Are you searching for a way to boost your revenue with a passive source of income? The step is easier than ever before! How? Using dropshipping, an innovative business model that makes it easy to sell anything online without you having to handle the storage. Sounds great but is this business viable and can you make it work? With the right guidance, the answer is always! Yes! Becoming an entrepreneur is easier if you know how to take advantage of technology. In a dropshipping model, there are three actors involved: the manufacturer, the retailer, and the client. The first is in charge of creating the product, carrying inventory, shipping products, replacing defective products, and restocking them. Basically, it's all the complicated work that you would never want to deal with. In this model, you (the retailer) can sell the manufacturer's products on your website under your own brand. You get to choose the product and promote it. After the customer has placed an order, you get to enjoy the profits. As easy as it may seem, this process can get overwhelming for the inexperienced. And that is where our book comes in. What can you learn with this Dropshipping E-Commerce handbook? You will get to discover what dropshipping is, the right mindset for an entrepreneur and some benefits of starting a dropshipping business. You will go to do niche research and don't worry: we will explain what a niche is, as well as how to perform niche research, and use great strategies for selecting the best niche. The next step is product research followed by great ways to find the best supplier for your dropshipping business. One of the best parts is yet to come: how do you choose the best selling platform? Our book details several retailing websites including Shopify, Amazon, and eBay. Once the platform selected, you will learn how to optimize your page or website, as well as how to use, scale, and brand your business. In the end, our experts have put together a series of common mistakes that you can avoid in order to protect your business. The topics featured in this book include: Great dropshipping techniques How to start a dropshipping business The budget you need to start your business The marketing channels you need to invest in how to optimize your online store to maximize sales How to stand out and get ahead in the market Dropshipping hacks, tricks, and tips How to create a strong brand and image for your products Detailed comparison of Amazon, eBay, and Shopify And much more! Still not sure that this book is for you? Dropshipping is never easy at first but this volume is a great place to start and learn more about what a dropshipping business is. The book is written by experts who have already developed great dropshipping businesses so the information is clear and concise as well as easy to follow by anyone. *Christians do not experience death as do others who are not of the Christian faith. *Christians do not die alone or forsaken." Logan Smith has told some fascinating, good-news stories that will have you thinking about what dying and heaven will be like for the Christian. He tells those stories in a loving, compassionate, nonjudgmental way. The crux of the stories, of the good news, is this: The Christian never dies alone. - Phil Hudgins, Author, Publisher, Editor, Reporter. T. Logan Smith's work, The Ultimate Step, is a book that needs to be written. And, after a lifetime of ministering to people from all walks of life, Reverend Smith is the perfect person to have written it. His stories about what Christians experience in their final earthly days and minutes are not only heartwarming, but beautifully worded. This book is more than uplifting. While the book offers profound insights into the Bible, perhaps, more importantly, its pages holds a sense of understanding and peace about the hour of our own ultimate step. - Emory Jones-author of books including, Distant Voices and The Valley Where They Danced. "It was meant that Logan Smith write this book." - John Foster, Former Georgia Senator. "A great chronicle of faith and an affirmation of eternal truths." - Nathan Deal, Former Governor of Georgia.

Can a woman like me, with just the spark of an idea, actually start a business and make money? Can I have a meaningful career that fits into my life, instead of fitting my life into the cracks of my work schedule? If you're asking these questions, you've come to the right place -and the answer is a resounding YES! Sage Lavine is the CEO of Women Rocking Business, a consulting and coaching organization that has helped nearly 100,000 aspiring women entrepreneurs around the globe to build businesses that change the world. Her revolutionary approach is based on honoring innate feminine values: we become thriving entrepreneurs by empowering others rather than having power over them, working in a spirit of collaboration rather than competition, and prioritizing contribution rather than gain. In this book, Sage gives you the road map that has guided thousands of her clients -professional women in fields from health care to manufacturing to consulting, from therapists and artists to yoga teachers and real estate agents -to build their own successful and sustainable businesses on their own terms. You'll learn how to: • Identify your gift to the world • Heal your relationship with money • Build a support network of entrepreneurial sisters • Plan winning strategies for marketing, sales, and service • Achieve success by working just 12 days a month (yes, it's true!) • And much more Filled with real-life case studies, integration exercises, and practical advice on every aspect of entrepreneurship, Women Rocking Business is an answered prayer for any woman who wants to get a business off the ground or take it to the next level. If you're ready to make the difference you were born to make, Sage is ready to show you the way. You've got this!

First time home buying is a special occasion in everyone's life. But because of the complexities around it, most people approach it with a mix of fear, anxiety, and uncertainty. This book was written with the sole purpose of making the process easier and more predictable. The book has tried to demystify the entire process by avoiding the jargon as much as possible. The book first helps you in deciding whether you are ready to buy or not and then gives a step by step instruction on what you can expect along the process should you decide to buy. The book takes it a step further and even advises you on steps you can take to remain a happy home owner. The book has been designed with a lot of thought, keeping you the reader in mind. It's broken down into 5 sections. Section 1 is titled "Getting Ready." It helps with the preliminary work you need to do to even consider home buying. Section 2 provides all the information you need to find your first home and get your offer accepted. Section 3 teaches you about different financing and down payment options. Section 4 details the loan process and the blunders to avoid. Section 5 is all about life after home ownership. From decorating ideas to how to pay off your mortgage faster, you will find invaluable tips in this section to stay a happy homeowner for years to come. Authored by Shashank Shekhar, a mortgage industry veteran and one of the top Loan Officers in the country, the tips and tricks come directly from the trenches.
