

We Were Warriors: A Powerful And Moving Story Of Courage Under Fire

Azure-colored oceans blending into bright turquoise at the shores, undulating hills of green surrounding crystal clear lakes, and rolling sand dunes brushed with light blue...man-made monuments that have withstood the march of time from the pyramids to Hadrian's Wall--are rich memories of Ellen and Stephen Williams' adventures. Eating brik in Tunisia and churchkhela in Tblisi! Drinking kvas in Ukraine! Passing up lavabread in Wales—all were adventures that nearly didn't happen. Ellen did not want to leave her comfortable home in Texas. Content with their rural life but forced to relocate due to her husband's job she reluctantly began her move to Germany. She was a foot-dragging-don't-want-to-move-wife. Determined to make the best of a challenging situation she and her husband soon embarked on a plan--to experience as much of the region surrounding the Mediterranean Sea as possible. Within months Ellen and Stephen developed a passion for touring. Faced with language barriers, clashes of culture and cuisine they followed their plan with a vengeance visiting over 30 countries in the space of three years. Their frequent trips within a short

Read Book We Were Warriors: A Powerful And Moving Story Of Courage Under Fire

period of time gave them a unique overview of the region. They could spot historical and cultural linkages between people and their respective countries. They saw the crossovers and mingling of traditions and languages. Soon they became the consummate travelers. Many friends began asking for recommendations of their favorite locale. Chronicled here are their adventures, misadventures, faux pas and joys as they grow from fledgling sightseers to consummate travelers. Journey with them as they realized the more you discover about other people and cultures, the more you ultimately learn about yourself. After reading the book perhaps you, too, will also learn to say in French Bon Voyage, in Spanish Buen Viaje, and in German Gute Reiser—In short, Happy Travels!

Young Sam led a busy and mundane life. Between managing a part-time job and school simultaneously, his passion for football was his only solace. He had only a couple of friends to call his own, unsure of where his family was. His life was torn asunder after he started hearing a mysterious voice and befriended a new girl at school, Elizabeth Swift. He learned the truth about the voice within him. It was his soul: Frazen, who was speaking to him. Now, he and his friends must make a perilous journey to the most desolate place in the world to release Frazen and others into another dimension: a magical world where they belonged, one where a war has been raging for a

Read Book We Were Warriors: A Powerful And Moving Story Of Courage Under Fire

century, guided by an ancient prophecy. Driven suddenly into the heat of battle, fumbling between legends and myths from the past and unearthing deep secrets about himself and his family, can Frazer end the war? Can he restore order and find peace before a wicked veil covers Sam's material world?

A TASTE FOR WRITING: COMPOSITION FOR CULINARIANS, Second Edition is the ideal resource to help culinary arts students and professionals master key grammar principles and writing practices while learning to express themselves as confidently on the page as they do in the kitchen. The author's signature writing style is engaging and accessible. Drawing on the language of food and cooking, she explains even the most difficult topics in a way sure to spark students' interest and encourage mastery of the material. Key concepts are brought to life through the analysis of student and professional writing samples, as well as the use of vivid examples from the food industry and popular culture. A variety of exercises leads students through all phases of the writing process, from the creative right-brain activities of generating ideas and writing a first draft to the analytical left-brain skills required for effective revision and editing. Although created specifically for culinary arts students and professionals, this one-of-a-kind book can be used by all readers to develop their skills in - and taste for -

War and Beyond

The beauty of the North Idaho Mountains pulls Patrick and Grace McPherson to spend their first winter months of retirement at their cabin in the high mountains on Porcupine Pond. Ready to head back home to Tamarack Landing for Christmas, the snowstorm of the century traps them in their cabin for weeks. They soon realize they are not alone. As they search frantically for a way out of the mountains, their fear

Read Book We Were Warriors: A Powerful And Moving Story Of Courage Under Fire

turns to terror as they are stalked by something unseen, yet deadly. About the Author C. A. Wilson is a native of the Pacific Northwest. Retired, she currently lives with her husband in the mountains of North Idaho where she enjoys snowmobiling, four-wheeling, and gold panning.

