'An explosive read... Characters, dialogue and plot were superb.' NetGalley reviewer, 5 stars

'Absolutely loved it... The characters were some of the best I've read in a long time.' Angela Marsons, no. 1 bestselling author of the Kim Stone series

Is America on a collision course with God? There is a direct correlation between the alarming number of massive disasters striking America and her leaders pressuring Israel to surrender her land for "peace." Costing hundreds of lives and causing hundreds of billions of dollars' damage, dozens of disasters including devastating earthquakes, raging fires, hurricanes, floods, tsunamis, and violent tornadoes have hit America—and always within twenty-four hours of putting pressure on Israel. What can you do as an individual—and what can America do—to change the direction of our country in relation to Israel and prevent the increasing number of calamities?

An FBI agent must protect the woman who can identify a terrorist bomber in bestselling author Susan Sleeman's riveting romantic suspense novel. Each day could be her last...but not if he can help it. Tara Parrish is the only person ever to survive an attack by the Lone Wolf bomber. Scared and emotionally scarred by her near death, she goes into hiding with only one plan--to stay alive for another day. She knows he's coming after her, and if he finds her, he will finish what he started. Agent Cal Riggins has had only one goal for the past six months--to save lives by ending the Lone Wolf's bombing spree. To succeed, he needs the help of Tara Parrish, the one person who can lead them to the bomber. Cal puts his all into finding Tara, but once he locates her, he realizes if he can find her, the Lone Wolf can, too. He must protect Tara at all costs, and they'll both need to resist the mutual attraction growing between them to focus on hunting down the bomber, because one wrong move could be fatal.

A critical error. A Cinderella season cut short. A star player murdered. D.C. is recovering from angry riots after one player's mistake blew the D.C. Federals' chance at the World Series, and Lt. Sam Holland is determined to unravel the twisted web of motives behind the star center fielder's death. Was it a disgruntled fan, a spurned lover or a furious teammate? While Sam digs through clues, her husband, U.S. Senator Nick Cappuano, fights for his political life in the final days of his reelection campaign as financial irregularities threaten his future. It's a distraction Nick can ill afford with Sam in the midst of another high-profile murder investigation and both of them trying to help their adopted son, Scotty, cope with the murder of a ball player he admired. Determined to bring the killer to justice, Sam must root out the truth before another mistake proves fatal.

A secret network of women. A legacy of poison and revenge. Welcome to The Lost Apothecary... Hidden in the depths of eighteenth-century London, a secret apothecary shop caters to an unusual kind of clientele. Women across the city whisper of a mysterious figure named Nella who sells well-disguised poisons to use against the oppressive men in their lives. But the apothecary's fate is jeopardized when her newest patron, a precocious twelve-year-old, makes a fatal mistake, sparking a string of consequences that echo through the centuries. Meanwhile in present-day London, aspiring historian Caroline Parcellwell spends her tenth wedding anniversary alone, running from her own demons. When she stumbles upon a clue to the unsolved apothecary murders that haunted London two hundred years ago, her life collides with the apothecary's in a stunning twist of fate—and not everyone will survive. With crackling suspense, unforgettable characters and searing insight, The Lost Apothecary is a subversive and intoxicating debut novel of secrets, vengeance and the remarkable ways women can save each other despite the barrier of time.

After an error costs his team a World Series title, the star center fielder for the DC Federals is murdered, but as Lieutenant Sam Holland digs through clues, her senator husband fights for his political life during his reelection campaign.

A riveting account of the five most crucial days in twentieth-century diplomatic history: from Pearl Harbor to Hitler's declaration of war on the United States By early December 1941, war had changed much of the world beyond recognition. Nazi Germany occupied most of the European continent, while in Asia, the Second Sino-Japanese War had turned China into a battleground. But these conflicts were not yet inextricably linked—and the United States remained at peace. Hitler's American Gamble recounts the five days that upended everything: December 7 to 11. Tracing developments in real time and backed by deep archival research, historians Brendan Simms and Charlie Laderman show how Hitler's intervention was not the inexplicable decision of a man so bloodthirsty that he forgot all strategy, but a calculated risk that can only be understood in a truly global context. This book reveals how December 11, not Pearl Harbor, was the real watershed that created a world war and transformed international history.

