

A Pocket Full Of Treasures A Baby Journal

An illustrated collection of sixty-four traditional nursery rhymes.

Mooncatcher Chronicles captures those small events in the lives of your children that later will last in the memories of parenthood forever. The series of letters comprising this book is guaranteed to make you smile, at times make you cry, and definitely make you think about the responsibility of being a Father. Finally, someone has caught the true heart of being a Dad in an honest and sincere format... Letters to my Daughters. Walk through the milestones often forgotten of giving your children the treasures of life in this poignant look at one of the greatest blessings of life. Just being a Dad.

Broke, jobless, and stranded in Las Vegas on Valentine's Day, I am forced to call my parents for a bailout. Again. A pampered princess and wannabe environmentalist, I know I'm a cliché and would do anything to change it. So when I meet Xander, a struggling photojournalist with absolutely nothing in common with my domineering, millionaire parents, I know just where to go next: A wedding chapel. But when I wake up the next day, my matrimonial rebellion comes with an unpleasant surprise. My husband is no penniless globetrotter—Xander King is the son of a billionaire oil tycoon, and my parents couldn't approve of the match more. Now the only thing that could shock them would be a quickie divorce...except my new husband has a proposition for me. *** I take one look at Savvy and know I could spend the rest of my life with her. The feeling is mutual...until she figures out who I am. I didn't mean to hide my identity, and I thought a desire to get out from under the weight of familial baggage was something we had in common. But with Savvy just moments from proposing divorce, I offer her the one thing I'd been ready to walk away from: A trust fund worth millions. All Savvy has to do is stay married to me for a year and then she'll get half—except I have no intention of letting her go after 365 days. I've spent a decade running from my father's disapproval and my brothers' successes. Now I'm willing to spend a lifetime convincing the woman I love to stay put by my side. King's Treasure is book 3 in the Oil King's series. It's a Vegas wedding romance with a small town, western romance feel. Add a dash of millionaire romance and it has all the feels. The Rust of Rome

A collection of prose and poetry from people ages six to ninety], from all walks of life and from various stages of their writing careers. You never know what you will find in our book: thoughts on writing memories of times gone by, tales and poems about the darker side of life, children's ideas, relationship issues, the celebration of nature's beauty and a little of what we call "Cabbitt Stew," pieces without a specific theme.

Las Meninas. The Nude Maja and The Clothed Maja. The Garden of Earthly Delights. The Museo del Prado in Madrid, which grew out of the Spanish royal collections, holds the masterpieces of Velázquez and Goya, and many exceptional works by their illustrious countrymen. Yet it is equally strong in the work of Bosch (especially Bosch!), Rubens, Titian, and other Flemish and Italian painters. The Prado represents the Old Masters at their most expressive and fantastic, so this book—which reproduces the museum's finest paintings, sculptures, and objets d'art—has a power that belies its miniature size.

Some secrets cannot remain buried forever... Anne Baker's thrilling saga, A Pocketful of Silver, follows a young woman growing up amidst clouds of secrets and intrigue, and her journey to discovery. Perfect for fans of Nadine Dorries and Cathy Sharp. It's 1920, and Ellie Valentino is just like any other happy five-year-old growing up in Birkenhead. Although her father is dead, and her mother works hard, Ellie's grandmother, Bridie, is always there to provide a welcoming hug when the little girl returns from school. But, one tragic day, Ellie's secure world is suddenly torn apart with the mysterious death of her mother, and Ellie is forced to live with her uncle Mick, a man with a violent temper. As the years pass, Ellie's yearning to know the truth about her mother's death never fades - it even casts a shadow over her blossoming romance with childhood friend, Franco Baldini. For Franco knows more about that fateful day than he dares admit, especially to Ellie. Can their love survive when Ellie longs to uncover events that Franco is desperate to forget? And will Ellie ever find out what really happened to her mother? What readers are saying about A Pocketful of Silver: 'Definitely recommend, these books are very well written and they're hard to put down once you've started' 'Brilliant book and a great story - a very enjoyable read'

