

A Strange Hymn The Bargainer Book 2

As soon as I saw him, it was war. I thought at first it would be between me and him. Cade was cold and hard and didn’t want anything to do with the headmaster’s daughter. I was off-limits. He didn’t need that kind of trouble. I didn’t need that kind of trouble, either. And since I did my best to avoid any kind of trouble, that should have been the end of it. But when I saw him, he also saw me. All of me. The lonely parts. The dark parts. The secret parts. He became my ally. I lost the battle with myself and fell in love despite the risk. But the war isn’t over for either of us. Not as long as my father is alive. Book two of three in the final trilogy in the Dirty Universe.

Fans of Sarah J. Maas will love this story about when one of the four horseman comes to spread the plague, a young woman risks her life to save her town from him, only to fall in love with him.

A classic collection of 1,000 hymns and choruses.

There are worse things than death. Things that lurk in the shadows and slip into your dreams. Things that have no business existing. Things that once slept ... but have now awoken.For Callypso Lillis, the fae magic that now runs through her veins is equal parts curse and good fortune. For the very thing that bonds her to Desmond Flynn, the King of the Night, also makes her vulnerable to the Thief of Souls, a man who wants to break the world ... and Callie along with it. But it's not just the Thief whose shadow looms over the Otherworld. Des's father is back from the dead, and he wants revenge on the son who sent him to the grave in the first place. Des and Callie must figure out how to stop both men, and time is running out. Because there are forces at play working to tear the lovers apart once and for all ... and unfortunately for them, death is no longer the worst thing to fear.

The Corner of Forever and Always

Reaping Angels

"The first time I was declared dead, I lost my past. The second time, I lost my humanity. Now I'm being hunted, and if I die again, my soul is up for forfeit." After enrolling in Peel Academy, an elite supernatural boarding school on the British Isles, the last of the sirens, Gabrielle Fiori, only wants to fit in. Instead, the elixir meant to awaken her supernatural abilities kills her. When Gabrielle wakes up in the morgue twelve hours later, something wicked is awakened in her, something even the supernatural community has never seen before. Now the only person who can help her is Andre de Leon, the community's infamous bad boy and the king of vampires. Yet even his help can't prevent the repeated attempts on Gabrielle's life. Someone is after her, and they will stop at nothing to end her short existence. Only Gabrielle cannot let that happen now that her soul hangs in the balance, because she may have met the devil. And he wants her. Bad.

Taken. Whisked away to hell. Forever bound to a monstrous god. This is seventeen-year-old Gabrielle Fiori's fate. It's everything she's ever feared, and it has all come to pass. Only ... the devil isn't the monster she remembers. At times he seems gentle and, most unnerving of all, she's drawn to him. He wants her for all eternity, and if she gives in, everything he has to offer can be hers. The only cost? The last of her soul-and her humanity. By a twist of myth, Gabrielle finds herself back on earth from dusk to dawn. Back where the living breathe, where Andre de Leon, the king of vampires and her former soulmate, await her. Yet she can't help but feel that something's wrong. She's wrong. Her blood seeds demons and her powers can move earth and air and all manner of creation. Now angels flood the skies, gods and demons are made flesh. A battle between good and evil is erupting, and if Gabrielle wants to escape hell and save the world, she'll need to end it, once and for all.

""In places that know more about heaven and hell than we do, you have a reputation, Gabrielle. To them you are known as the devil's consort."" When a body shows up near Peel Academy, all signs indicate the killer is a vampire. Ravaged throat, body drained of blood. At least that's all it appears to be when the Politia, the supernatural police force, assigns Gabrielle to the case. Now it's Gabrielle's job to figure out who did it. But after a second body turns up with the same lethal wounds, it's clear that a serial killer is stalking the island. The murders have compromised the truce between the Politia and vampires, and as long as the killer roams free, it is in danger of dissolving. If that happens, no vampire is safe from persecution, not even Gabrielle. Now Gabrielle must team up with Andre, her soulmate and the one person she's tried to stay away from, to investigate the murders before the truce dissolves. And keeping her distance is proving to be impossible. But Gabrielle has a bigger problem. The world of the dead know about her, and their whispers hint that something is coming for her. And it's coming soon.

As the second horsemen brings war and destruction, he meets a young woman who he believes is destined to be his wife, but unfortunately for him she does everything she can to sabotage his plans.

When eighteen-year-old teleporter Ember Pierce wakes up in a Los Angeles hospital, she remembers only the basics: she's been trained by the government as a spy, she's sent on dangerous missions, and her last assignment—the one that landed her in the hospital—was a setup. Caden Hawthorne has spent the past ten months of his life grieving Ember's death. So when she shows up in his room like an apparition, he can't believe his eyes. But this Ember is different. Her hair is longer, her skin is paler, her gaze is haunted. She tells him what he's already begun to suspect: someone he trusted betrayed her. Now, uncertain who is friend and who is foe, Ember and Caden face the toughest mission of their lives—to stay together and survive, as they run from danger toward an unknown future.

