A realm of monsters. A world of lies. She belongs to both. My name is Emberly, and everything I've ever been told is a lie.Monsters don't exist. Wrong.The nightmarish spectrum world is just my imagination. Wrong.In a few months, I'll finally be free. Wrong.It takes being dragged to a secret training academy in the mountains to unravel the truth. My captors--an elite race of angel-born warriors called Nephilim.The deadliest of them all is an arrogant shape shifter, Steel. He's gorgeous, lethal, hot-headed . . . and convinced I'll be the death of them all.Maybe he's right. As soon as I show up, the monsters that have haunted me my entire life breach the academy walls. My only hope of saving my new friends is learning how to control my powers, but when a stunning betrayal hurts someone I care about, I have an impossible choice. Stay and fight for a place to belong . . . or decide once and for all that I'm better off alone.Enter the spectrum world, a realm in-between worlds where shadow beasts draw blood, reality is a maze of twisted lights and sounds, and life goals are whittled down to just one: survive.Fans of Jennifer L. Armentrout and Cassandra Clare will love this Crescent City meets Crave mash up!"Filled with action, danger, romantic tension, and intrigue, Stealing Embers is absolutely addictive."

National Book Award Finalist: “ This man ’ s ideas may be the most influential, not to say controversial, of the second half of the twentieth century. ” —Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “ Don ’ t be put off by the academic title of Julian Jaynes ’ s The Origin of Consciousness in the Breakdown of the Bicameral Mind. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor. ” —The New York Times “ When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis. ” —John Updike, The New Yorker “ He is as startling as Freud was in The Interpretation of Dreams, and Jaynes is equally as adept at forcing a new view of known human behavior. ” —American Journal of Psychiatry

Gracanica. Kosovo, 1689: Elena, an Albanian peasant girl, has sacrificed her own future to keep her family from starving, but one horrific night they are taken from her, murdered by monsters out of her nightmares. She seeks refuge at the nearby monastery, where she meets Stjepan, a Serbian monk familiar with creatures that stalk the night. Elena longs to return to her farm, but piecing her life back together may be impossible. Stjepan draws her into a dark conspiracy involving an ancient brotherhood, and as war looms, a stranger named Lek appears, threatening to overturn everything she thought she knew about her family and herself.Sarajevo, Bosnia and Herzegovina, 1999: Since surviving the showdown between the vampire Yasamin and the terrorist group S leyman's Blade, Adam Mire has lived in hiding, posing as an unassuming Czech librarian. His life is upended again, however, when a new threat arises-one intent on using Dracula's legacy to unleash another wave of violence across the already war-ravaged nation.Meanwhile, Clara MacIntosh, the love Adam left behind, has come to Eastern Europe to find him. While tracking him down, she becomes entangled in a string of grisly murders-deaths Adam is investigating as well. As they both follow clues literally written in blood, time runs short to unmask the killer before history comes full-circle and chaos engulfs the region again.

Exiled exorcist Lucian Negru deserted his lover in Hell in exchange for saving his sister Catarina's soul, but Catarina doesn't want salvation. She wants Lucian to help her fulfill her dark covenant with the Fallen Angels by using his power to open the Hell Gates. Catarina intends to lead the Fallen's hordes out of Hell and into the parallel dimension of Woerld, Heaven's frontline of defense between Earth and Hell. When Lucian refuses to help his sister, she imprisons and cripples him, but Lucian learns that Rachael, the lover he betrayed and abandoned in Hell, is dying from a demonic possession. Determined to rescue Rachael from the demon he unleashed on her soul, Lucian flees his sister, but Catarina's wrath isn't so easy to escape! **When Amelia Caldwell tries to begin a new life, she discovers that her birthmark means more than it seems. She has been marked by a vampire's soul; not only does she hold his soul, she is also his soulmate. Mitchell lange has been searching almost a century for his soulmate and is determined not to let Amelia go. Since Amelia has no intention of belonging to anyone, they both become trapped on an emotional rollercoaster. As Amelia searches for answers, she becomes caught in the middle of a deadly game of revenge and is forced to realize that you can't run from destiny.**

**WARNING - there is some mild swearing and the book has a cliffhanger ending! Who you are on the inside is more important that what you are on the outside... But not when you're fated to be a lab rat for the rest of your life. Sixteen-year-old Tessa, a vampire with weird throwback human genes, is an outsider in both worlds. Always the odd one. Now, imprisoned in a blood farm, she fights to free herself and rejoin her family and friends. Especially one young male vamp. Cody, eighteen and the youngest of the long line of ancient flyer vampires, wants Tessa back at his side where she belongs - even as he struggles with conflicting emotions about his best friend's kid sister-turned-hottie. Jared, the cute human who'd befriended Tessa, is relieved to be rescued and wants to see the trussed-up, drugged humans in the warehouse taken care of. Only he's freaked that the people who rescued him are vampires...and then he finds out the truth about Tessa... Thankfully, the rescue team comes to take over the warehouse and rescue the victims... or have they?**

