

The Sober Survival Guide - How to Free Yourself from Alcohol Forever - By Simon Chapple. Foreword by Annie Grace - Author of This Naked Mind - Control Alcohol Are you tired of thinking about drinking? Hands up if you believe any of the following about drinking alcohol to be true: I can't have fun without alcohol. Imagine going to a party without drinking! it makes me feel less anxious or depressed; it helps me sleep; I can't relax without it; it makes me entertaining to be around; it fits the lifestyle of my boozey friends; I like the taste of alcohol; it's cool and sophisticated; I'm not confident enough to talk to new people without it; it helps me deal with all the problems life throws my way; it stops me worrying about how much I'm drinking (ironic, I know). If you find yourself nodding at even one of these statements, then I know how you feel. I was a heavy daily drinker for over twenty years, I too used to believe that I couldn't live without alcohol, and that once I'd had a few drinks I was funny to be around (hilarious in fact). Are you too are tired and fed up with the routine of drinking, and want to make a change and improve your life? Or you may simply be curious about how an alcohol-free life might look for you. Could it be better? Happier? Calmer? More peaceful? Perhaps you're already on the path to changing your relationship with booze and might have read other 'sober books' or taken part in programmes to help you quit. I want you to know you can do the same as me and find complete freedom from alcohol, and that you don't have to wait for years like I did. Also, I want to reassure you that alcohol addiction is never a person's fault, and that there's no need to blame yourself for finding it hard to give up. It honestly isn't as difficult as you might think, and this book will provide the support, tactics and advice you need as you progress on your sober journey. The Sober Survival Guide is unique in that it is split into two parts. The first is designed to set you up for success and put you in a place where you can find freedom from alcohol if that's what you want. The first part of the book contains essential information for when you're in the early stages of controlling your drinking. The second part serves as a handbook as you move forward into an alcohol-free life and is where this book comes into its own. As you read it you'll see I've used my own experiences and those of the people I've worked with to help ensure you're ready for the challenges, fears, and questions that will come up in the years after quitting drinking. You'll learn how to handle the work Christmas party without a glass of bubbly in hand, the joys of sober holidays, what to do when you stop drinking but your partner won't, and a whole lot more. With this part you can dip in and out, picking the chapters that address the problems you're facing that day or week. This unique quit alcohol book also shares my own stories and personal accounts that helped me learn (sometimes the hard way), so as well as providing vital tools and tactics it will also leave you with a smile on your face and provide you with a fun and enjoyable read. Part memoir, part sober guide and 100% alcohol free - The Sober Survival Guide is perfect for anyone looking to free themselves from the grip of alcohol. Simon Chapple is the founder of Be Sober one of the largest online 'quit drinking' communities, he is also a speaker and works as a Certified Alcohol Coach working with This Naked Mind helping people change their relationship with alcohol. He has helped thousands of people quit drinking and has made it his life mission to spread the word about the benefits an alcohol-free life brings. Join Simon and the alcohol freedom revolution on Instagram @besoberandquit or visit www.besober.co.uk to discover more.

A sober hedonist's guide to living a decadent, wild, and soulful life--alcohol-free. In a culture where sipping "rosé all day" is seen as the epitome of relaxation, "grabbing a drink" the only way to network, and meeting at a bar the quintessential "first date," many of us are left wondering if drinking alcohol really is the only way to cultivate joy and connection in life. Jardine Libaire and Amanda Eyre Ward wanted to live spontaneous and luxurious lives, to escape the ordinary and enjoy the intoxicating. Their drinking, however, had started to numb them to the present moment instead of unlocking it. Ward was introduced to Libaire when she first got sober. As they became friends, the two women talked about how they yearned to create lives that were Technicolor, beautifully raw, connected, blissed out, and outside the lines . . . but how? In *The Sober Lush*, Libaire and Ward provide a road map for living a lush and sensual life without booze. This book offers ideas and instruction for such nonalcoholic joys as: • The allure of "the Vanish," in which one disappears early from the party without saying goodbye to a soul, to amble home under the stars • The art of creating zero-proof cocktails for all seasons • Having a fantastic first date while completely sober • A primer on setting up your own backyard beehive, and honey tastings for anyone curious about lowering their alcohol consumption or quitting drinking altogether, or anyone established in sobriety who wants inspiration, this shimmering and sumptuous book will show you how to keep indulging in life even if you stop indulging in alcohol.

