“A humdinger” —USA Today “Ratcheting suspense, dynamic characters, and a master’s touch” —David Baldacci, New York Times bestselling author of The Sixth Man With the spellbinding crime fiction masterwork, Mistaken Identity, Lisa Scottoline rocketed onto the New York Times bestseller list—and she’s remained there ever since! A stunning tale of mystery and suspense, this classic from the beloved, Edgar® Award-winning author once again leads readers down the gritty streets of Philadelphia and into the offices of the law firm of Rosato & Associates. When a new client who’s been accused of murder—and who bears an astonishing resemblance to Bennie Rosato—asks the crusading criminal defense attorney to take her case, Bennie finds herself entangled in a sticky web of murder, corruption, and violence that threatens to reveal the shocking truth about her own past. If you haven’t read Lisa Scottoline before, Mistaken Identity will prove to you what her many fans already know: nobody does it better!

Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex’s connections save them this time? All bets are off when it’s every man for themselves in this series’ finale.
From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

This publication addresses the loss of significant cultural property as part of the widespread damage and destruction caused by the Israeli Army in its re-occupation of Palestinian towns that began on March 29, 2002. The test focuses on the Old City of Nablus, but the photographs include also Jenin Refugee Camp and the towns of Ramallah and Bethlehem.

Boston Bay Vikings: hot enough to melt the ice. Camden I grew up with only one dream—to become a professional hockey player. My dream came true and now I was a winger for the Boston Bay Vikings. I never gave much thought to having that ‘special’ someone in my life until I saw the young woman who hunkered down like a scared rabbit in the team’s shower room. I went from a carefree bachelor to a fierce protector. Molly Exhausted and scared, I fell asleep in an empty room and came awake to find the gaze of three naked men on me. It turned I'd found my way into the shower room of the Boston Bay Vikings—I'd never heard of them. However, it was the fourth man to appear who gave me hope. He spoke with confidence and made me feel safe. I didn't want to leave his side, but I'd learned the hard way that anything good never lasted. Meet Camden Edwards and Molly Lewis in the first book of a new series by NYT and USA Today bestselling author, Lexi Buchanan.

Interviews can be challenging, especially if you don't know what to expect. What should I wear? What questions am I going to be asked? What type of salary should I request? How am I going to explain not working for the last 2 years? These are frequently asked questions. Knowing the answers to these and several more frequently asked questions will give you a competitive advantage over others who enter in an interview without this knowledge. The interview process starts long before you walk through the door to greet the interviewer. Mastering The Art Of Interviewing: A Guide To Successful Interviewing will take you step by step to show you what is required for a successful interview. Several employers and human relations experts have expressed what they are looking for in a candidate to hire. I have taken that information and applied it to my own life and I was successful. That same information is transferred to this guide. Understanding what employers want will not only help you be better prepared for the interview but it will also give you the confidence to wow the interviewer. After reading this guide, you will; Understand the do's and don'ts of interviewing. What questions are going to be asked. What questions you should ask. How to prepare for the interview in advance. The job market is very competitive. Having the right qualifications is only part of landing that job. Having a successful interview will help seal the deal. After reading this guide you will have the tools for a successful interview and give you a competitive advantage over other candidates. NOW GO GET THAT JOB!!

Susan Eisenberg began her apprenticeship with Local 103 of the International Brotherhood of Electrical Workers in 1978, the year president Jimmy Carter set goals and timetables for the hiring of women on federally assisted construction projects and for the inclusion of women in apprenticeship programs. Eisenberg expected not only a challenging job and the camaraderie of a labor union but also the chance to be part of a historic transformation, social and economic, that would make the construction trades accessible to women. That transformation did not happen. In this book, full of the raw drama and humor found on a construction site, Eisenberg gracefully weaves the voices of thirty women who worked as carpenters, electricians, ironworkers, painters, and plumbers to examine why their numbers remained small. Speaking as if to a friend, women recall their decisions to enter the trades, their first days on the job, and their strategies to gain training and acceptance. They assess with thought, passion, and twenty years' perspective the affirmative action efforts. Eisenberg introduces this new edition with a preface that shows how things have changed and how they have stayed the same since the book's original publication. She ends with a discussion of the practices and policies that would be required to uproot gender barriers where they are deeply embedded in the organization and culture of the workplace.

Colton is Juno’s best friend. He’d usually be the one she goes to for advice on what do you do when you fall in love with your best Imagine you’re a matchmaker and you realize too late you’re in love with your childhood best friend. You only have yourself to blame—you’re the one who matched him and now he’s engaged to be married. When you find yourself in this position there’s a few secrets you’re going to need to keep... Secret #1 - Smile when he tells you the happy news, even if your heart cracks in half. Secret #2 - Don’t compare yourself to his beautiful French fiancée. You’re just as beautiful. Secret #3 - Don't tag along to the tux fitting with him alone. Just no. Secret #4 - Don't help him learn to dance to his wedding song. Secret #5 - Erase all memories of the two of you through the years when lines blurred for even the briefest of moments. And the one you never saw coming.. Secret #6 - Definitely, don't stand and object—someone else might just do it for you.
Poems in this volume bring readers through the construction site gate alongside the women who practice a skilled trade in a dangerous industry. Assured and impassioned, the poems not only manifest outer events and day-to-day realities of the worksite but also expose through metaphor and resonant detail its high-voltage interior life.Susan Eisenberg's early poems were private responses to the experiences of her apprentice years as an electrician. When a collection of her poems was published in 1984, Eisenberg began to receive letters from her counterparts in other trades and other regions of the country. Her ensuing dialogue with a national community of tradeswomen inspired the poems in Pioneering.