Thrilling new crime from Karen M. Davis Detective Lexie Rogers is tough, smart and at the top of her game. She's seen it all, from bikies, blood and betrayal to drugs, deviants and deception ... and the violent knife attack that almost killed her as a young cop on

the beat. Lexie's sent on the job of a lifetime -- to go deep undercover, as beautiful Lara Wild, a drug distributor, to expose a huge dealing ring among Sydney's most treacherous criminals. What she discovers is that being undercover is the safest place to be, especially when you're a cop with target on your head, but one false move means she'll die. And creeping from the shadows is the darkness of her past, something she can never outrun. Lexie knows she can't trust anyone -- but the trouble is, she's not even sure if she can trust herself. Praise for Karen Davis ' Gripping and gritty ' Daily Telegraph ' Twists and turns galore ... Davis ' s real-life cop experience leaps off the page. *The author of Killer Choice, a thriller "full of shocks and twists you won't see coming" (Lee Child), delivers another nail-biting novel about a hit-and-run and a lie that goes horribly wrong. Her son accidentally kills a man. They cover it up. Then everything goes wrong. When eighteen-year-old Joshua Mayo takes a man's life in a terrible accident, he leaves the scene without reporting the crime to the police. He hopes to put the awful night behind him and move on with his life. But, of course, he ends up telling his mother, Karen, what happened. Karen has raised Joshua on her own in Cedar Rapids, Iowa--and she'd thought they'd finally made it. He was doing well in school and was only months away from starting college at his dream school. After hearing his dark confession, she's forced to make a choice no parent should have to make. A choice that draws them both into a web of deceit that will change their lives forever--if they can make it out alive.*

*This is an all-new story from Martin Archer. It is his longest and best. The action, political incorrectness, and wide-eyed innocence and ignorance is non-stop in this exciting medieval times novel. The Company's archers sail for Constantinople to join the fight against the Orthodox army attempting to re-establish the Byzantine Empire with the help of the Venetians. Richard arrives from England and takes his horse archers out to delay and harry the invaders. George returns from Rome and is wounded escaping an assassination attempt by the Venetians, his men work feverishly to strengthen the city's defenses, and an alchemist joins the Company. William, Henry, and Harold come out of retirement when the Company's retirees are summoned to help because every man is needed. This is Martin Archer's greatest and longest story in the continuing saga of Cornwall's Company of Archers at the dawn of Britain's military supremacy and the rise of its great merchant companies. It is an action-packed tale with a sprinkling of Candide, Sancho Panza, and Flashman to reflect the realities and ignorances of medieval life. The first book in the series, "The Archer," is available on Amazon as an ebook, in print, as audio book, and as part of the a collection of the first six books of the saga entitled "The Archers Story: Part I."*

*Back from their honeymoon, Senator Nick Cappuano and D.C. Police Lieutenant Sam Holland are ready for some normalcy after the whirlwind of their wedding, but someone has other plans for them. When Sam discovers wedding cards containing thinly veiled death threats, she's not sure if she or Nick is the target. Already on edge, Sam and her team start investigating a series of baffling murders. The victims are well-liked with no known enemies, and the murders are carried out in a clean and efficient manner. Unable to find a clear motive for the deaths, she feels like she's chasing her tail. With no obvious connection between the victims, Sam soon suspects that she may be the ultimate prize in the killer's clever game. When the danger starts to hit a little too close to home, she has two goals: find the elusive murderer and manage to live long enough to enjoy her happily ever after.*

**The scandalous true crime story about the Papin Sisters, as told by one of comics' most stylized talents. Christine Papin, an overworked live-in maid, is reunited with her younger sister, Lea, who has also been hired by the wealthy Lancelin family. They make the estate's beds, scrub the floors, and spy on the domestic strife that routinely occurs within its walls. What starts as petty theft by the maids — who are flashing back to their tumultuous time in a convent — shortly turns into something more nefarious. Madame Lancelin's increasingly unhinged abuse ignites the sisters' toxic upbringing and social class exploitation and explodes into a ghastly double murder, an event that shocked and fascinated 1930s France and beyond. Maids has high bravura and high intrigue, all drawn in Skelly's highly stylized manner, which combines the best of pop art, manga, and Eurocomics.**
