

Tried By Fire: The Searing True Story Of Two Men At The Heart Of The Struggle Between The Arabs And The Jews

A Mexican military coup draws the U.S. into a full-scale conflict across the Rio Grande, and commanding officer Scott Dixon, TV reporter Jan Fields, and Lieutenant Nancy Koczak find themselves caught in the middle. 100,000 first printing. \$100,000 ad/promo.

In only 90 seconds, a fire in the Station nightclub killed 100 people and injured hundreds more. It would take nearly 20 years to find out why—and who was really at fault. All it took for a hundred people to die during a show by the hair metal band Great White was a sudden burst from two giant sparklers that ignited the acoustical foam lining the Station nightclub. But who was at fault? And who would pay? This being Rhode Island, the two questions wouldn't necessarily have the same answer. Within 24 hours the governor of Rhode Island and the local police commissioner were calling for criminal charges, although the investigation had barely begun, no real evidence had been gathered, and many of the victims hadn't been identified. Though many parties could be held responsible, fingers pointed quickly at the two brothers who owned the club. But were they really to blame? Bestselling author and three-time Emmy Award-winning reporter Scott James investigates all the central figures, including the band's manager and lead singer, the fire inspector, the maker of the acoustical foam, as well as the brothers.

Drawing on firsthand accounts, interviews with many involved, and court documents, James explores the rush to judgment about what happened that left the victims and their families, whose stories he also tells, desperate for justice. Trial By Fire is the heart-wrenching story of the fire's aftermath because while the fire, one of America's deadliest, lasted fewer than two minutes, the search for the truth would take twenty years.

Faith & Grief Book Club pick Having experienced the loss of a mother, husband, and grandson in the space of three years, author Mary Potter Kenyon, author of Chemo-Therapist: How Cancer Cured a Marriage wrote her way out of the abyss of grief. Refined By Fire: A Journey of Grief and Grace chronicles a personal faith journey that offers hope and encouragement to anyone grieving a loved one.

Fighting fires keeps me focused on the present and not the past. My days in the military haunt the fuck out of me, waking me up late in the night, causing my world to spin in vicious cycles. But it’s under control, or so I thought. The guys are noticing something is up with me. All I want is peace. But that shit evades me. And then everything changes. Because of her. She’s the cure to my pain and doesn’t know it. Love was the last thing on my mind, but it won’t relent because of this sweet woman. I don’t deserve her, but she doesn’t care. It’s time to forget my burdens and turn up the heat. Every Good Girl Deserves a Bad Boy. ~ Weston

“I loved every page of this book. Clemens has constructed a world of magic that’s never been seen before, with a cast of beings who are so engaging and entrancing that you never want the story to end.”—John Saul On a fateful night five centuries ago, three mages made a desperate last stand, sacrificing everything to preserve the only hope of goodness in the beautiful, doomed land of Alasea. Now, on the anniversary of that ominous night, a girl-child ripens into the heritage of lost power. But before she can even comprehend her terrible new gift, the Dark Lord dispatches his winged monsters to capture her and bring him the embryonic magic she embodies. Fleeing the minions of darkness, Elena is swept toward certain doom—and into the company of unexpected allies. There she forms a band of the hunted and the cursed, the outcasts and the outlaws, to battle the unstoppable forces of evil and rescue a once-glorious empire . . . Praise for Wit’ch Fire “Wit’ch Fire grabs at your heart and tears a little hole, then tears another, and another—a brutal and beautiful ride. I can’t put the book down!”—R. A. Salvatore “Full of violence, magical pyrotechnics, and black-heared villains.”—Publishers Weekly

“An unforgettable journey through this twisted miracle of evolution we call ‘our body.’” —Spike Carlsen, author of A Walk Around the Block From blurry vision to crooked teeth, ACLs that tear at alarming rates and spines that seem to spend a lifetime falling apart, it’s a curious thing that human beings have beaten the odds as a species. After all, we’re the only survivors on our branch of the tree of life. The flaws in our makeup raise more than a few questions, and this detailed foray into the many twists and turns of our ancestral past includes no shortage of curiosity and humor to find the answers. Why is it that human mothers have such a life-endangering experience giving birth? Why are there entire medical specialties for teeth and feet? And why is it that human babies can’t even hold their heads up, but horses are trotting around minutes after they’re born? In this funny, wide-ranging and often surprising book, biologist Alex Bezerides tells us just where we inherited our adaptable, achy, brilliant bodies in the process of evolution.

