

A Truth Universally Acknowledged 33 Great Writers On Why We Read Jane Austen

Reaffirming the “greatness and inestimable value of human life,” Pope John Paul II discusses in this encyclical letter the present-day legal, ethical, and moral threats to life.

To young Christians of the world, Pope Francis has a message for you: “Christ is alive, and he wants you to be alive!” In his fourth apostolic exhortation, Christus Vivit, Pope Francis encapsulates the work of the 2018 synod of bishops on “Young People, The Faith, and Vocational Discernment.” Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. “May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us.”

‘MEIN KAMPF’ is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany’s deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the trumph of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and ‘public statements’ constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler’s ideal, the Volkischer Staat, as the People’s State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied untilt go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

Given the degree of popular fascination with Gnostic religions, it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day: Mandalism. Mandaeans, who esteem John the Baptist as the most famous adherent to their religion, have in our time found themselves driven from their historic homelands by war and oppression. Today, they are a community in crisis, but they provide us with unparalleled access to a library of ancient Gnostic scriptures, as part of the living tradition that has sustained them across the centuries. Gnostic texts such as these have caught popular interest in recent times, as traditional assumptions about the original forms and cultural contexts of related religious traditions, such as Judaism, Christianity, and Islam, have been called into question. However, we can learn only so much from texts in isolation from their own contexts. Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism, and by extension all these other religions, but also to observe the relationship between Gnostic texts, rituals, beliefs, and living practices, both historically and in the present day.

33 Reasons why We Can’t Stop Reading Jane Austen

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers’ passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

It is a truth universally acknowledged, that a single man in possession of a good fortune, must be in want of a wife. So runs one of the most famous opening lines in English literature. Setting the scene in Pride and Prejudice, it deftly introduces the novel’s core themes of marriage, money, and social convention, themes that continue to resonate with readers over 200 years later. Jane Austen wrote six of the best-loved novels in the English language, as well as a smaller corpus of unpublished works. Her books pioneered new techniques for representing voices, minds, and hearts in narrative prose, and, despite some accusations of a blinkered domestic and romantic focus, they represent the world of their characters with unsparing clarity. Here, Tom Keymer explores the major themes throughout Austen’s novels, setting them in the literary, social, and political backgrounds from which they emerge, and showing how they engage with social tensions in an era dominated by the French Revolution and the Napoleonic Wars. The Jane Austen who emerges is a writer shaped by the literary experiments and socio-political debates of her time, increasingly drawn to a fundamentally conservative vision of social harmony, yet forever complicating this vision through her disruptive ironies and satirical energy.

An Austen scholar and therapist reveals Jane Austen’s intuitive ability to imbue her characters with hallmarks of social intelligence—and how these beloved works of literature can further illuminate the mind-brain connection. Why is Jane Austen so phenomenally popular? Why do we read Pride and Prejudice again and again? Why do we delight in Emma’s mischievous schemes? Why do we care that Anne Elliot of Persuasion suffers? We care because it is our biological destiny to be interested in people and their stories—the human brain is a social brain, and Austen’s characters are so believable that, for many of us, they are not just imaginary beings, but friends whom we know and love. And thanks to Austen’s ability to capture the breadth and depth of human psychology so thoroughly, we feel that she empathizes with us. Humans have a profound need for empathy, to know that we are not alone with our joys and sorrows. We see ourselves and others reflected in Austen’s work. Social intelligence is one of the most highly developed human traits when compared with other animals. How did it evolve? Why is it so valuable? Wendy Jones explores the many facets of social intelligence and juxtaposes them with the Austen cannon. Brilliantly original and insightful, this fusion of psychology, neuroscience, and literature provides a heightened understanding of one of our most beloved cultural institutions—and our own minds.

One of BuzzFeed’s best YA books of 2021! Perfect for fans of the Lady Janies and Stalking Jack the Ripper, the first book in the Jane Austen Murder Mysteries trilogy is a clever retelling of Pride and Prejudice that reimagines the iconic settings, characters, and romances in a thrilling and high-stakes whodunit. When a scandalous murder shocks London high society, seventeen-year-old aspiring lawyer Lizzie Bennet seizes the opportunity to prove herself, despite the interference of Mr. Fitzwilliam Darcy, the stern young heir to the prestigious firm Pemberley Associates.