Combining heart-stopping action with powerful insights into the reality of war, *We Were Warriors* is one man's journey from young commando to a captain with one of the most pressurized and skilled jobs in the army. A captain in 29 Commando, Johnny Mercer served in the army for twelve years. On his third tour of Afghanistan he was a Joint Fires Controller, with the pressurized job of bringing down artillery and air strikes in close proximity to his troops. Based in an area of northern Helmand riddled with Taliban leaders, he walked into danger with every patrol, determined to protect them. Then one morning, in brutal close quarter combat, everything changed. In this powerful memoir, Johnny takes us from his commando training to the heat, blood, and chaos of battle. With brutal honesty, he describes what it is like to risk your life every day, pushing through the fear that follows watching your friends die. He took the fight back to the enemy with a relentless efficiency that came at a high personal cost. Back in the UK, seeing the inadequate care available for veterans and their families, he was inspired to run for Parliament in the hope he could

improve their plight. Unflinching, action-packed, and laced with wry humour, *We Were Warriors* is a compelling read.

One of America's earliest books and one of the most important early Pilgrim tracts to come from American colonies. This book helped persuade others to come join those who already came to Plymouth. Otilie Kingsford's perception of her world has changed rapidly since Loki and Thor fell into her life. With the nine realms in danger and schemes of vengeful Gods coming to light, she found the adventure she always longed for, but it comes at a price. London is falling beneath the constant waves of chaos. With Ragnar?k raging across the nine realms unchecked and all attempts to stop it a failure, Tillie, Thor, and Loki are facing dangers they never saw coming. The gears of Ragnar?k keep turning unhindered, but someone is controlling the levers. Tillie promised to spill blood for her gods, and she has her targets in sight. Tillie will knock down the thrones of old gods as retribution for their sins. The nine realms burn to ash as the real monsters reveal themselves. Ragnar?k cannot be stopped, but Tillie will not back down. If it takes her dying breath, the favored will fall. . .

When We Were Vikings

We Were Warriors Once is a military-political suspense novel. It chronicles the careers of four officers from the 1960s to the 1990s. Military promotions are based on an up-or-out system you either progress within specified time frames or you get left behind. Many officers who retire from their military careers at the Pentagon go through the revolving door and return in short order either as defense contract employees or civil servants. Not infrequently, they return to the same office where they worked before retiring. The same holds true for many political appointees. Men who once worked in Washington go off for a period to high-level assignments with defense contractors and return to influential positions in government. These revolving doors can sometimes have unintended negative consequences. President, and former five-star general, Dwight D. Eisenhower's warning against the power of the military-

Read Book We Were Warriors: A Powerful And Moving Story Of Courage Under Fire

industrial complex is well known. However, that complex is actually tri-foldmilitary, industrial, and political. We Were Warriors Once incorporates revised editions of two previously published novels, Duty and Character and Wrong Enemy, Wrong War, with entirely new material that plumbs deeper into the defense contractors influence on national defense policies. The officers who wear the uniforms of the United States armed forces are by in large extraordinarily dedicated men and women. But in the profession of war, sometimes even the best are tempted at times to stray from the straight and narrow.

It started before the Big Bang. Soon, religion and quantum physics will merge and the reason behind human life will be exposed.The human brain and the message of truth in our feelings will combine bringing a wonderful gift; and earth's civilization will reach its zenith.Meanwhile, powerful spirits and evil forces are approaching; a clash is on its way. The golden warriors are here.

A New Zealand classic, this novel is a raw and powerful

From Young Braves to Mighty Warriors is my best recollection and story of how we, as a community, a school, and a group of determined and dedicated young men, overcame incredible obstacles and challenges to build a powerful football program that won the Group A Virginia High School League State Championship in 1970 and four consecutive Region C championships in the six short years that I had the privilege of serving as head football coach. This book is also a tribute to the mental toughness and dedication to a common cause of hundreds of young men who proudly wore the orange-and-black for the Chilhowie Warriors from 1966 to 1973.