New York Times bestselling author J.A. Jance’s sleuth Ali Reynolds is back for another thrilling adventure as she strives to grant a dying woman’s last request—to find the people who nearly killed her. Ali Reynolds is back in the thick of it in the latest adventure in the New York Times bestselling suspense series. Taking on a media relations position with the Yavapai County Police Department, Ali puts her reporting (and crime solving) skills to good use—and her first time out on the job, it’s trial by fire... When a subdivision-in-the-making goes up in flames, everyone hopes that the unfinished, unoccupied homes will yield no victims. But one woman is found barely alive and burned beyond recognition. She is taken to the ER, where for months she lies in a medically induced coma, unclaimed and unidentified. When she finally emerges from her coma, the life she awakens to is bleak and lonely. Badly disfigured and with no clue as to who she is or where she came from, she is brought to the nuns at a Sisters of Providence Convent. At the convent, she is nursed and cared for. But before she can begin her painful and difficult recovery, Jane Doe is diagnosed with a hopeless and swift-moving cancer. Now with sudden desperation, there are two things she must find out. Ali Reynolds is called upon to grant this dying woman’s final wishes—to find the people who saved her life, and the people who tried to kill her.

Attorney Wren Bishop knew it would be an adjustment to go from her cushy, lucrative career in big law to the public defender’s office, but she’s completely unprepared for the suspicion from her colleagues and the animus from her adversaries at what was billed as a close-knit courthouse. To top it off, her first case pits her against Lennox Roy, a gorgeous yet fierce prosecutor with a reputation for cajoling juries and breaking hearts. Lennox comes from a family full of bleeding hearts who believe in second, third, and fourth chances, but she’s seen firsthand the damage leniency can do. She has no patience for a softy like Wren Bishop, no matter how sexy and brilliant she might be. But when they face off over a mysterious arson case, their attraction ignites a passion that leads them to question their assumptions about the law, the truth, and each other.

A Novel

One Man’s Battle to End Corporate Greed and Save Lives

Riley is an eleven year old boy and heir to the exceedingly wealthy Kincrest family. However, wealth does not always mean happiness. This is certainly the case for Rye, who is constantly suffering beatings from his parents and mentors while being laughed at by his twisted older sisters. Being fixed not to cry or resist, Rye has learned to just accept the punishments whenever they come. However, recently whenever Rye is hurt, he finds himself blanketed by a strange numbing sensation that helps as an escape to the pain. Late does he know that the sensation he thinks is protecting him, is also making him feel less and less, and turning him into an emotionless husk. Despite his situation, Rye’s life is about to take a drastic change. Arthish Lilith is an eleven year old boy who’s hobbies are hunting deer with nothing but a knife and playing with his friend Noir, a pure black wolf with glowing blue eyes. Art’s father has passed away and his loving mother is all he has left now. They live secluded in the woods with a nearby village for necessities. Although poor, Art is loved by his mother and he’s satisfied with the way things are. However, when he stays out late one day, hunting a deer, he comes home to find something that changes who he is forever.

