

## ***The Usborne Illustrated Thesaurus (Usborne Illustrated Dictionaries)***

A great reference to help children understand the rules of grammar and punctuation. Grammatical concepts are broken down with simple, clear explanations and illustrations. Fun exercises help to make this a lively read, as well as a useful reference. Words and synonyms are organised by type (adventure words, etc.) or by topic (in a city, under the sea, etc), with both simple words and more advanced vocabulary included. A handy word finder at the back allows children to look up a word and find its synonyms.

Age 5+

A clearly presented children's thesaurus with colorful illustrations and helpful suggestions for alternative words to inspire creative writing. It is arranged alphabetically, with a guide to parts of speech and choosing and using words.

*from the critically adored Sophie Anderson, author of The House with Chicken Legs. Twelve-year-old Olia knows a thing or two about secrets. Her parents are the caretakers of Castle Mila, a soaring palace with golden domes, lush gardens, and countless room. Literally countless rooms. There are rooms that appear and disappear, and rooms that have been hiding themselves for centuries. The only person who can access them is Olia. She has a special bond with the castle, and it seems to trust her with its secrets. But then a violent storm rolls in . . . a storm that skips over the village and surrounds the castle, threatening to tear it apart. While taking cover in a rarely-used room, Olia stumbles down a secret passage that leads to a part of Castle Mila she's never seen before. A strange network of rooms that hide the secret to the castle's past . . . and the truth about who's trying to destroy it.*
