How do little kids grow up to become inspiring leaders? Find out in this beautiful board book for little ones with big dreams. Everyone, from Nelson Mandela to Ruth Bader Ginsburg, was once a small child learning about the world. Read how a diverse array of kids discovered what they were passionate about, worked hard, and followed their dreams to make a positive difference as adults. With adorable illustrations of leaders as young kids, then as inspiring adults, these leaders will seem like friends to your little one, and kids will see that great leadership and change really can be achieved by anyone. Meet lawyer and jurist Ruth Bader Ginsburg who learned the value of education and independence from her mother, young Nelson Mandela whose childhood experiences led him to challenge racist behavior, Mohandas (Mahatma) Gandhi as he grew from a shy young boy into a respected leader who let peaceful protests do the talking, and Emmeline Pankhurst whose understanding of the world motivated her to fight for gender equality. Let your little one turn the pages and see that, like these incredible individuals, they can strive for positive change, make a difference, and become successful leaders of the future. Turn the pages and be inspired by: Ruth Bader Ginsburg, Nelson Mandela, Emmeline Pankhurst, Mahatma Gandhi, Rosemarie Kuptana, Martin Luther King, Ellen Johnson Sirleaf, and Franklin Delano Roosevelt.

When I Grow Up... Great Leaders

Maggie is a young girl with a love for music and a head full of dreams. Let the rhyming text and familiar song titles guide you as you enjoy Maggie's sweet search for her song.

How to Raise Kids Who Aren't Assholes is a clear, actionable, sometimes humorous (but always science-based) guide for parents on how to shape their kids into honest, kind, generous, confident, independent, and resilient people...who just might save the world one day. As an award-winning science journalist, Melinda Wenner Moyer was regularly asked to investigate and address all kinds of parenting questions: how to potty train, when and whether to get vaccines, and how to help kids sleep through the night. But as Melinda's children grew, she found that one huge area was ignored in the realm of parenting advice: how do we make sure our kids don't grow up to be assholes? On social media, in the news, and from the highest levels of government, kids are increasingly getting the message that being selfish, obnoxious and cruel is okay. Hate crimes among children and teens are rising, while compassion among teens has been dropping. We know, of course, that young people have the capacity for great empathy, resilience, and action, and we all want to bring up kids who will help build a better tomorrow. But how do we actually do this? How do we raise children who are kind, considerate, and ethical inside and outside the home, who will grow into adults committed to making the world a better place? **How to Raise Kids Who Aren't Assholes** is a deeply researched, evidence-based primer that provides a fresh, often surprising perspective on parenting issues, from toddlerhood through the teenage years. First, Melinda outlines the traits we want our children to possess--including honesty, generosity, and antiracism--and then she provides scientifically-based strategies that will help parents instill those characteristics in their kids. Learn how to raise the kind of kids you actually want to hang out with--and who just might save the world.
