legacy, and art,
from early
drawings through
later, iconic
paintings
A wildly
entertaining and
surprisingly
educational dive
into art history as
you've never seen
it before, from the
host of the beloved
ArtCurious podcast

Get Free Van Gogh Friends Art Game

We're all familiar with the works of Claude Monet, thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas, handbags, scarves, and dorm-room posters. But did you also know that Monet and his

Get Free Van Gogh Friends Art Game

cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar? And while you probably know the tale of Vincent van Gogh's suicide, you may not be aware that there's pretty compelling evidence that the

Get Free Van Gogh Friends Art Game

artist didn't die by his own hand but was accidentally killed--or even murdered. Or how about the fact that one of Andy Warhol's most enduring legacies involves Caroline Kennedy's moldy birthday cake and a collection of toenail clippings?

Get Free Van Gogh Friends Art Game

ArtCurious is a colorful look at the world of art history, revealing some of the strangest, funniest, and most fascinating stories behind the world's great artists and masterpieces. Through these and other incredible, weird, and wonderful tales,

his premature
death.

This book is

Get Free Van Gogh Friends Art Game

about

understanding
the nature of
design and
organization
in complex
living
systems.

Design is
everywhere in
our lives—but
the nature of

Get Free Van Gogh Friends Art Game

complex systems means that few people feel empowered or equipped to design better futures.

Although the places we live are full of material

Get Free Van Gogh Friends Art Game

objects, they only become meaningful as they are used and experienced by people. The author looks at design as a way of thinking and acting. Design

Get Free Van Gogh Friends Art Game

becomes an
open-ended
conversation
with the world
around us. The
text is also
about the
shifting
social
relations of
design—moving
from an

Get Free Van Gogh Friends Art Game

emphasis on individual engineers and designers toward the participatory process of making sense of tools to improve our lives: we call this process

Get Free Van
Gogh Friends Art
Game

co-design.

Practical
Ideas for
Designing
Across Complex
Systems

Two masterful
artists—Gauguin and van
Gogh—come alive in a
vibrant drama about
friendship, art, and
madness Two
painters—Paul Gauguin
and Vincent van

Get Free Van Gogh Friends Art Game

Gogh are living together in the sleepy town of Arles in 1888. Soon, Gauguin, frustrated by van Gogh's refusal to acknowledge his increasingly troubled mind, will depart for Paris. In two years, van Gogh will be dead by his own hand. In the meantime, the friends discuss their craft; they frequent a local café that

Get Free Van Gogh Friends Art Game

van Gogh will soon immortalize; they become acquainted with a young prostitute, Lotte, who becomes Gauguin's lover; they argue; they paint. In Derek Walcott's new historical play, *O Starry Starry Night*, two world-renowned artists come to life as they wrestle both with grand themes—friendship,

Get Free Van Gogh Friends Art Game

loyalty, fame—and with more mundane concerns, money primary among them. The scenes Walcott sketches summon several of van Gogh's most famous paintings: Sunflowers, The Night Café, The Bedroom at Arles. His manipulation of language—van Gogh's eloquent monologues giving way to more

Get Free Van Gogh Friends Art Game

abstract

speeches evokes the painter's descent into madness. Over the action hangs the threat of violence, of death, which lends the play a potent urgency; for at least one of the characters, time is quickly running out. O Starry Starry Night is powerfully wrought, and demonstrates once again

Get Free Van Gogh Friends Art Game

the sharpness of
Walcott's eye: as a
painter, as a poet, as a
writer, and, above all, as
an observer of human
follies, foibles, failings,
and aspirations.

This chronicle of the
two months in 1888
when Paul Gauguin
shared a house in France
with Vincent Van Gogh
describes not only how
these two hallowed

Get Free Van Gogh Friends Art Game

artists painted and exchanged ideas, but also the texture of their everyday lives. Includes 60 B&W reproductions of the artists' paintings and drawings from the period.

Follows the painter from his boyhood in the Netherlands to his death in France, depicting his relationship with his brother Theo, his

Get Free Van Gogh Friends Art Game

struggles to perfect his art, and his psychological and emotional difficulties. In the last seventy days of his life, Vincent van Gogh experienced an unprecedented burst of creativity. He painted at least one canvas per day, often more, and wrote dozens of eloquent, personal letters to family, fellow

Get Free Van Gogh Friends Art Game

artists, and friends. For the first time, this volume gathers all that he produced during these last few months and presents it in a day-by-day chronology that reveals his intense focus on the continuing development of his signature artistic method as well as his innermost thoughts and concerns. Persuaded by his doting

Get Free Van Gogh Friends Art Game

brother, Theo, to move to the artistic enclave of Auvers-sur-Oise in 1890 for a change of scenery and a chance at a life free from temptation, and with the intent of concentrating solely on painting and restoring his full mental health, van Gogh arrived in May just as the town and its nearby bucolic fields were bursting into

Get Free Van Gogh Friends Art Game

full springtime glory,
providing him ample
material for inspiration.
Stunning reproductions
of his last paintings
display his daily
explorations of this
charming hamlet's
streets and buildings,
including its now-iconic
church and thatched
cottages, its
inhabitants—including
his friend and mentor

Get Free Van Gogh Friends Art Game

Doctor Gachet,
immortalized on
canvas—and the wide,
open fields that roused
him to paint
masterpieces such as
Wheat Field with Crows
and Landscape with a
Carriage and a Train.
Despite these idyllic
surroundings, his
encouraging pace of
production, and
mounting critical

Get Free Van Gogh Friends Art Game

recognition, van Gogh chose to end his own life a mere two and a half months later, leaving the letters and paintings duplicated here as the only clues to the internal anguish that led him to an act of such desperation. The full complexity of van Gogh's personality, emotions, and relationships is

Get Free Van Gogh Friends Art Game

presented here through reproductions of historical documents, letters, and glorious full-color plates of over seventy paintings, each of which is also accompanied by incisive commentary from author Wouter van der Veen, a renowned van Gogh scholar. A final chapter fully explores the often overlooked

Get Free Van Gogh Friends Art Game

role played by his sister-in-law, Johanna Bonger, in cultivating and establishing his posthumous legacy.