'An adrenalin-fuelled, gritty story of heroism on the frontline in Afghanistan' - Andy McNab Unflinching and laced with wry humour, Johnny Mercer's We Were Warriors is an action-packed account of his journey from young commando to a captain with one of the most pressurized and skilled jobs in the army. A captain in 29 Commando, Johnny Mercer served in the army for twelve years. New Releases “Zelda is a marvel, a living, breathing three-dimensional character with a voice so distinctive she leaps off the page.” —The New York Times “Heartwarming and unforgettable.” —People For Zelda, a twenty-one-year-old Viking enthusiast who lives with her older brother, Gert, life is best lived with some basic rules: 1. A smile means “thank you for doing something small that I liked.” 2. Fist bumps and dabs = respect. 3. Strange people are not appreciated in her home. 4. Tomatoes must go in the middle of the sandwich and not get the bread wet. 5. Sometimes the most important things don’t fit on lists. But when Zelda finds out that Gert has resorted to some questionable—and dangerous—methods to make enough money to keep them afloat, Zelda decides to launch her own quest. Her mission: to be legendary. It isn’t long before Zelda finds herself in a battle that tests the reach of her heroism, her love for her brother, and the depth of her Viking strength. “A most welcome and wonderful debut” (Tyrell Johnson, author of *The Wolves of Winter*), *When We Were Vikings* is an uplifting debut about an unlikely heroine whose journey will leave you wanting to embark on a quest of your own, because after all...we are all legends of our own making.

veterans to a life of renewed service, volunteering to battle, hurricanes, tornados, wildfires, pandemics, and civil wars, and inspiring onlookers as their unique military training saved lives and rebuilt our country. When Jake Wood arrived in the States after two grueling tours in Iraq and Afghanistan, he watched his unit lose more men to suicide than to enemy hands overseas. Reeling, Jake looked for a way to direct their restlessness towards a new mission--and put their formidable skills to good use. When an earthquake struck Haiti in 2010, Jake had his answer. He convinced several fellow veterans to join him on a ragtag mission to provide desperately needed aid. Despite the high stakes, they were able to untangle complex problems quickly and keep calm under pressure. In this raw, adrenaline-filled narrative, Jake recounts, how, over the past 10 years, he's built the disaster response organization Team Rubicon, and seen the work provide a lifeline back to purpose for the heroes among us. Not only do these intrepid volunteers race against the clock to aid communities after Hurricane Sandy, Hurricane Harvey, COVID-19, and hundreds of other disasters; they also fight for something just as important--each other. Once a Warrior provides a soaring look at what our veterans are capable of--and what might become of America's next greatest generation.

#1 New York Times Bestseller Oprah's Bookclub 2016 Selection "Riveting...a worthy investment...this book has real wisdom." —New York Times Book Review "A book with so much painful truth packed into its pages that every person who's ever married or plans to marry should really give it a read." —Chicago Tribune "Provocative....I adore her honesty, her vulnerability, and her no-nonsense wisdom, and I know you will, too."

Read Book We Were Warriors: A Powerful And Moving Story Of Courage Under Fire

—Oprah Winfrey "This memoir isn't really about Glennon rebuilding her relationship with her husband; it is about Glennon rebuilding her relationship with herself. Utterly refreshing and...badass." —Bustle.com The highly anticipated new memoir by bestselling author Glennon Doyle tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out—three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list—her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom was a familiar place. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. *Love Warrior* is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one another—and it captures the beauty that unfolds when one couple commits to unlearning everything they've been taught so that they can finally, after thirteen years of marriage, commit to living true—true to themselves and to each other. *Love Warrior* is a gorgeous and inspiring account of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.

to understand the human heart.

New York Times Bestseller: A “powerful and epic story . . . the best account of infantry combat I have ever read” (Col. David Hackworth, author of About Face). In November 1965, some 450 men of the First Battalion, Seventh Cavalry, under the command of Lt. Col. Harold Moore, were dropped into a small clearing in the Ia Drang Valley. They were immediately surrounded by 2,000 North Vietnamese soldiers. Three days later, only two and a half miles away, a sister battalion was brutally slaughtered. Together, these actions at the landing zones X-Ray and Albany constituted one of the most savage and significant battles of the Vietnam War. They were the first major engagements between the US Army and the People’s Army of Vietnam. How these Americans persevered—sacrificing themselves for their comrades and never giving up—creates a vivid portrait of war at its most devastating and inspiring. Lt. Gen. Moore and Joseph L. Galloway—the only journalist on the ground throughout the fighting—interviewed hundreds of men who fought in the battle, including the North Vietnamese commanders. Their poignant account rises above the ordeal it chronicles to depict men

Read Book We Were Warriors: A Powerful And Moving Story Of Courage Under Fire

facing the ultimate challenge, dealing with it in ways they would have once found unimaginable. It reveals to us, as rarely before, man's most heroic and horrendous endeavor.

