with the animal characters created by British author and illustrator Beatrix Potter. But she was so much more than a painter of watercolor bunnies in little blue jackets or ducks waddling about in bonnets and shawls. She was a natural scientist, mycologist, environmentalist, preservationist, farmer, and expert sheep breeder.

Beatrix Potter was a woman ahead of her time, making her own decisions and handling her own business affairs despite living in a Victorian society that was unaccustomed to unmarried women doing so. Becoming Beatrix covers Potter's early life and influences, artistic work, fascination with animals and the natural sciences, and interest and research in fungi, as well as her writing
