## The Soul Of Money: Reclaiming The Wealth Of Our Inner Resources

Kira Franklin, a black newspaper reporter in Southwest Virginia in 1993, begins to question her own culture when she pursues a story on a local Cherokee community raising money to reclaim ancestral lands. The Harper family is part of a long line of Cherokee tribe leaders, and their knowledge and devotion to retaining their history make Kira long for a sense of place, a sense of self. But the history she knows about her own family -

A Happy Pocket Full of Money, first self-published in 2001, so impressed Rhonda Byrne, that she asked David Gikandi to become a consultant on The Secret. In A Happy Pocket Full of Money, Gikandi explains that true wealth is not about having buckets of cash, but rather understanding the value within. True wealth flows out of developing "wealth consciousness," that incorporates gratitude, a belief in abundance, and an ability to

ourselves we can never have. Our long unwillingness to understand the emotional and spiritual effects of money on us is at the heart of why we have come to know the price of everything, and the value of nothing. Money has everything to do with the pursuit of an idealistic life, while at the same time, it is at the root of our daily frustrations. On a social level, money has a profound impact on the price of progress. Needleman shows how money slowly began to haunt us, from the invention of coins in Biblical times (when money was created to rescue the community good, not for self gain), through its hypnotic appeal in our money-obsessed era. This is a

Crane's riveting memoir. A survivor of child sex trafficking, Vandee was betrayed by her own mother and left vulnerable to the dark, insidious world of child sex trafficking, where she fell prey to a sadistic law enforcement officer who not only trafficked her, but also tortured her. Her memoir shares how she was able to create a life of happiness, peace, and forgiveness-despite her trauma. Today, Vandee has her own practice as a Wellness Coach in New Mexico, after having worked in the behavioral health field for over ten years. She combines her professional and

find and follow your true calling and redefine success from entrepreneur and soul coach Rha Goddess. Are you willing to believe in you? Every single one of us has a calling. For most it's the thing you have to force yourself not to do. When you try to ignore it, you can't stop thinking about. It is the thing that both terrifies you and brings you the most joy. Already living yours? Great! How do you make the most of it? The Calling will provide readers with a road map, via 3 fundamental shifts, on how to stay true, get paid and do good. The steps that will help lead you there include:
