*Of all the figures in the Bible, David arguably stands out as the most perplexing and enigmatic. He was many things: a warrior who subdued Goliath and the Philistines; a king who united a nation; a poet who created beautiful, sensitive verse; a loyal servant of God who proposed the great Temple and founded the Messianic line; a schemer, deceiver, and adulterer who freely indulged his very human appetites. David Wolpe, whom Newsweek called “the most influential rabbi in America,” takes a fresh look at biblical David in an attempt to find coherence in his seemingly contradictory actions and impulses. The author questions why David holds such an exalted place in history and legend, and then proceeds to unravel his complex character based on information found in the book of Samuel and later literature. What emerges is a fascinating portrait of an exceptional human being who, despite his many flaws, was truly beloved by God.*

Dr Metzger takes up such questions and considers whether the canon is a collection of authoritative books or an authoritative collection of books.

This story of raging comedy and despair centers on the tempestuous marriage of an heiress and a Vietnam veteran. From their "carpenter gothic" rented house, Paul sets himself up as a media consultant for Reverend Ude, an evangelist mounting a grand crusade that conveniently suits a mining combine bidding to take over an ore strike on the site of Ude's African mission. At the still center of the breakneck action--revealed in Gaddis's inimitable virtuoso dialogue—is Paul's wife, Liz, and over it all looms the shadowy figure of McCandless, a geologist from whom Paul and Liz rent their house. As Paul mishandles the situation, his wife takes the geologist to her bed and a fire and aborted assassination occur; Ude issues a call to arms as harrowing as any Jeremiad--and Armageddon comes rapidly closer. **This is the BOLD Letter Edition of "The Modern Literal Version," (2015 beta 10.16.14 update, black & white, with words of the Trinity in BOLD print with wide outer margin for notes and standard size 12 point font).The "MLV" is a 'word for word' literal translation in readable modern-English of the Original Greek New Testament according to the compiled 2005 Majority Text. It does not use paraphrasing, dynamic equivalence, free style, or any other fancy wording to describe paraphrasing or any other translation principles which make the opinions of the translator your 'Word of God.' The goal of everyone who worked on this project over the pass 26 years was to keep any form of commentary out of this translation as is humanly possible. There is no denomination and no publishing company behind the "Modern Literal Version." The "MLV" is not sold for profit. The project continues to stay open for any future recommendations or fixes, the email address is enclosed. The "Modern Literal Version" may not be ERROR free but everyone is trying to make it that way. One of the best ways to describe the "Modern Literal Version" New Testament translation is that it is the first to adopt many significant translation principles:**

- 1. It was the first translation to use the power of modern computers. All the way back in 1987.**
- 2. The first translation that has no contradictions. This is why the MLV was started in the first place because of the Mt 5:17 vs. Eph 2:15 one found in most modern translations.**
- 3. The MLV was the first to attempt to keep Greek uniformity. (Same Greek word translation into the same English word(s) whenever possible.)**
- 4. The MLV was the first and only to attempt to keep English uniformity. In other words keeping one specific English word to represent only one specific Greek word or one of its meanings. (The worst example probably is the word WILL which has 69 different Greek words in the KJV.)**
- 5. The MLV was the first bible translation to be open on the internet for anyone to submit corrections, updates or help, since 1998 and the only published translation to stay open with yearly and web updates.**
- 6. The MLV is the first to be done by a group of people not divided among committees. Which by nature one committee will not translate the exact same way as another would. If there is a correction or a specific idiom or such it is dealt with uniformly.**
- 7. The MLV is the first and only translation to ever deal with the word "for", by translating all the "for" conjunctions as "because." You can read more about**

A lot of teachings are lost due to having no way to distinguish when a crowd of people or an individual were being addressed. B. No Denominationalism (no particular doctrine given emphasis or watered down). C. Twelve to thirteen year old reading level. D. All wording is modern-English where possible, all words can be looked up on dictionary.com or in a dictionary book. E. You have the ability to read the New Testament in chronological order; start in Mark and continue. F. The MLV translates the transliterated words which still plague translations by being repeated over and over because of tradition, for example "Satan" is now "Adversary" and "angel" is now "messenger" (a serious issue because people didn't know 'messenger' and 'angel' are the same word), etc. To God is the glory, power, and dominion forever and ever. **Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.**