Convinced the authorities have imprisoned the wrong person, Lizzie vows to solve the murder on her own. But as the case—and her feelings for Darcy—become more complicated, Lizzie discovers that her dream job could make her happy, but it might also get her killed. Three of Jane Austen’s classic novels receive a murder mystery makeover in this romantic and thrilling three-book series that’s perfect for fans of The Lady’s Guide to Petticoats and Piracy, Pride and Premeditation is followed by Sense and Second-Degree Murder, in which aspiring scientist Elinor Dashwood and her sister Marianne, a budding detective, work together to solve the mystery of their father’s murder.

A Jane Austen Education

On the Value and Inviolability of Human Life

Belle

A Truth Universally Acknowledged

The Gray Rhino

Laughing Feminism

It is a truth universally acknowledged that every bookworm secretly wishes to be Lizzy Bennet from Pride and Prejudice. A less acknowledged truth is that Mary Bennet might be a better fit. For Marnie Barnes, realizing she’s a Mary Bennet is devastating. But she’s determined to reinvent herself, so she enlists the help of her bubbly roommate and opens up to the world. And between new friends, a very cute boy, and a rescue pup named Sir Pat, Marnie finds herself on a path to becoming a new person entirely. But she’s no Lizzy, or even Mary—instead, she’s someone even better: just plain Marnie. With a hilariously sharp voice, a sweet and fulfilling romance that features a meet-cute in an animal shelter, and a big family that revets in causing big problems, this charming comedy of errors about a girl who resolves to become the main character of her own story (at any and all costs), is perfect for fans of Jenny Han and Becky Albertali...and Jane Austen, of course.

Do you know that you are programmed to be who you are at this moment, with all your predicted successes and failures? Civilizations have been born and completed and then forgot- ten again and again. There is nothing new under the sun. What is has been. All that we learn and discover has existed before" (Colonel James Churchward, 33rd degree Freemason). However, "each generation imagines itself to be more intelli- gent than the one that went before it, and wiser than the one that comes after it" (George Orwell, 33rd degree Freemason). Maybe you've been able to somehow challenge the system in which you've been raised by achieving some things that we- ren't expected in your lifetime while complying with many others that you weren't in favor of, but surely you didn't transform it enough, or you would have lost friends, relatives, jobs and even love. "Anyone who challenges the prevailing orthodoxy finds himself silenced with surprising effectiveness. A genuinely unfashionable opinion is almost never given a fair hearing" (George Orwell, Freemason). Do you remember quitting your dreams? It was supposed to happen. Any advice received from people around you, especi- ally the ones that love you the most, were fabricated to make you follow the same mind programming in which you and them are included so that nobody goes out of it. "If thought corrupts language, language can also corrupt thought" (Geor- ge Orwell, Freemason), and that's how the sentences heard since you were born, from parents, teachers and friends, as well as ideas strongly imposed by the media, conditioned the way you think as an individual. This programming is so strong that interferes with our emoti- ons and affects our personality. Nonetheless, within this book a path is shown to deprogram yourself, develop the power of being aware of the universal truth and change life as much as you want it to be changed. Hopefully, you'll "stretch thinking and awareness" while "uncovering many truths" just like other readers of this bestseller recognized to have accom- plished. We're now living in the Age of Aquarius, and "as Aquarius is an airy, scientific and intellectual sign, the New Faith for this age must be rooted in reason" (Max Heindel, Rosicrucian Fel- lowship). This is the prophecy and this book shows the way to understand it and accept it by alchemically transforming your conscience and spirit for the order of the new world. Taking into consideration the amount of information present here and the level of simplification applied, this is surely the most empowering, enlightening, complete and uplifting book you'll ever read in your entire life about gaining wealth, power and health with the law of attraction.

