

Where's Wally? At Sea: Activity Book

Young readers are invited to find Waldo and his friends, and a variety of other details, hidden in illustrations of environments from a swamp full of insects to a Viking camp, and to solve mazes, word squares, and other related puzzles.

A fun seek and find book, the sequel, all about Festivals.

Join Waldo and friends on four fantastic adventures in search of treasures while doing activities and solving puzzles using brain power and a pen. Seek out four lost treasures (a shell, a gem, a feather, and a star) as you play games at sea, across landscapes, up in the sky, and in outer space. Divided into four journeys, this hands-on book is packed with hundreds of searches as well as mazes, word puzzles, matching games, quizzes, spot-the-difference activities, riddles, tangle line teasers, and more. Add the end-of-book checklists with lots of extra things to find and you have hours of mind-bending fun to return to again and again. Tremendous!

Using the special pen provided, young children can trace over the capital letters, wipe off and repeat. Little ones need lots of practice controlling a pen as they start writing and this book allows endless opportunities for that. Friendly monsters take children through the whole alphabet, one step at a time.

LEGO City: Santa Surprise Activity Book

A quirky, creepy fantasy set in Eerie-on-Sea finds a colorful cast of characters in hot pursuit of a sea monster thought to convey a surprising gift. It's winter in the town of Eerie-on-Sea, where the mist is thick and the salt spray is rattling the windows of the Grand Nautilus Hotel. Inside, young Herbert Lemon, Lost and Founder for the hotel, has an unexpected visitor. It seems that Violet Parma, a fearless girl around his age, lost her parents at the hotel when she was a baby, and she's sure that the nervous Herbert is the only person who can help her find them. The trouble is, Violet is being pursued at that moment by a strange hook-handed man. And the town legend of the Malamander — a part-fish, part-human monster whose egg is said to make dreams come true — is rearing its scaly head. As various townspeople, some good-hearted, some nefarious, reveal themselves to be monster hunters on the sly, can Herbert and Violet elude them and discover what happened to Violet's kin? This lighthearted, fantastical mystery, featuring black-and-white spot illustrations, kicks off a trilogy of fantasies set in the seaside town.

Christmas is coming, and Santa with it—if you can only find him! Luckily, Waldo fans have a cool wand to help them spotlight the jolly old guy in the dark. Shake your sleigh bells, pull on your holiday sweater, and join in the festive madness! These nighttime scenes are bustling with Santas getting ready for Christmas Eve. With the help of a magic slider to light up one spot at a time, can you find some very specific Santas—like the one whose stocking is threadbare? Or the ones who are slimmer than most? And by the way, where are Waldo and all his friends--Wenda, Odlaw, Wizard Whitebeard, and Woof?

Featuring super-challenging searches as well as puzzles and games, Santa's Spotlight Search promises many hours of merriment for seasoned Waldo fans and new followers alike.