In the fourth novel in Anne Bishop's New York Times bestselling series, the Others will need to decide how much humanity they're willing to tolerate—both within themselves and their community... Since the Others allied themselves with the cassandra sanguine, the fragile yet powerful human blood prophets who were being exploited by their own kind, the dynamic between humans and Others has changed. Some, such as Simon Wolfgard, wolf shifter and leader of the Lakeside Courtyard, and blood prophet Meg Corbyn see the closer companionship as beneficial. But not everyone is convinced. A group of radical humans is seeking to usurp land through a series of violent attacks on the Others. What they don't realize is that there are older and more dangerous forces than shifters and vampires protecting the land—and those forces are willing to do whatever is necessary to safeguard what is theirs...

A dark fae prince. A stolen human girl. And an unwanted marriage. Not all beasts can be redeemed... Callie doesn't believe in fairy tales. Too bad they believe in her. The fae whisk Callie and her friend off to be prisoners of an eternal dance. But Callie is stolen again. Maybe the eternal dance wasn't so bad after all... A lethal fae has taken her as his unwilling bride, and she has to balance between life and death in his castle, while finding a way out of the dangerous fae realm. Only, she's playing games with the Prince of War. The Prince learns just how far Callie will go to save her friend from a lifetime of torture—and just what she will do to save herself from his clutches. Callie must escape the wicked prince before she turns from prisoner to prey. But as the prince himself tells her, 'Sacrifice is no noble thing in the fae realm.' Everything in the fae realm comes at a price... The Prince's Prisoner is a Dark Fae Retelling of the original Beauty and the Beast, and is the second book in the anthology series, Feared Fables. Can be read as a stand-alone. Please be aware of themes.

In this sequel to The Kinder Poison—which People magazine proclaimed a "delicious high-stakes adventure"—the magical kingdom of Orkena is on the brink of war, and the only person who can save it is Zahru, the girl they once doomed to death. After surviving the Crossing, Zahru has sworn off adventures. While Crown Prince Jet navigates the looming threat of war, she's content to simply figure out what the future holds for them. But they're dealt a devastating blow when prince Kasta returns with a shocking claim: he's the true winner of the Crossing and the rightful heir, and he bears the gods' mark as proof. Even more surprising—he's not the only one. Somehow, Zahru possesses the very same mark, giving her equal right to the throne. The last thing she wants is to rule beside her would-be executioner, but she can't let Orkena fall into his merciless hands. So Zahru, Jet, and their allies must race against the clock to find a way to stop Kasta, because once he's crowned, there's no telling what horrors he'll unleash to win the war. Zahru will do whatever it takes to keep Kasta from taking the throne...but to stop a villain, is she willing to become one herself?

“Fun for Twilight fans!” - School Library Journal Seventeen-year-old Bryar Rose has a problem. She’s descended from one of the three magical races—shifters, fairies, or witches. That makes her one of the Magicorum, and Magicorum always follow a fairy tale life template. In Bryar’s case, that template should be Sleeping Beauty. Should being the key word. Trouble is, Bryar is nowhere near the sleeping beauty life template. Not even close. She doesn’t like birds or woodland creatures. She can’t sing. And she certainly can’t stand Prince Philpot, the so-called “His Highness of Hedge Funds” that her auntsies want her to marry. Even worse, Bryar’s having recurring dreams of a bad boy hottie and is obsessed with finding papyri from ancient Egypt. What’s up with that? “Exciting and well-conceived” – Kirkus All Bryar wants is to attend a regular high school with normal humans and forget all about shifters, fairies, witches, and the curse that Colonel Mallory the Magnificent placed on her. And she might be able to do just that--if only she can just keep her head down until her eighteenth birthday when the spell that’s ruined her life goes buh-bye. But that plan gets turned upside down when Bryar Rose meets Knox, the bad boy who’s literally from her dreams. Knox is a powerful werewolf, and his presence in her life changes everything, and not just because he makes her knees turn into Jell-O. If Bryar can’t figure out who—or what—she really is, it might cost both her and Knox their lives... as well as jeopardize the very nature of magic itself. A siren is reunited with her former flame - a Fae King - as they try and save his kingdom from an evil force who has also been keeping them from their happy ending.

I took off in a run, stopping on the other side of the trees. Where Atlantis had once stood was now nothing but water and the tops of buildings. Hands protruded from the water, along with bubbles and the horrid screams of the dying. A large group of humans stood on the bank laughing and pointing, as my brothers and sisters screamed for help.Anger flashed through my every pore in an instant, oozing out of my body. That was until I saw the castle jolt, then slam three stories into the water. Only the top story was left above... the story Athan was still on.Without thinking, I jumped onto the top of the nearest building. It jerked under my weight and sunk a little farther. Water swished over my bare foot and I screamed. I forced myself to leap onto the next building. I almost slipped, but gained my balance by grabbing another fairy's arm.She was only halfway above the water, and was far younger than me. Her eyes were desperate for help, her arms chained to the floor beneath her. She was stuck inside the building while I was hanging off the outside. I looked from her to castle, tears welling in my eyes.She stayed silent, letting go of my arm, and nodding for me to go. I jumped to the next building without looking back at her. She and I both knew she would be dead within the next few minutes.The building I was now on was longer, and closer to my destination. I was able to run the length of it and jump onto the side of the castle.I dug my claws into the marble and made my way into the window I had earlier flown out of. As soon as my feet hit the floor I began running to our room. I could hear his screams echoing through the halls. He was the only one on this floor. I probably could have made it through the water and to him a lot faster if I had flichtated, but all I could think of was my husband chained to the floor awaiting his death.
