

## *Ultimate Sticker Book: Sharks*

A colorful and informative introduction to some of the most common rocks and minerals, packed with amazing facts, fun puzzles and games, and more than 100 reusable stickers. Ideal for younger readers, this beautiful sticker book showcases stones from the tiger's eye and leopard skin stone to rubies, sapphires, diamonds, emeralds, and many more. The stickers are accompanied by fun learning pages with information on how rocks and minerals form, what they are made into, and how to identify them, as well as lots of bite-size facts about their size, color, and origin. Readers can put their knowledge to the test with some puzzles and games, including a coloring activity and rocky maze, and create their own scenes by adding stickers to a colorful double page landscape spread. The book is fully checked and approved by the department of zoology at the Natural History Museum, London. The museum's world-class collections of minerals, ores, meteorites, rocks, and soils include specimens from Mars and the moon, and from the earliest bodies that helped to form the solar system 4.56 billion years ago. Get two amazing sticker books in one! Dinosaurs, tigers, lizards, lions, sharks, polar bears, and many more! Kids will love these fun-packed pages loaded with colorful scenes and 2,000 amazing animal stickers of all shapes, sizes, and colors in a unique blend of photographs and artwork. Interactive games, mazes, drawing prompts, spelling and pattern activities, and more will keep kids entertained, engaged, and learning.