Whether you're new to Austen's work or know it backwards and forwards already, this book provides a clear, full and highly engaging account of how Austen's fiction works and why it matters. Exploring new pathways into the study of Jane Austen's writing, novelist and academic Jenny Davidson looks at Austen's work through a writer's lens, addressing formal questions about narration, novel writing, and fictional composition as well as themes including social and women's history, morals and manners. Introducing new readers to the breadth and depth of Jane Austen's writing, and offering new insights to those more familiar with Austen's work, Jenny Davidson celebrates the art and skill of one of the most popular and influential writers in the history of English literature.

"A "gray rhino" is a highly probable, imminent threat; we can see the dust cloud on the horizon long before the charging animal comes into view. Gray rhinos are not random, but occur after a series of warnings and visible events. The Lehman Brothers crash of 2008, the devastating aftermath of Hurricane Sandy and other natural disasters, the file-sharing that presaged the collapse of the traditional music business model, the rising chaos in the Middle East...all were evident well in advance of the consequences. Gray rhinos are much easier to spot and guard against than "black swans" - the rare, truly unforeseen catastrophes. Why then, when faced with solvable problems, do we continually fail to address them before they spiral out of control? Drawing on her extensive background in policy formation and crisis management, as well as in-depth interviews with leaders from around the world, Michele Wucker explains in The Gray Rhino how significant crises can be recognized and countered strategically. Filled with persuasive stories, real-world examples, and practical advice, The Gray Rhino is essential reading for managers, investors, planners, policy makers, and anyone who wants to understand how change really occurs"--

The 88 Secret Codes of the Power Elite

The Joy of the Gospel

The perfect gift: A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus. In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the church’s journey in years to come.” – Pope Francis This special edition of Pope Francis’s popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, the refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage

An examination of comedy and feminism in the works of early women British novelists.

Presents a guide to Jane Austen's work in the context of her contemporary world

The main part of Polybius's history covers the years 264–146 BCE. It describes the rise of Rome to the destruction of Carthage and the domination of Greece by Rome.--From publisher description.

Dancing with Mr. Darcy

Exploring the Science of Social Intelligence with Jane Austen

The Command of the Air

Being Mary Bennet

The sensational true tale that inspired the major motion picture Belle starring Tom Wilkinson, Miranda Richardson, Emily Watson, Penelope Wilton, and Matthew Goode—a stunning story of the first mixed-race girl introduced to high society England and raised as a lady. The illegitimate daughter of a captain in the Royal Navy and an enslaved African woman, Dido Belle was sent to live with her great-uncle, the Earl of Mansfield, one of the most powerful men of the time and a leading opponent of slavery. Growing up in his lavish estate, Dido was raised as a sister and companion to her white cousin, Elizabeth. When a joint portrait of the girls, commissioned by Mansfield, was unveiled, eighteenth-century England was shocked to see a black woman and white woman depicted as equals. Inspired by the painting, Belle vividly brings to life this extraordinary woman caught between two worlds, and illuminates the great civil rights question of her age: the fight to end slavery. Belle includes 20 pages of black-and-white photos.

This Pride & Prejudice retelling brings New York Times bestselling Sayantani DasGupta’s trademark wit and insight to her bright and funny YA debut! It is a truth universally acknowledged that Leela Bose plays to win. A life-long speech competitor, Leela loves nothing more than crushing the competition, all while wearing a smile. But when she meets the incorrigible Firoze Darcy, a debater from an elitist private school, Leela can’t stand him.

Unfortunately, he’ll be competing in the state league, so their paths are set to collide. But why attempt to tolerate Firoze when Leela can one-up him? The situation is more complicated than Leela anticipated, though, and her participation in the tournament reveals that she might have tragically misjudged the debaters -- including Firoze Darcy -- and more than just her own winning streak is at stake...her heart is, too. Debating Darcy is bestselling author Sayantani DasGupta’s reinterpretation of beloved classic Pride and Prejudice -- imaginative, hilarious, thought-provoking, and truly reflective of the complex, diverse world of American high school culture.

