

You'll find them too, they're just around the corner, When I leave you, surrender your soul and you'll find them sooner, Oh, you pretty boy with golden hair, I shan't forget your dark blue eyes until I see another pair! Find your joy in the embrace of another, Just like us, it will be forever, but, alas!, you won't remember. Don't be sad, you're only sixteen, don't let your glee for life fade, Who knows, maybe we'll meet again, Niederlager Schade! ----- Hiya! Welcome to the WOW world! WOW stands for Worldwide Optimized Wellbeing, of course, silly! After we'd conquered all the challenges of the modern world: sustainability, injustice, war - we turned to ourselves - we wanted humankind to be the best that it could ever be - we wanted to be our own best life coaches - our own most inspiring influencers - we wanted to be happy - all the time - forever! We wanted to feel like Gods! Nah, we wanted to be Gods! A new technology had enabled us to naturally align and optimize human hormones and neurotransmitters by using simple electromagnetic fields and electric relays - all at the tap of a touchscreen! Don't ask how - just say WOW! We're all in the WOW now ("WOW now", get it?) - and we're all happy - forever happy! Happiness is literally beneath our fingertips: whenever we need a little boost - we just tap the WOW device on our left wrist! Wow, right? WOW is right! The WOW is continuously upgraded for the optimal user experience. The major upgrades are usually scheduled to happen during the night while we're all fast asleep and while we dream our WOW dreams! For one of our happy people, a 16-year-old boy by the name of Niederlager Schade, Ned for short, the upgrade, unfortunately, got stuck during the night, so, the next morning when he awoke - he woke up outside of our amazing WOW world! That's so sad, isn't it? And then, for just a few days, he was forced to live without us, he was forced to feel miserable because he was stuck: stuck in your world! We missed Ned, and he missed us too - terribly, and who could blame him, right? This is his story, his recounting of those few days he had spent without us - us, the happy people. He experienced the world as the only human being outside of our happy world - outside the WOW - and he witnessed the truth - the truth about your miserable world! Don't worry, Ned is back with us now, we made sure of that - and he's happy again - now and forever - just like we are! You know what? Don't you want to be happy forever too? Why don't you join us? We always take care of ourselves and our own! We do it! We, the happy people! ----- "I suppose it was destiny that you and I should meet each other, even if it is in such an artificial manner. Ha, artificial... that's a good one! What is not artificial in this world? On the other hand, what is real? It's all real! The unreal real! A parallel universe? A psychoanalyst's cul-de-sac? Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we can ' t remember if we have read it or not. And that ' s a shame We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That ' s not good. This summary is taken from the most important themes of the original book. Most people don ' t like books. People just want to know what the book says they have to do. If you trust the source you don ' t need the arguments. So much of a book is arguing its points, but often you don ' t need the argument if you trust the source you can just get the point. This summary takes the effort to distill the blahs into themes for the people who are just not going to read the whole book. All this information is in the original book.

What would your reaction be if assaulted at knifepoint? If you were kidnapped or were at the mercy of a lunatic for hours? If you remained alive...would you contact the authorities? Thousands of women are attacked every year, but only an estimated 1 in 20 ever reports the incident to the police. Just 1 in 10 of those ever follows through with the process of pressing charges, and only 1 in 10 of those remaining ever sees the inside of a courtroom. This allows too many criminals to continue to freely roam the streets, able to viciously attack again & again. This story is a completely true account of an assault & abduction, where the victim was fortunate enough to be able to walk away unharmed, and the 6 months of various events that followed. Every woman, from young teens to the elderly should read the information contained in these pages...something in them may someday be very useful and save their lives...or help put their attacker behind thick, steel bars in prison.

What is the Black Ass Customer Service eBook? Good question! The Black Ass Customer Service eBook is a quick customer service guide for all black owned businesses: Are you looking to get your business started? Did you just get your business started? Have you already had your business up and running for some time? If one of these three questions apply to you, then this book IS FOR YOU! I can't tell you the countless number of times I have heard people say how much they want to support Black Owned Businesses, however, one bad customer service experience ruins it for the rest. But here's my thing, no one teaches you how to provide great customer service, many small businesses cannot afford to train their staff to provide proper customer service, and lastly, you either got it or you don't; but no worries, that is EXACTLY what this eBook is for, those who don't...and for those who do, but just want to brush up! Now I know what else might've crossed your mind...who the hell is MissJLH and what makes her so qualified? Well, allow me to introduce myself, my name is Jasmine, I also go by MISSJLH, and I have worked in customer service for over 12 years. While every retail/restaurant position has not always been favorable, I LOVE people. No REALLY, I love people. I even majored in communications (2x) to sharpen my people skills, go figure! The intention of this book is to lend a hand to black owned businesses so let's start here!

I don't want you. You mean nothing to me. I never loved you. I turned my words into swords. And I cut her down. Shoved the blade in and watched her fall. I said I'd never hurt her and I did. Years later I'm faced with all the little lies, the untruths, the false realities, the damage I inflicted when all I wanted was to indulge in my obsession. Lavender Waters is the princess in the tower. Even her name is the thing fairy tales are made of. I used to be the one who saved her. Over and over again. But I don't want to save her anymore. I just want to pretend the lies are still the truth. *Little Lies is a 105k standalone new adult romance.