**Paranormal Romance and Urban Fantasy fans will become enchanted with this deliciously dark and scandalous series by International Bestselling Author Emily Bex. It's everything vampire romances should be made of! "Blood Covenant combines the hedonistic jet-setting pleasures of BILLIONAIRE ROMANCE and the dirty little secret thrills of a DEAD SEXY VAMPIRE!" - Katalina Leon, USA Today Bestselling Author "This series is going to HIT THE CHARTS... what an epic tale. Thank you Emily from a NEW FAN!" - Cheryl, Amazon Reviewer When he met her, he knew how it would end. Shade Medici, a warrior king and sole male heir to the dynasty, is expected to mate and produce an heir to secure the continuation of the Medici coven. He's waited over five hundred years for the right mate, and when he meets Kate Reese, his attraction is more than primal - it's merciless. She's also mortal. Kate is fresh off a broken engagement and reluctant to open her heart, but her hesitations are no match for the unrelenting pursuits of the vampire king. Their passion for each other is searing...and not everyone is happy about it. Namely the ruling Council. As they fight against deceit, treachery, and those who aim to see their love fail, Shade also struggles to control his impulses as Kate is immersed into his dark and dangerous world, but it's imperative he prepare her for the changes that will be demanded of her should she choose to bind herself to him through the blood covenant. All that scorches and glitters isn't gold, and she quickly learns that falling in love with a vampire comes at a hefty price: It may just cost her everything. "Scorching", "riveting", and hailed as "the NEXT BIG THING", The Medici Warrior Series follows the exploits of a vampire dynasty that spans four generations in a multi-genre novel with elements of paranormal, smoldering romance, and historical fiction. With the recent passing of her Chinese immigrant parents, she's had her fill of uncertainty. She's content just to carry on: She goes to work, troubleshoots the teen-targeted Gemstone Bible, watches movies in a Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's Severance is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive.*

Tick tock. Tick tock. Time is slipping through the Novaks' fingers like sand. The only witch with the power to save them is already within their reach. But how does one fix what one doesn't know exists?

While Callie closes in on the blood bank in the hopes of rescuing her family, Montana accepts the dangerous task of spying on one of the vampire royals.On the east coast more deaths arise in New York City and Montana soon realises she's at the heart of an assassination plot. But if she doesn't work out who her enemies are fast, she could be their next target.On the west coast, Callie struggles with her newfound feelings for Magnar. And as she grows stronger, more capable and ready to bring down the blood bank, she realises her time with him could soon be up.In the second instalment of the Age of Vampires Saga, two sisters must risk it all to protect each other and try not to fall for their dangerous companions along the way...

First published in 1897, “The Blood of the Vampire” is a vampire novel by prolific writer Florence Marryat. The story revolves around one Miss Harriet Brandt, the daughter of a mad scientist and a voodoo priestess who leaves her home in Jamaica for the first time to travel to Europe. However, Harriet is not a normal young woman, as everybody who gets close to her becomes ill or even dies. Boasting a sensational plot and utterly bizarre characters, Florence Marryat's Victorian vampire tale constitutes a must-read for fans of the genre. Florence Marryat (1833 – 1899) was a British actress and author. She is remembered for her sensational novels and her relationships with numerous famous spiritual mediums during the 19th century. Other notable works by this author include: “Love’s Conflict” (1865), “Her Father’s Name” (1876), “There is No Death” (1891) and “The Spirit World” (1894), and “The Dead Man's Message” (1894). Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

When the human and the vampire worlds collide, there will be hell to pay. Luca Ambrus is a rare breed: vampire from birth, begotten by vampire parents, blood born. He is also an agent of the Council—the centuries-old cabal that governs vampirekind, preserving their secrecy and destroying those who betray them. When a cryptic summons leads him to the scene of the brutal killing of a powerful Council member, Luca begins the hunt for an assassin among his own people. But instead of a lone killer he discovers a sinister conspiracy of rogue vampires bent on subjugating the mortal world. All that stands in their way are the conduits, humans able to channel spirit warriors into the physical world to protect mankind. Chloe Fallon is a conduit—and a target of the vampire assassin who’s killing them. When Luca saves her life, an irresistible bond of trust—along with more passionate feelings—is forged between them. As more victims fall, Chloe and Luca have only each other to depend on to save the world from the reign of monsters—and salvage their own future together.

Vampire Romantic Fantasy

A New York ad exec falls in love with a vampire, which changes her life forever.

Calliope Reaper-Jones is called into the family business when her father, Death, is kidnapped and, in order to take his place as CEO, she must compete against the Devil's protégée to find three objects of power in hell.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

After centuries alone, can a vampire king trust the woman who's woken his heart? Jordan MacDougal, laird and vampire King, walks a thin line of civility between protecting his clan, and handling the conflict from the local shifter pack. When some of his people disappear, and the wolves accuse his newest, intriguing vampire of being evil, Jordan discovers that the traitor in his midst may be closer than he dared believe. A newly turned vampire, Dalia Jensen wakes to an unusual and frightening new world, with no memory of the past year of her life. Accused of working with the Master Vampire who held her prisoner, her inability to remember the truth leaves her reeling under allegations of vicious past actions. Uncertain of her culpability, she's unable to trust her own instincts as the reigning Vampire King turns her world upside down. When the wolves call for her trial, demanding her life for those killed and tortured, Jordan and Dalia must work together to find the truth, and save the love blooming between them. *Blindsight is the Hugo Award–nominated novel by Peter Watts, "a hard science fiction writer through and through and one of the very best alive" (The Globe and Mail). Two months have past since a myriad of alien objects clenched about the Earth, screaming as they burned. The heavens have been silent since—until a derelict space probe hears whispers from a distant comet. Something talks out there: but not to us. Who should we meet to meet the alien, when the alien doesn't want to meet? Send a linguist with multiple-personality disorder and a biologist so spliced with machinery that he can't feel his own flesh. Send a pacifist warrior and a vampire recalled from the grave by the voodoo of paleogenetics. Send a man with half his mind gone since childhood. Send them to the edge of the solar system, praying you can trust such freaks and monsters with the fate of a world. You fear they may be more alien than the thing they've been sent to find—but you'd give anything for that to be true, if you knew what was waiting for them. . . .