Reading Jane Austenexplores Mansfield Park, Pride and Prejudice, Emma, and Persuasion against their historical and cultural backdrop to show precisely how Jane Austen sets out the core themes of British morality in her novels. Austen s period was arguably the most socially and politically tumultuous in England s history, and by replacing the novels in this remarkable era, Scheuermann sharply defines Austen s view of the social contract.

The Complete Novels of Jane Austen brings together the indelible characters, picturesque locations, and masterful storytelling of Jane Austen, one of the most beloved and celebrated authors of all time. This special ebook edition includes all of Austen’s published works: Sense and Sensibility, Pride and Prejudice, Mansfield Park, Emma, Love and Friendship and Other Early Works, Lady Susan, Northanger Abbey, and Persuasion. These novel contain some of the most brilliant, dazzling prose in the English language. In a publishing career that spanned less than a decade, Jane Austen used the romantic endeavours of her well-plotted characters as a stage from which to address issues of gender politics and class-consciousness rarely expressed in her day. Through her vivacious and spirited heroines and their circle, she painted vivid portraits of English middle-class life as the eighteenth century came to a close.

Each of these novels is a love story and a story about marriage—marriage for love, for financial security, for social status. But they are not mere romances. Ironic, comic, and wise, they are masterly studies of the society Austen observed. This collection features the following works: Emma Lady Susan Love and Friendship and Other Early Works Mansfield Park Northanger Abbey Persuasion Pride and Prejudice Sense and Sensibility (The Complete Works of Jane Austen by Jane Austen, 9789380914794)

Pride, Prejudice, and Other Flavours

How to Recognize and Act on the Obvious Dangers We Ignore

Encyclical on Fraternity and Social Friendship

The Slave Daughter and the Lord Chief Justice

Collects essays from actors, directors, and writers, including Brian Cox, James Earl Jones, and Joyce Carol Oates, about their appreciation of the famed playwright.

Reproduction of the original: A Doll '7s House by Henrik Ibsen

Why are we so fascinated with Jane Austen’s novels? Why is Austen so universally beloved? The essays in this volume offer their thoughts on the delightful puzzle of Austen’s popularity. Classic and contemporary writers—novelists, essayists, journalists, scholars, and a filmmaker—discuss the tricks and treasures of Austen’s novels, from her witty dialogue, to the arc and sweep of her story lines, to her prescriptions for life and love. Virginia Woolf examines Austen’s maturation as an artist and speculates on how her writing would have changed had she lived another twenty years, while Anna Quindlen examines the enduring issues of social pressure and gender politics that make Pride and Prejudice as vital today as ever. From Harold Bloom to Martin Amis, Somerset Maugham to Jay McInerney, Eudora Welty to Amy Bloom, each writer reflects on Austen’s place in both the literary canon and our cultural imagination.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numericalogical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Christus Vivit

The Gospel of Life

Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town s marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn t as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon s heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

In Masters of Fact in Jane Austen: History, Location, and Celebrity, Janine Barchas makes the bold assertion that Jane Austen’s novels allude to actual high-profile politicians and contemporary celebrities as well as to famous historical figures and landed estates. Barchas is the first scholar to conduct extensive research into the names and locations in Austen’s fiction by taking full advantage of the explosion of archival materials now available online. According to Barchas, Austen plays confidently with the tension between truth and invention that characterizes the realist novel. Of course, the argument that Austen deployed famous names presupposes an active celebrity culture during the Regency, a phenomenon recently accepted by scholars. The names Austen plucks from history for her protagonists (Dashwood, Wentworth, Woodhouse, Tilney, Fitzwilliam, and many more) were immensely famous in her day. She seems to bank upon this familiarity for interpretive effect, often entering associations with comic intent. Barchas re-situates Austen’s work closer to the historical novels of her contemporary Sir Walter Scott and away from the domestic and biographical perspectives that until recently have dominated Austen studies. This forward-thinking and revealing investigation offers scholars and ardent fans of Jane Austen a wealth of historical facts, while shedding an interpretive light on a new aspect of the beloved writer’s work. —Joseph Roach, Sterling Professor of Theater and English, Yale University, and author of It