From a leading journalist and activist comes a brave, beautifully wrought memoir. When Darnell Moore was fourteen, three boys from his neighborhood tried to set him on fire. They cornered him while he was walking home from school, harassed him because they thought he was gay, and poured a jug of gasoline on him. He escaped, but just barely. It wasn't the last time he would face death. Three decades later, Moore is an award-winning writer, a leading Black Lives Matter activist, and an advocate for justice and liberation. In No Ashes in the Fire, he shares the journey taken by that scared, bullied teenager who not only survived, but found his calling. Moore's transcendence over the myriad forces of repression that faced him is a testament to the grace and care of the people who loved him, and to his hometown, Camden, NJ, scarred and ignored but brimming with life. Moore reminds us that liberation is possible if we commit ourselves to fighting for it, and if we dream and create futures where those who survive on society's edges can thrive. No Ashes in the Fire is a story of beauty and hope-and an honest reckoning with family, with place, and with what it means to be free. Love and war take center stage as three couples must forge alliances against evil in this dazzling, value-priced collection of fantastical romances. Viking Fire: When Kairen’s father, Laird Liannon, forces her into an arranged marriage with her sworn enemy, she throws her energy into getting this Viking betrothed banished from her country. As a younger son, Bram has no future or inheritance, so marriage to the laird’s daughter would grant him land and family—but even a marriage of convenience may not be worth the battle scars from such a relentless opponent. But when the blame for a rival laird’s death falls against the Liannons, Kairen and Bram must find a way to lay aside their differences as an unforeseen darkness sends death snapping at their heels. The Garnet Dagger: As a vampire, Brock has one chance to break the curse that compels him to feed and kill: he must find a witch, pierce her heart, and draw her blood for his cure. Celeste must find a way to elude an ancient, powerful warlock who wants to lay claim to her dormant powers. If he succeeds in devouring her magic, she and the world will die. The two fall in love, never realizing her demise is his cure. Can love triumph over such high stakes? Son of Dragons: Elvin warrior Mirhana scours the land to silence the undead. Her heart has turned as cold as the sword she wields, until Prince Landon seeks her aid. Never has he met a woman like Mirhana, who haunts his dreams as he battles to remain true to his promise to an unseen betrothed. Then a traitor emerges to test Mirhana and Landon, and the only remaining hope is to follow the prophecy and trust their bond is more than a fleeting attraction. Sensuality Level: Sensual

Brilliant, hard-driving Stella Cataloni is the star of the Dallas Distric Attorney’s office, with an amazing 100 percent conviction rate. Both the conviction she most desperately wants agonizingly eludes her. The fire that years ago killed her parents and scarred her life remains unsolved. When her ex-boyfriend, Tom Randall, who stella is convinced set the fire, suddenly reappears in Houston, Stella vows revenge. But when Randall is brutally murdered, his death puts the arson case in a new light and gives Houston D.A. Holly Oppenheimer the ruthless opportunity to put Stella behind bars for both crimes. Once Stella’s friend, Holly becomes a formidable adversary, willing to use her knowledge of Stella’s personal secrets to her own advantage. As headlines scream BATTLE OF THE WOMEN D.A.’s and the media circus begins, Stella’s key hope of proving her innocence is to do what the police cannot or will not do: find the killer who has mocked the law not once but twice. Stella finds herself in a maze of intrigue and corruption stretching back fifteen years and leading to ugly revelations behind flawless masks of innocence. Plagued by suspicions that seem too horrible to be true yet refuse to be denied, she realizes she is being shadowed by a murderer as she seeks the truth in her own defense. Even as she uses every tool from forensic animation to virtual reality to turn the tide of the courtroom battle, Stella must apply every ounce of her nerve and brains to escape the unseen enemy who will stop at nothing to see her dead. With tension that turns tighter at every searing exposure and disclosure, and total authenticity in every line, Trial by Fire proves that Nancy Taylor Rosenberg is the most compelling writer of legal thrillers today.