"Full of surprises with impressive twists..." –Suspense Magazine "The Tolling of Mercedes Bell is an unforgettable page-turner—a must read by all!" –San Francisco Book Review Recently widowed and adapting to the challenges of single motherhood, Mercedes Bell is a paralegal at Crenshaw, Slayne & McDonough when she meets Jack Soutane, a dashing San Francisco lawyer who has recently begun leasing office space from the firm. It's the 1980s. The crack epidemic, homelessness, and AIDS explode on the scene, Jack's law practice booms—and the Crenshaw firm eagerly shares his bounty. Meanwhile, despite all the warning signs, Mercedes falls under Jack's spell. When calamity strikes and Jack succumbs to his own dark surprise, Mercedes finds herself in a race to survive and to protect her daughter. In order to do so, she must make sense of wildly inconsistent information—and face the truths that emerge. Compelling and full of suspense, *The Tolling of Mercedes Bell* is a story about honesty in the face of deception, courage in the pursuit of happiness, and the unexpected places that quest can lead.

Presents the problems that arise when a young farm boy brings a cricket he discovered in the summer to school with him, and its chirping disturbs the other students and his teacher.

In April 2003, I said goodbye to my husband and children before leaving for Kuwait on a 12-month hardship tour. It was to be at least six months before mid-tour, if leave would be allowed by then. Checked in, and caught Lufthansa out of Frankfurt. Ever have one of those dreams in which you taxi forever and go nowhere? This was one of those off the end of the earth type experiences. With that, U.S. Army Physician Holly Doyne departed Germany for an assignment to Camp Doha as Command Surgeon, ARCENT-Kuwait, for what became a prolonged tour. This is her record of that time. It is about battling with the heat and the dust in the desert. It is about ordered chaos and confusion tempered with caring. It is a warm and lively account by a determined and compassionate physician who went to conquer, assigned to a location where making a difference really mattered.

Melonie Byars is found murdered in the flower shop where she worked. Unfortunately for authorities, there are no witnesses and no clues. The murderer did, though, leave a calling card: a carefully arranged bouquet of flowers. Seattle's best homicide detective, Sgt. Arthur Washington, is called to duty. Washington prides himself on his case closure rate, but this is one case he can't crack. He is completely baffled, and the murder of Ms. Byars remains unsolved. A year and a half later, another murder occurs in the same grizzly manner. Washington is back on the case, but even the top brass of the Seattle Police Department are stumped. Detective Washington will not let this killer get away twice. He's determined to put a stop to the mysterious flower murders. Bodies start to pile up with the same common link. It's not long before the city is in a panic. Paired with a new partner, Washington must catch a killer who's made Seattle his personal bloody playground.

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of *THE SECRET*. Are you smart enough? *THE SECRET: A TREASURE HUNT* was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

An Ordinary Girl By: Faye Robinson Have you ever felt your life spiraling out of control? Or felt as though the trials of ordinary life are too strenuous to

handle? You're not alone. The chaos and insecurities of your life are nothing compared to the power of God, Who has an ultimate plan for you and your journey. In fact, the challenges, obstacles, and hiccups in life are His way of developing you, your soul, and your spirit. An autobiography filled with humor and spiritual force, *An Ordinary Girl: My Path to Peace of Mind* features honest reflections and real stories from the life of Faye Robinson. She examines her childhood interactions, her own maturation, and her family relationships. Although heartbreaking at times, the reality of Robinson's life exposes the ways in which the Lord can guide a person through even the darkest of times. As Robinson shares her own experiences, she looks to inspire her readers and help them find their own inner strength and peace.

The Tolling of Mercedes Bell

Let the treasure hunt begin! As any visitor to the beach knows, all sorts of treasures can be found if you look. This beautifully illustrated pocket guide helps young beachcombers find and identify shells of animals commonly found in the Northeast from Maine's rocky coast to the sandy shores of Cape Cod and Long Island.

