the experience of  
everyday life in

# Download Free A History Of Scotland

Scotland over two centuries characterised by political, religious and intellectual change and ferment. It shows how the extraordinary impinged on the ordinary and reveals people's anxieties, joys, comforts, passions, hopes and fears. It also aims to provide a measure of how the impact of change varied

# Download Free A History Of Scotland

from place to place. The authors draw on a wide range of primary and secondary sources, including the material survivals of daily life in town and country, and on the history of government, religion, ideas, painting, literature, and architecture. As B. S. Gregory has put it, everyday history is 'an

# Download Free A History Of Scotland

endeavour that seeks to identify and integrate everything - all relevant material, social, political, and cultural data - that permits the fullest possible reconstruction of ordinary life experiences in all their varied complexity, as they are formed and transformed.'

Many previous works

# Download Free A History Of Scotland

on Scottish Philosophy have tended to concentrate exclusively on the Scottish Enlightenment. Yet, two and a half centuries prior to that period, a circle of Scottish philosophers gained Europe-wide appreciation for their work. This study attempts to correct this bias in the history of
