This 2021 edition of our review book is for exams between January 1, 2021 and December 31, 2021. At Least Know This publishes a 24-page review for Auditing and Attestation. Our books are meticulously researched, and we write and presented with simplicity and clarity. We do not believe students need to memorize 300 pages of review to pass the CPA exam. And, given fewer pages, we find that students have greater retention. To shorten our books, we use wider page margins, decrease font, and eliminate redundancy. We use tables because they structure and

proven study aid filled with exam tips, fundamental concepts, and in-depth examples. Our authors have used their years of personal teaching experience with students from a variety of backgrounds to develop study guides that improve the study experience of CFA Level I candidates and include practical and helpful tips and test-taking advice though-out the text. The color-coding feature, which makes it easier for you to follow cases and examples that make references to graphs and sets of financial statements.

2017 Study Guide: Financial Accounting And Reporting (Wiley Cpa Exam Review)

Most subjects, especially Economics, Portfolio Management and Fixed Income use plenty of figures and diagrams to illustrate important concepts. Our study guides include all those figures and additional commentary to make the material easily understandable. “Just wanted to let you know I am VERY happy with the notes. Much more clear than other providers!” - Brian, USA “The Study Guides were more clearly and thoroughly (and yet somehow more concisely!) written than the