Silliness abounds in this offbeat early graphic novel with loads of heart. In the pocket of a faded pair of hand-me-down jeans, a tiny ball of lint lives alone. Linty's days are all much the same: Some cardio. Sightseeing ("So blue!"). Solo Marco Polo. Until one day, a boy starts wearing the jeans and everything changes. Before long, Linty has a parade of visitors: an acorn, a coin, pizza crust. Soon, the pocket is packed with new friends, and Linty is having a blast! But, uh-oh . . . Wash Day! Is Linty's world about to be turned upside down, again? An in-jean-ious idea. Kids will never think of their pant pockets the same way again!

In this gorgeously illustrated picture book, a brother and sister explore their surroundings, looking for treasure.

All her life Geri Hudson Morgan has been an exceptionally interesting and energetic person who loves people. Her adventures in life have included being honored at The Great Hall of the People for her work in China, and praying with a witch doctor in the depths of Africa. An active teenager growing up in Dallas, Geri was voted class favorite, played competition tennis, and appeared on several local TV shows. As a pianist, she won talent contests in the Dallas Metroplex and was a regular guest artist at the State Fair of Texas. At eighteen, she began a successful career as a professional organist, playing for Dallas restaurants. She served as a full-time organist at the International Christian Center for seventeen years, and was co-hostess of a daily TV show. You will never meet another person like Geri, so diverse in her interests and yet so focused on the call of Jesus on her life. She is a master storyteller and this book is filled with amusing and inspiring accounts of how God has led her life. You will be fascinated as her stories unfold in the pages of *I Play the Notes, But He Makes the Music*.

Nine Eyes Heavenly Bead

You love the sweetness in his little smile and the way she wiggles her tiny toes in delight. You love the beautiful chaos that your life has become. And then come the challenges of motherhood. The exhaustion. The frustration. In A Pocketful of Hope for Mothers, Robin Jones Gunn reminds us that as moms, the only thing we need to do each day is to live with a selfless spirit, a tender heart, and all the gusto our giddy souls can muster. She reminds us that no matter how fragmented our lives may feel right now, all that matters is that we love well. God is near, giving us encouragement and hope as we care for the little soul that has been entrusted to us. This collection of heartwarming vignettes, inspiring quotes, and simple prayers makes a perfect gift of inspiration for all mothers and moms-to-be.

"He has achieved success who has lived well, laughed often, and loved much," said Bessie Anderson Stanley. This book is a collection of observations about success that the author first shared with his son in the first two volumes of Life's Little Instruction Book. It also includes thought-provoking and inspiring quotes from other sources.

Charles Darwin, George Washington Carver, and Jane Goodall were once curious kids with pockets full of treasures! When you find something strange and wonderful, do you put it in your pocket? Meet nine scientists who, as kids, explored the great outdoors and collected "treasures": seedpods, fossils, worms, and more. Observing, sorting, and classifying their finds taught these kids scientific skills--and sometimes led to groundbreaking discoveries. Author Heather Montgomery has all the science flair of a new Bill Nye. Book includes the Heather's tips for responsible collecting.

In Tarreton, where the rich have all the magic they wish and the poor can barely afford a spell to heat their homes, twelve-year-old Isaveth's father is accused of murdering an influential citizen and Isaveth, aided by eccentric street boy Quiz, tries to solve the magical murder mystery before her father is executed.

Reflections and Remembrances

In the year 1888, an anonymous author wrote a little book titled, "The Little Treasure of Prayers," filled with beautiful words like Thee, Thou, Thine, seest, doest, hath, indolent, avarice and other words familiar to the language of the 19th Century. While I enjoyed reading the book, I admit I had to stop every now and then to look up the meaning of some of the words. The writer inside me thought it would be a great idea to re-write this little book (now in the public domain), transforming the original book into modern-day English, keeping the meaning of the original prayers fully intact. Thus, generating a book filled with glorious honor and communication with God through heart-felt prayers that anyone who understands the common words of the 21st Century English language would derive an abundance of pleasure.