Seventeen year-old Nathan is running -- running from his past and running from his present. Raised by a white mother and never having known his native father, he nevertheless must cope with the prejudices of people who stereotype him as a good-for-nothing Indian. When he meets Sally, the beautiful outsider, he finds someone who believes in him. But when Sally’s house is put to the torch by an arsonist, suspicion falls on Nathan and he finds himself embroiled in an intrigue and murder that threaten to drive the two teenagers apart. Chief inspector Mushtaq Hussain is posted to a police station in Patparganj a small hill station nestling in the Western Ghats. While idly leafing through the old case files at the station, he comes across one that had caused a sensation of sorts when he used to be a student-boarder at the Palace School, Patparganj. Though the file is marked Gonedj many questions remain unanswered Susan, whose memories stir feelings in Mushtaqs heart, had been found, late at night, lying unconscious beside Altaf, their classmate, in a clearing in the bush around the Palace school estate. What was the duo doing there at that time? Susan had been badly mauled and angry scratch marks had appeared all over the skin exposed due to torn clothing. Who had attacked Susan and why? Altaf had his head bludgeoned with blood flowing through a gaping wound near his neck. Who had struck Altaf? Gonu, the mentally challenged school mascot, had stood at the crime scene with a bloodied hockey stick in his hand. Why? How did he get there? Miss Stokes, Gonu’s mother and the first one to witness the tableau, had come across Gonu struggling with a person, who, when confronted by Miss Stokes, had fled away into the thicket before she could have a closer look at his face. Who was the fourth person? Mushtaq decides to investigate. He sets the stage for the dramatic personae of that night to come together once again hoping to reignite the passions that could throw up some answers.

Book I of The Phoenix Trilogy

A Novel of Suspense

A Journey of Grief and Grace

In the face of corporate bullies, one lawyer’s passion and persistence paid off. Bullied as a Jewish kid in the hardscrabble neighborhoods of Chicago, Mike Burg had to learn how to fight at a young age. As an adult who started his own law firm from scratch that fire—and understanding of the underdog—still burns and makes him one of America’s top trial lawyers fighting for consumers’ rights. In Trial by Fire: One Man’s Battle to End Corporate Greed and Save Lives, read about Burg’s unwavering personal constitution to stand up for the weary, the weak, and the downtrodden at all costs. Follow the justice as he takes on a negligent gas company and wins not only financial settlement for victims but dramatic changes to a city’s pipelines to save thousands of lives. Cheer him on as he leads hundreds of individuals against companies shilling drugs such as Fen-Phen, Yaz, Zyrexin, and Pradaxa. Empathize with him as he fights an eight-year battle against UBS Warburg for knowingly selling risky mortgages to investors before collecting compensation. Root him on as he files a sweeping action against 28 California wineries to force them to stop selling toxic wine contaminated with arsenic. Representing everyone from the Little Rascals to Ralph Tamm in the first NFL steroid case, Burg has lived a thousand lives. Trial by Fire shows that, like with every victory in the courtroom, he doubles down for the next adventure. Performing stand-up comedy alongside Roseanne Barr, golfing with Michael Jordan, and attending President George W. Bush’s inauguration with President Bush’s father, Burg has a story to tell. His undeniably explosive personality and inspiring tale—complete with theatrics, eccentricities, excitement, humor, and maybe just a hint of craziness—will make you laugh, leave you in disbelief, and, most of all, inspire you.

Kandar and Kiri were born Ormiri: a race of beings who had evolved to possess great mystical powers. When an ancient alien enemy returns to attack their home-worlds, Kandar and Kiri find themselves mixed in a war they do not understand, their destiny compelled by a prophecy long kept secret and faced with a power they still need to master fully. This is the first book of the Legends of the Ormiri.

