

A Desirable Residence Madeleine Wickham

Chloe needs a holiday. She's sick of making wedding dresses, her partner Philip has troubles at work, and the whole family wants a break. Her wealthy friend Gerard has offered the loan of his luxury villa in Spain--perfect. Hugh is not a happy man. His immaculate wife Amanda seems more interested in her new kitchen than in him, and he works so hard to pay for it, he barely has time for his children. Maybe he'll have a chance to bond with them on holiday. His old friend Gerard has lent them a luxury villa in Spain--perfect. Both families arrive at the villa and realize the awful truth--Gerard has double-booked. What no one else realizes is that Chloe and Hugh have a history; and as tensions rise within the two families, old passions resurface. It seems that Gerard's 'accidental' double booking may not be an accident after all...

Workaholic attorney Samantha Sweeting has just done the unthinkable. She's made a mistake so huge, it'll wreck any chance of a partnership. Going into utter meltdown, she walks out of her London office, gets on a train, and ends up in the middle of nowhere. Asking for directions at a big, beautiful house, she's mistaken for an interviewee and finds herself being offered a job as housekeeper. Her employers have no idea they've hired a lawyer-and Samantha has no idea how to work the oven. She can't sew on a button, bake a potato, or get the #@%# ironing board to open. How she takes a deep breath and begins to cope-and finds love-is a story as delicious as the bread she learns to bake. But will her old life ever catch up with her? And if it does...will she want it back?

party, nothing will be quite as certain. While the couples' children amuse themselves with pony rides and rehearsals for a play, the adults suffer a series of personal revelations and crises. Now in *Babyville*, she applies her golden touch to the next phase of a girl's life, in an irresistible new novel about two young women coping with the chimes of their biological clocks, and one independent glamour-girl who tries to tune hers out. Meet Julia, a wildly successful television producer who appears to have the picture-perfect life. But beneath the surface, things are not as perfect as they seem. Stuck in a loveless relationship with her boyfriend, Mark, Julia thinks a baby is the answer . . . but she may want a baby more than she wants her boyfriend. Will a trip to New York City with a jet-setting friend—and all the glittering energy and eligible men the city brings—help her discover what she really needs? Maeve, on the other hand, is allergic to commitment. A feisty, red-haired, high-power career girl, she cherishes her ability to do just as she pleases and breaks out in a rash every time she passes a stroller. But when her no-strings-attached nightlife leads to an unexpected pregnancy, her reaction may be just as unexpected. And then there's Samantha—happily married and eager to be the perfect June Cleaveresque mother. But baby George brings only exhaustion, extra pounds, and marital strife to her once tidy life. Is having an affair with a friend's incredibly sexy husband the answer? By turns witty, rollicking, and tender, *Babyville* isn't really a story about babies—it's about three friends whose lives are suddenly turned upside-down by that life-changing event that hangs over the head of every girl: motherhood.