The Sober Survival Guide

Stop Drinking and Find Freedom

I used to be a boozey housewife. Now I'm not. This is my book.

Beloved former ABC 20/20 anchor Elizabeth Vargas reveals her alcohol addiction and anxiety disorder in a shockingly honest and emotional memoir. Winner of the Books for a Better Life Award in the First Book category Instant New York Times and USA Today Bestseller From the moment she uttered the brave and honest words, "I am an alcoholic," to interviewer George Stephanopoulos, Elizabeth Vargas began writing her story, as her experiences were still raw. Now, in *BETWEEN BREATHS*, Vargas discusses her accounts of growing up with anxiety--which began suddenly at the age of six when her father served in Vietnam--and how she dealt with this anxiety as she came of age, eventually turning to alcohol for a release from her painful reality. The now-A&E Network reporter reveals how she found herself living in denial about the extent of her addiction, and how she kept her dependency a secret for so long. She addresses her time in rehab, her first year of sobriety, and the guilt she felt as a working mother who could never find the right balance between a career and parenting. Honest and hopeful, *BETWEEN BREATHS* is an inspiring read.

In this honest discussion of mental health, the founder of Therapy for Women explores our reasons for drinking alcohol--and the benefits of taking a break. When "retired party girl" and popular therapist Amanda White admitted she was an alcoholic, it wasn't because she'd done something outrageous while under the influence, like land herself in jail or get married in Vegas. It was because she realized three things: 1. Alcohol was making her life worse. 2. Moderation wasn't helping. 3. She could not be a therapist if she continued to use alcohol to numb her life. Something needed to change--not just her relationship with alcohol, but her relationship with herself.

Choosing not to drink can be daunting. It's everywhere in our culture, our socializing, and our destressing. And it can seem black or white: you drink, or you don't (and if you don't, people ask why). That's where *Not Drinking Tonight* comes in. Judgement-free and relatable, Amanda helps you unpack your relationship with alcohol by showing you how to: Find out why you drink. Whether it's a glass of wine after work or a weekly bar crawl, your drinking habits can be the result of everything from biology to trauma. Heal your relationship with alcohol. Understand how your relationships have been affecting your life, and learn how to set boundaries and create true self care. Build the sober life you love. Learn what comes next--how to maintain your social life, navigate sex and relationships, and love yourself. *Not Drinking Tonight* isn't a program to stop drinking. It's the first book to help you address the root issues that cause you to reach for a drink, and create a life you love--one that is not perfect, but is messy and real and one you are fully present for.

In *Drink: The Intimate Relationship Between Women and Alcohol*, award-winning journalist Anne Dowsett Johnston combines in-depth research with her own personal story of recovery, and delivers a groundbreaking examination of a shocking yet little recognized epidemic threatening society today: the precipitous rise in risky drinking among women and girls. With the feminist revolution, women have closed the gender gap in their professional and educational lives. They have also achieved equality with men in more troubling areas as well. In the U.S. alone, the rates of alcohol abuse among women have skyrocketed in the past decade. DUIs, "drunkorexia" (choosing to limit eating to consume greater quantities of alcohol), and health problems connected to drinking are all rising--a problem exacerbated by the alcohol industry itself. Battling for women's dollars and leisure time, corporations have developed marketing strategies and products targeted exclusively to women. Equally alarming is a recent CDC report showing a sharp rise in binge drinking, putting women and girls at further risk. As she brilliantly weaves in-depth research, interviews with leading researchers, and the moving story of her own struggle with alcohol abuse, Johnston illuminates this startling epidemic, dissecting the psychological, social, and industry factors that have contributed to its rise, and exploring its long-lasting impact on our society and individual lives.
