

**Through Rose Coloured Glasses: A Compelling Saga Of Love, Loss And Dangerous Secrets (Emma Pack Size)**

THROUGH ROSE COLORED GLASSES is a book of visionary poems mindful of the story of Sayyedina 'Isa (Jesus), peace be upon him, who one day passed by a decaying dog carcass in the road with his companions, and replied, when they complained at how rank it smelled, "Yes, but its teeth are beautiful!" We can live our lives in misery seeing only the miserable aspects of this often grindingly difficult existence, or in peace seeing the beautiful and majestic Handprint of The Divine Reality in everything. These often ecstatic poems, mindful of the former, prefer the latter for their inspiration and their goal.

Boredom never set in. She raised her six children while maintaining a family business of real estate and rentals. She painted far into the early morning hours after a long day behind the counter at Montgomery Ward. At age 51, she undertook and earned a Science degree from Pan American University in Edinburg. She and her husband travel the world studying cultures, collecting fine art, photographing wildlife, bird-watching. They began early this year to celebrate their golden anniversary. Staying busy keeps the couple young, and retirement is viewed as something for old people, something far into the future.

Danielle was a dreamer. All her dreams were put on hold the day the doctor said, ""You are pregnant."" How was a pregnant 15-year-old, who failed a grade and was still in her first year of high school, going to make it? Only dreams can give you hope that one day, something has to come out of all this.

Instant New York Times, USA Today, and Wall Street Journal Bestseller! An intimate and light-hearted memoir by viral sensation and three-time Emmy-nominated musical comedian Randy Rainbow that takes readers through his life—the highs, the lows, the lipstick, the pink glasses, and the show tunes. Randy Rainbow, the man who conquered the Internet with a stylish pair of pink glasses, an inexhaustible knowledge of Broadway musicals, and the most gimlet-eyed view of American politics this side of Mark Twain finally tells all in Playing with Myself, a memoir sure to cause more than a few readers to begin singing one of his greatest hits like “A Spoonful of Clorox” or “Cover Your Freakin’ Face.” As Randy has said, “There’s so much fake news out there about me. I can’t wait to set the record straight and finally give people a peek behind the green screen.” And set the record straight he does. Playing with Myself is a first-hand account of the journey that led Randy Rainbow from his childhood as the over-imaginative, often misunderstood little boy who carried a purse in the second grade to his first job on Broadway as the host at Hooters and on to the creation of his trademark comedy character. In chapters titled “Pajama Bottoms” (a look back at the days when he wore pajama bottoms on his head to pretend he was Dorothy in The Wizard of Oz), “Yes, It’s My Real Name, Shut Up!” (no explanation necessary...) and “Pink Glasses” (a rose-colored homage to his favorite accessory), Playing with Myself is a memoir that answers the question “Can an introverted musical theatre Life Through Rose-Coloured Glasses

' Through Rose Colored Glasses: The Duality of America, Seen Through Post-Racial Eyes ' is a chronology of our publicized and not-so-publicized American story from the perspective of one that sees unity becoming our dominant nature and this nation living up to its true creed. " that all men are created equal ". We begin with the birth of a nation and its drive for sovereignty free of the tyranny of the old world methods of doing things. Yet while building this republic to the democracy it became, the founders and their successors professed one thing but lived absolutely another. The migrant settlers left from and broke away from motherlands that were oppressive and overbearing in a quest to be free, while at the same time, instituted a legacy of forced servitude called slavery that would haunt them for centuries. We progress through many attempts to get right grievous errors initiated in its infancy and how they failed miserably doing this in relation to the indigenous natives already here when they arrived and the ones that were brought here in slave ships from African lands. America possessed dual personalities that manifested themselves simultaneously while growing to develop into one identity that it wanted to portray to the world. We follow this through our present day circumstances and see the effects of this dual nature in relation to how we deal with each other. We also look at how we can find solutions to get us to that brighter tomorrow that we know America can be in a society based on true character and not false stereotypes.

Kennedy's off-the-wall memoir reliving the pop music and the madness as an MTV VJ in the 1990s "I am Kennedy from MTV, and no matter where I go someone has a story to tell me about the time we grew up together." Known to millions simply by her middle name, Kennedy helped bring the cutting edge of culture into our living rooms during the 1990s through her outrageous segments as an MTV VJ, host of Alternative Nation, and on-the-spot correspondent for MTV News. She interviewed everyone from fame-averse Seattle rock musicians to vapid celebrities and politicians, asking the taboo questions no one else would as she navigated between true artists and phony posers. In The Kennedy Chronicles, she gives us a backstage pass at the last golden years of the cable network that defined a generation. As only Kennedy can, she takes us back to unforgettable moments such as Nirvana's seminal performance on MTV Unplugged, the unbrield bacchanalia of the MTV Beach House and Woodstock '94 festival, and the game-changing "Rock the Vote" campaign. We read of priceless moments--on and off set--with such performers as Bjork, Pearl Jam, Weezer, No Doubt, Nine Inch Nails, Radiohead, Oasis, and the Red Hot Chili Peppers. And Kennedy dishes on behind-the-scenes antics with MTV colleagues including Jon Stewart, Bill Bellamy, Kurt Loder, and Tabitha Soren. Straddling the line between witness and participant, Kennedy recounts a blitz of surreal encounters: Dragging Stewart to a strip club. Getting naked with Jenny McCarthy. Playing dice on the men's room floor with Michael Jordan. Wrestling with Trent Reznor. Taking "Puck" Rainey from The Real World to church--and living to regret it. Making out in a coffin with Dave Navarro. Dodging calls from Courtney Love. Serving as John Rzeznik's muse for the Goo Goo Dolls hit song "Name." And there was that...incident...with New York Mayor Rudy Giuliani at the Video Music Awards. Finally, Kennedy intersperses her riotous narrative with priceless, candid interviews with Navarro, Henry Rollins, Billy Corgan, Pat Smear of Nirvana, Matt Cameron of Soundgarden and Pearl Jam, former VJ John Sencio, and more. In her characteristically edgy and irreverent voice, Kennedy delivers a juicy and revealing narrative perfect for Gen X and beyond--and for anyone who wants to know what really went on at MTV.

Deare Tom, I'm back on Anna Maria Island... missing you. But walking down these beautiful beaches reminds me of us and makes me feel a little less far away from you. And that encourages me as I am writing our story. Hopefully this will help other people who are feeling our pain too. I love and miss you every day, darling. Love, Me When he first saw me, Tom said that he would spend the rest of his life with me. To my surprise, he actually did. He was the love of my life. We shared a story that felt like a dream. Every moment was an adventure... and then Tom became ill.As his mysterious symptoms persisted we were hurtled through a maze of fear, tests, doubts and sorrow. But while doctors toyed with diagnoses- Lyme disease, ALS- we filled each day with joy, hope, good food, wine, music and travel.Even when death came to crush our storybook romance, we found that the human spirit is greater than the frailties of the body, greater than suffering and grief. From the fateful tick bite on Block Island to central nervous system failure, to healing my grief and loss, I stayed afloat, upbeat, and connected to Tom through devotion, true love, and by donning my own special pair of rose-colored glasses.
