecoming

This book analyzes the threats to the property rights of business owners and investigates what makes these rights secure.

Punk rock culture in a preeminently average town Synonymous with American mediocrity, Peoria was fertile ground for the boredom- and anger-fueled fury of punk rock. Jonathan Wright and Dawson Barrett explore the do-it-yourself scene built by Peoria punks, performers, and scenesters in the 1980s and 1990s. From fanzines to indie record shops to renting the VFW hall for an all-ages show, Peoria's punk culture reflected the movement elsewhere, but the city's conservatism and industrial decline offered a richer-than-usual target environment for rebellion. Eyewitness accounts take readers into hangouts and long-lost venues, while interviews with the people who were there trace the ever-changing scene and varied fortunes of local legends like Caustic Defiance, Dollface, and Planes Mistaken for Stars. What emerges is a sympathetic portrait of a youth culture in search of entertainment but just as hungry for

community—the shared sense of otherness that, even for one night only, could unite outsiders and discontents under the banner of music. A raucous look at a small-city underground, Punks in Peoria takes readers off the beaten track to reveal the punk rock life as lived in Anytown, U.S.A.