Based on a true story—P. T. Deutermann’s Trial by Fire is a dramatic WWII novel of attack, survival, and triumph on board an aircraft carrier in the Pacific. It’s March 1945 and the war in the Pacific is approaching its apocalyptic climax. The largest wartime armada ever assembled, Task Force 58, is closing in on Okinawa; once taken, it will finally put American B-29 bombers in comfortable range of the home islands of Japan—and victory. At the heart of the fleet are 14 Essex-class aircraft carriers, including the USS Franklin, known as "Big Ben"—a 27,000-ton behemoth, home to 3,600 crewmen and 100 aircraft. Just after dawn, while crewmen prepare for battle, a single Japanese Yokosuka D4Y bomber breaks through the clouds and drops a 500-pound semi-armor piercing bomb on Big Ben. The bomb rips through the wooden flight deck before exploding on the hangar deck, amidst two dozen fully fueled and armed fighter-bombers. The resulting explosion engulfs both the hangar deck and all the planes spotted on the flight deck. Bombs cook off and rockets howl in all directions, both on the flight deck and down in the hangar bays. Hundreds of men are forced to leap into the sea to escape the rivers of burning aviation gasoline, leaving the captain with only one third of his crew, of whom there are more dead, wounded and trapped men left onboard than able-bodied sailors. Trial By Fire is the gripping novelization of how, against all odds, the sailors of the Franklin were able to save their ship, after 3 agonizing days of battling the flames that ultimately claimed the lives of 832 men and injured 300 more. Readers will be astounded and humbled by the heroic actions of a few extraordinarily brave sailors in the face of unending catastrophe.

Offers a broader, more contextualized understanding of the function of ordeals in medieval literature and society.

The most explosively sexy One-Eyed Jacks adventure yet from the RITA Award-winning, New York Times bestselling romance author whose name is “synonymous with high stakes and high action” (RT Book Reviews)! Betrayal. Retribution. Redemption? Six years ago, tough-as-nails military contractor Bobby Taggart met the woman of his dreams in war-torn Kabul—a sexy, whip-smart war correspondent who approached him at a local bar, took him to bed, made him fall in love...and then mysteriously disappeared. In her wake, the terrorist leader he’d been mining for valuable intel was assassinated—then Bobby discovered his phone had been bugged. And he’s pretty damn sure he’s been played for a fool. Now, a covert security mission for the U.S. Embassy in Oman unexpectedly reunites him with Talia Levine, the woman who betrayed him and broke his heart. And there’s one more secret she hasn’t told him—one that will change his world. But as the heat of anger mixes with a still-simmering passion, dangerous forces close in, their sights set on Talia. Trust is the only way they will survive—but with their lives in the balance, can Bobby risk trusting her again?

The old mill has been silent for a hundred years, its dread secrets locked from view. Still, the people of Westover, Massachusetts, remember . . . and whisper of that terrible day when horrifying flames claimed eleven innocent young lives. The day the mill’s doors slammed shut—forever. But now, the last of the once-powerful Sturgess family is about to unlock those doors again . . . and unleash an elemental fury. For behind the padlocks, deep within the dark, abandoned building, a terrible vengeance waits. A vengeance conceived in HELLFIRE.

From Sami Shah comes Fire Boy, an urban fantasy set in modern-day Pakistan, where djinns roam the street alongside corrupt cops, hustling beggars, and creatures from the darkest corners of Islamic mythology. Growing up in Karachi isn’t easy. Wahid has a lot on his mind: the girl he likes, mostly, but also choosing a good university and finding time to play Dungeons & Dragons. Oh, and the fact that he can see djinns, other-worldly creatures made of a smokeless and scorching fire. After a horrific car accident kills his best friend and djinns steal his girlfriend’s soul, Wahid vows to find out why. Fortunately, he has help in finding the djinns that tried to kill him. Unfortunately, that help is from the darkest of all spirits, the Devil himself ... Fire Boy is filled with supernatural entities and high-paced action, but it also gives the reader a vivid insight into life in Pakistan. Praise for Fire Boy by Sami Shah ‘Bold, compelling fantasy with a truly original setting.’ – Saladin Ahmed ‘Sami Shah blends the tenderness of Octavia Butler with the supernatural folklore of Nalo Hopkinson. His characters – human and otherwise – are skillfully drawn, and the vibrant streets of Karachi are vividly brought to life. Fire Boy is an eloquent imagination explosion.’ – Maxine Beneba Clarke ‘I was enchanted by the lyrical and atmospheric prose – Sami Shah brings the streets of Karachi to life with a deft hand, ancient folklore colliding with the modern internet age.’ – Kylie Chan
