You're a Big Sister

You're the Biggest

You're going to be a big sister! Hooray! Celebrate the arrival of a new sibling with this adorable story that captures all the emotions a big sister feels when bringing home a new baby. Told in playful, rhyming text, this relatable story is a must-have for those about to take on the important role as big sister! Perfect new sibling gift! Wonderful resource for families adding a new baby to the family Little ones will love seeing all the sweetly illustrated scenes of baby and sibling interactions Touches on themes of sharing, empathy, patience, responsibility, and bonding Hardcover picture book perfect for special reading time together. This story is perfect for your storytime rotation before and after baby is born!

Sam's mommy is pregnant and Sam is going to be a big brother. In this story Sam learns about preparing for the new baby's arrival and what it truly means to be a big brother.

Mom and Dad told me I am going to be a big sister. "No thanks," I said. "We already have me." Becoming a big sister is a big change. New babies need lots of attention even though they don't do very much when they're little. But after all the eating, sleeping, and going potty, babies need their big sisters! Beloved bestselling author and illustrator Marianne Richmond shares the humorous journey—and joyful ending—of one child's experience that'll resonate with the little girl in your life. Big Sister is a new classic that's sure to bring together the sister-to-be and the whole expanding family!

From the creator of Peanut Butter & Cupcake comes a story about becoming a big sibling, with plenty of love to spread around. Peanut Butter's mom has a bun in the oven, and Peanut Butter is going to be a big brother! He's pretty excited, but also a little bit scared. Just what does a big brother do? Luckily, Peanut Butter has just the right friends to ask. Apple Pie has two little brothers, Blueberry and Cherry, and she makes it look easy. Cucumber is definitely a cool older sibling to little Dill Pickle. And Big Cheese is clearly an important friend to ask. But do any of them know how to teach Peanut Butter what to do? Will any of them be able to help him crack this nut? Terry Border brings back everyone's favorite slice of bread in his latest food- and fun-filled book, which celebrates siblinghood in all forms, whether crunchy, smooth, or anywhere in between.

I'm Going to be a BIG BROTHER!

Best-ever Big Brother

Big Brother is a striking novel about siblings, marriage, and obesity from Lionel Shriver, the acclaimed author the international bestseller We Need to Talk About Kevin. For Pandora, cooking is a form of love. Alas, her husband, Fletcher, a self-employed high-end cabinetmaker, now spurns the “toxic” dishes that he’d savored through their courtship, and spends hours each day to manic cycling. Then, when Pandora picks up her older brother Edison at the airport, she doesn’t recognize him. In the years since they’ve seen one another, the once slim, hip New York jazz pianist has gained hundreds of pounds. What happened? After Edison has more than overstayed his welcome, Fletcher delivers his wife an ultimatum: It’s him or me. Rich with Shriver’s distinctive wit and ferocious energy, Big Brother is about fat: an issue both social and excruciatingly personal. It asks just how much sacrifice we’ll make to save single members of our families, and whether it’s ever possible to save loved ones from themselves.

"A little girl gets used to sharing her parents with her baby brother and realizes there are some benefits to being a big sister now. Includes a Note to parents"--Provided by publisher.

Share the joys of becoming a big brother!With the arrival of a new baby comes many transitions, and big brothers may need a little extra tender loving care to adjust to a new family situation. This sweet story with adorable toddler illustrations by Caroline Jayne Church is just right to share with and prepare an older brother getting ready for an expanding family.

The New York Times praised this best-selling picture book as "adorable, original, well-illustrated and fabulous." In this first book in the How-To Series (which includes How To Get Married and How to Get a Job), the know-it-all big sister narrator tells it like it is: When you're a baby you don't read books. You eat them. You don't know how old you are, or even if you're a boy or a girl. And you have to keep a special plug in your mouth to stop your scream from coming out. But one day, you won't be little anymore, and then you'll be taller and smarter, and actually quite clever. Like the narrator. And you'll be able to share memories of what it was like when you were little with your incredible Big Sister.

It's Big Sister Time!

A baby sister is on the way! Older siblings will love this board book primer on how to receive their new addition. A baby sister is joining the family! That’s great news, but older siblings may be a bit uncertain. Fortunately for them, this rhyming board book addresses what to expect: “Your sister will drool. She will smell. She will scream. She just might pull your hair. She’ll do things that seem mean.” The text, accompanied by irresistible art from renowned illustrator Sam Williams, also explains how older kids can be role models to their new little sister: “You can be her first teacher. Show her things that you know. Give her patience and love, she’s just starting to grow.” At the back of the book, there’s even designated space for older siblings to write about their new baby sister. This book is a great gift for the new big brother or big sister to be! And a great gift for parents, too! Sam Williams’s Baby Cakes has sold more than 65,000 copies!

Are you having a baby & looking for a way to introduce your older child to a change to the family unit? Or are you a family or friend looking for a gift for second/third time parents? Then this modern & beautifully illustrated book is for you. In this book kind, wise Teddy Bear uses the colours of the rainbow to explain the mix of emotions a child may feel when becoming a Big Brother. The child is reassured that there is room for two, and that a newborn brings even more warmth and love than there was before. Scary emotions like jealousy or worry are dealt with in this book in a comforting way so that children learn that it's ok to talk about any emotions they may feel. With brilliant rhythmic verse, fun, bright and distinctive illustrations - this is a firm favourite with children and parents alike! We would love to hear your thoughts and opinions on this book! To do so, please leave a review of the product on Amazon.com.

Older brothers describe what they can do compared to their baby brothers or sisters.

This sweet rhyming story is the perfect way to help any new big brother learn what to expect when a new baby arrives, work through his fears, and reassure him that although things will change, they will only change for the better! Written by best-selling author David Bedford, a perfect book to share.

America's most popular progressive radio host and New York Times bestselling author Thom Hartmann reveals how the government and corporate America misuse our personal data and shows how we can reclaim our privacy. Most Americans are worried about how companies like Facebook invade their privacy and harvest their data, but many people don't fully understand the details of how their information is being adapted and misused. In this thought-provoking and accessible book, Thom Hartmann reveals exactly how the government and corporations are tracking our every online move and using our data to buy elections, employ social control, and monetize our lives. Hartmann uses extensive, vivid examples to highlight the consequences of Big Data on all aspects of our lives. He traces the history of surveillance and social control, looking back to how Big Brother invented whiteness to keep order and how surveillance began to be employed as a way to modify behavior. As he states, "The goal of those who violate privacy and use surveillance is almost always social control and behavior modification." Along with covering the history, Hartmann shows how we got to where we are today, how China—with its new Social Credit System—serves as a warning, and how we can and must avoid a similarly dystopian future. By delving into the Constitutional right to privacy, Hartmann reminds us of our civil right and shows how we can restore it.

A boy imagines amazing adventures he will have when his brother arrives home.
