Harry and his brother, Alex, are dying to fit in at Camp Spirit Moon. But the camp has so many weird traditions. Like the goofy camp salute. The odd camp greeting. And the way the old campers love to play jokes on the new campers. Then the jokes start to get really serious. Really creepy. Really scary. First a girl sticks her arm in the campfire. Then a boy jams a pole right through his foot. Still, they're just jokes...aren't they?

La signora Ross, che dava le spalle a suo figlio, aveva appena pronunciato l'ultima parola quando la porta d'ingresso si aprì, e la zia Kathryn, una donna grande e grossa con lunghi capelli neri, si materializzò sulla soglia.

Sgattaiolando davanti alla mamma, Evan poté vedere il coltellaccio che la

donna aveva in mano. E il sangue che colava copioso dalla lama.

Warm, vibrant illustrations combine with the steady reassurance "I'll take care of you" to introduce children to the cycles of nature and the gift of nurturing. A helpless, tiny seed finds itself lost in the world, but with care from the Sky, Earth, and Sun it grows up to be a beautiful apple tree. When the tree meets a bird in need of help, it offers its branches as shelter and shows little readers the magic of being cared for and taking care. This comforting tale celebrates the harmonious relationship between birds and trees, reveals the quiet wonder of our ecosystems, and helps little readers appreciate the care they receive from their family and friends every day. In return, children will learn that they can care for others too and cultivate empathy and kindness. With brightly beautiful illustrations and a timely message of love and community, I'll Take Care of You offers families a go-to soothing story for bedtime and tough days.

This is the first unexpurgated English edition of Curzio Malaparte ' s legendary work The Skin. The book begins in 1943, with Allied forces cementing their grip on the devastated city of Naples. The sometime Fascist and ever-resourceful Curzio Malaparte is working with the Americans as a liaison officer. He looks after Colonel Jack Hamilton, “ a Christian gentleman . . . an American in the noblest sense of the word, ” who speaks French and cites the classics and holds his nose as the two men tour the squalid streets of a city in ruins where liberation is only another word for desperation. Veterans of the disbanded Italian army beg for work. A rare specimen from the city ' s famous aquarium is served up at a ceremonial dinner for high Allied officers. Prostitution is rampant. The smell of death is everywhere. Subtle, cynical, evasive, manipulative, unnerving, always astonishing, Malaparte is a supreme artist of the unreliable, both the product and the prophet of a world gone rotten to the core.