Extrapolating the lessons learned through years of studying martial arts techniques and philosophies, Martin Bartel has become a successful businessman and entrepreneur. He has discovered that the possibilities for learning are endless, and that the knowledge gained through the practice of the martial arts is a conduit to success in all aspects of life. He has discovered what it takes to be a 'well-rounded' warrior. Readers need not be martial artists to join Mr. Bartel in this journey toward personal power, success, and happiness. Discover that 'who you are' is the key to 'what you are.' Discover that we have the tools to 'fight the good fight' and win! Discover that We are Warriors.

three energetic centers in a woman's body-sex, spirit, and strength- called the Energetic Triangle, through sharing various physical, spiritual, and energetic techniques of Eastern and Western origin that ultimately help increase a woman's overall energy and self-esteem. Meloney Hudson is a teacher of women's empowerment workshops based on Tantric and Western principles and has made it her personal mission to empower women to change themselves and popular perceptions of women for the betterment of the planet. She compiles simple, yet powerful, exercises designed to restore each of the three energetic areas. She also includes many resources that women can explore to deepen self-growth and learn more about women's history. While centering on the methods needed to achieve a healthy Energy Triangle, Hudson also teaches how to: Build sexual and spiritual energy Discover a connection to spirit Increase self-esteem Nurture and express the feminine soul Achieve life-changing goals Through the techniques offered in this insightful guidebook, women everywhere will be inspired to feel loving, joyful, healthy, and capable of attracting and creating a beautiful destiny.

LIFE IS A BATTLE, AND WE ARE ALL SOLDIERS.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Becoming a Positive Energy Woman

The Warrior's Path

This book addresses cross-cultural representations of ethnic minority peoples by dominant society 'outsiders' and indigenous self-representation in the context of the 'New Media Nation'. In doing so, it explores the role of language, culture, identity and media in liberation struggles and the emergence of new political entities, and opens up issues of colonial oppression to public debate. It is intended to help inform policy in a variety of settings. Grounded in current perspectives on diaspora and homeland and drawing on Alia's work on minorities, media and identity as well as Bull's work on Maori socio-cultural issues and criminalisation of minorities, this volume offers a comparative, international perspective on the experiences of a broad range of ethnic minority peoples. These include Inuit and First Nations people in Canada; Native Americans and African Americans in the United States; Sami in northern Europe; Maori in New Zealand; Aboriginal people in

Australia and Roma in Ireland and Britain.

The fur trade that rode the Canadian river highway from York factory to the West was dwindling, and the settlers, following the missionaries, are moving in to claim the new land. John and Adolphe, among these early pioneers, emigrated from Scotland and France to travel west, where they meet Father Lacombe, Louis Riel, and the women who will teach them how to straddle two cultures. Métis women, fairer than the men, and uncommonly pretty, open the eyes of these voyagers, their minds, and their hearts. "Once again, Lillian Ross has demonstrated her knowledge of and compassion for Canadian history. Mewassin: The Good Land is a clever portrayal of history through the eyes of the people who made it." — Eric J. Brown, Magnolia Press, author of Ginny & Anna "Mewassin: The Good Land is filled with great characters, stirring events, and much history. It is a great read, and possibly her best yet!" — Charles O. Goulet, historical novelist

The founder of Blackwater offers the gripping true story of the world's most controversial military contractor. In 1997, former Navy SEAL Erik Prince started a business that would recruit civilians for the riskiest security jobs in the world. As Blackwater's reputation grew, demand for

Read Book We Were Warriors: A Powerful And Moving Story Of Courage Under Fire

its services escalated, and its men eventually completed nearly 100,000 missions for both the Bush and Obama administrations. It was a huge success except for one problem: Blackwater was demonized around the world. Its employees were smeared as mercenaries, profiteers, or worse. And because of the secrecy requirements of its contracts with the Pentagon, the State Department, and the CIA, Prince was unable to correct false information. But now he's finally able to tell the full story about some of the biggest controversies of the War on Terror, in a memoir that reads like a thriller.

Tarzan. Odysseus. Zorro. Your favorite characters come back to life in new and exciting escapades in this must-have anthology. In this inventive collection, a stellar cast of writers uses classic adventure tales as a launch pad for an eclectic mix of prequels, alternate universes, spin-offs, and total reboots. Imagine Ahab is shipwrecked on an island of cannibals, or Mr. Hyde tells his side of the story, or the scarecrow from Oz struggles with the mystery of his existence. By turns wry and haunting, My Name Was Never Frankenstein upends old territory and classic characters to reclaim them for a new generation. "Editor Bryan Furuness explains that while this playful collection of 14
