First time home  
buying is a special

occasion in  
everyone's life. But

because of the  
complexities around

it, most people  
approach it with a mix

of fear, anxiety, and  
uncertainty. This book

was written with the  
sole purpose of

making the process

easier and more  
predictable. The book  
has tried to demystify  
the entire process by  
avoiding the jargon as  
much as possible.

The book first helps  
you in deciding  
whether you are  
ready to buy or not  
and then gives a step  
by step instruction on  
what you can expect  
along the process

helps with the  
preliminary work you  
need to do to even

consider home  
buying. Section 2

provides all the  
information you need  
to find your first home  
and get your offer

accepted. Section 3

teaches you about  
different financing and  
down payment

options. Section 4

details the loan  
process and the  
blunders to avoid.

Section 5 is all about  
life after home

ownership. From  
decorating ideas to  
how to pay off your  
mortgage faster, you  
will find invaluable tips  
in this section to stay  
a happy homeowner  
for years to come.
