Drowning to Breathe

A moving, sometimes hilarious account of a family trying to hold itself together, A Stone of the Heart chronicles the dysfunction of a Queens, New York, Irish-Catholic family. Set in 1961, the book is narrated by the family's oldest son, fourteen-year-old

Michael—overweight and obsessed with baseball statistics—who is trying to come to grips with his parents' disastrous marriage, his younger brother's retreat into silence, and his grandparents' faltering efforts to help. In baseball Michael finds the orderliness and clarity lacking in his personal world; but when Roger Maris's sixty-first home run at the end of the season both does and doesn't break Babe Ruth's record, he comes to a tenuous understanding of life's shades of gray, enabling him to begin to forgive his alcoholic father and feckless mother.

The year is 1988 in Gaza City, and it has been a month since eleven-year-old Malaak's father left to seek work in Israel, only to disappear. Every day Malaak climbs to the roof and waits, speaking little to anyone, preferring the company of the little bird she has tamed. But her twelve-year-old brother, Hamid, has a different way of coping. He feels only anger, stoked by extremists who say violence is the only way to change their fate. Malaak's mother begs him to stay away from harm, but Malaak lives in fear of losing her

brother as well. What will it take for her to find her voice—and the strength to move past the violence that surrounds her?

Book #2 of The Genesis Trilogy. This special reissue of a classic work of spirituality from the author of *A Wrinkle in Time* offers life-transforming insights on the rich heritage of the Bible and shows how the characters of this ancient text are relevant for living the good life now. Includes a new reader's guide. In this book for the curious, spiritual seeker, Madeleine L'Engle offers relevant lessons drawn from the life of Jacob from the Old Testament. Here, the son of Isaac becomes a spiritual companion to L'Engle, equipping her to deal with earthly and psychological struggles. Throughout her journey, L'Engle offers contemporary answers to questions that burden modern day readers and believers. With her customary fearlessness and candor, she broaches such topics as the significance of angels, redemption, sexual identity, forgiveness, and the seemingly constant conflict between good and evil. Madeleine L'Engle possesses the same ambidextrous skill of storytelling as other literary giants, including C. S. Lewis and George MacDonald. Her fictional stories appeal to generations of readers, and are equally embraced in both the secular and religious markets. But, it is her ability in her nonfiction to engage with the historical text of the Bible

through a dynamic unpacking of protagonists, antagonists, and matters of faith that establishes the Genesis Trilogy as a highly treasured collection of spiritual writings. *A Stone for a Pillow* acts as a compass for those traveling through the tumultuous landscape of faith in our cynical and divisive modern culture.

From the national bestselling author of The Food Explorer, a fascinating and rollicking plunge into the story of the world's most famous shipwreck, the RMS Titanic On a frigid April night in 1912, the world's largest—and soon most famous—ocean liner struck an iceberg and slipped beneath the waves. She had scarcely disappeared before her new journey began, a seemingly limitless odyssey through the world's fixation with her every tragic detail. Plans to find and raise the Titanic began almost immediately. Yet seven decades passed before it was found. Why? And of some three million shipwrecks that litter the ocean floor, why is the world still so fascinated with this one? In Sinkable, Daniel Stone spins a fascinating tale of history, science, and obsession, uncovering the untold story of the Titanic not as a ship but as a shipwreck. He explores generations of eccentrics, like American Charles Smith, whose 1914 recovery plan

using a synchronized armada of ships bearing electromagnets was complex, convincing, and utterly impossible; Jack Grimm, a Texas oil magnate who fruitlessly dropped a fortune to find the wreck after failing to find Noah's Ark; and the British Doug Woolley, a former pantyhose factory worker who has claimed, since the 1960s, to be the true owner of the Titanic wreckage. Along the way, Sinkable takes readers through the two miles of ocean water in which the Titanic sank, showing how the ship broke apart and why, and delves into the odd history of our understanding of such depths. Author Daniel Stone studies the landscape of the seabed, which in the Titanic's day was thought to be as smooth and featureless as a bathtub. He interviews scientists to understand the decades of rust and decomposition that are slowly but surely consuming the ship. (It is expected to disappear entirely within a few decades!) He even journeys over the Atlantic, during a global pandemic, to track down the elusive Doug Woolley. And Stone turns inward, looking at his own dark obsession with both the Titanic and shipwrecks in general, and why he spends hours watching ships sink on YouTube. Brimming with humor, curiosity and wit, Sinkable follows in the tradition of Susan Orlean and Bill Bryson, offering up a page-turning work of personal journalism and an immensely entertaining romp through the deep sea and the nature of obsession. Over the last twenty years spiritual director, teacher, and pilgrim Tracy Balzer has made more than a dozen transatlantic visits to Scotland's Isle of Iona, welcoming the hallowed spaces of the island to sculpt, bend, and sustain her spiritually. "It might be

said that Iona has been my spiritual director," says Balzer, for with each visit she is freshly confronted by key questions of faith: Where is God? Who am I? What can I offer the world? Set against the backdrop of Iona's deep Christian history and exquisite natural beauty, A Journey of Sea and Stone explores these questions, prompting each of us to reach for meaning in our daily lives and to consider the myriad ways God might be inviting us into something new. Tapping our innate desire to seek and find, to encounter God in creation and in the history of faithful people, Balzer guides us in our own journeys to cultivate and find sustenance and connection in sacred spaces. Deep passages of reflection are complemented by rich illustrations reflecting the island's stunning terrain and Celtic heritage, providing spiritual seekers and armchair travelers a fresh entrée into the world of the sacred, wherever they may be.