It is a truth universally acknowledged, that a single guinea pig in possession of a good fortune must be in want of a wife. It is a truth personally acknowledged by Mrs. Bennet that all five of her fury daughters-Jane, Elizabeth, Mary, Kitty, and Lydia-are in need of husbands. To her mother’s grave disappointment, Elizabeth Bennet is headstrong and won’t take just anyone, especially not the haughty Mr. Darcy.* Elizabeth blames the arrogant gentleman for steering Mr. Bingley, one of the rare men in possession of a good fortune, away from her older sister Jane. But when boy-crazy Kitty and Lydia fall in with the wrong crowd, it is Darcy who saves the day-and the Bennet family honor-and wins Elizabeth’s tiny, rapidly beating rodent heart. This delightful retelling of Pride and Prejudice is illustrated throughout with full color photos of the finest guinea pig actors working today. Costumers familiar with the elegant curves of the guinea pig form have tailored lush period looks. And of course, it is the love between guinea pigs that can best illustrate the depth of feeling between Jane Austen’s Elizabeth and Mr. Darcy.*The guinea pig playing Darcy struggled with looking supercilious, though rest assured, when carrots were removed from the elegant sets, the actor was able to still his nose long enough to look down it, and once he donned his summer-weight waistcoat, he made a fine and dashing Darcy.

A reexamination of Austen’s unpublished writings that uncovers their continuity with her celebrated novels--and that challenges distinctions between her "early" and "late" work Jane Austen’s six novels, published toward the end of her short life, represent a body of work that is as brilliant as it is compact. Her earlier writings have routinely been dismissed as mere juvenilia, or stepping stones to mature proficiency and greatness. Austen’s first biographer described them as "childish effusions." Was he right to do so? Can the novels be definitively separated from the unpublished works? In Jane Austen, Early and Late, Freya Johnston argues that they cannot. Examining the three manuscript volumes in which Austen collected her earliest writings, Johnston finds that Austen’s regard and affection for them are revealed by her continuing to revisit and revise them throughout her adult life. The teenage works share the milieu and the humour of the novels, while revealing more clearly the sources and influences upon which Austen drew. Johnston upends the conventional narrative, according to which Austen discarded the satire and fantasy of her first writings in favour of the irony and realism of the novels. By demonstrating a stylistic and thematic continuity across the full range of Austen’s work, Johnston asks whether it makes sense to speak of an early and a late Austen at all. Jane Austen, Early and Late offers a new picture of the author in all her complexity and ambiguity, and shows us that it is not necessarily true that early work yields to later, better things.

The Duke and I

A Novel

Matters of Fact in Jane Austen

Locked in Time

The Suburbs is an incredibly sentimental and nostalgic album, which generally moved critics but was jarring to others. But it also made a heavy impact on fans and l to the surprise of many f album of the Year at the 2011 Grammy Awards. This immensely visceral album triggers a sincere celebration of not formative years spent in a cookie-cutter development, but of feeling self-important, immortal, and desperate to escape. It examines youth and amplifies an innate sense of longing and remembrance. Eric Edelstein’s The Suburbs explores this weird, utopic recollection of youth by comparing the album to suburban scenes in film and television, such as Blue Velvet, Mad Men, The Americans, and Spike Jonze’s Scenes from the Suburbs. Through the close examination of film and televised depictions of the suburbs, both past and present, Edelstein delves into the societal factors and artistic depictions that make the suburbs such a fascinating cultural construct, and uncovers why the album creates such a relatable and universal sense of reminiscence.

What better way to start a day than with inspiration from a literary classic? Now you can do just that. This book, praised author and critic Halle Ephron delivers a daily dose of literary knowledge. A brilliant comment on the canon of great literature, it’s perfect for anyone who wants a novel way to energize each day. Ephron’s work is a secular twist on the traditional devotional and provides concise plot summaries, sketches of standout characters, quotations you should know, and more about hundreds of books by tried-and-true authors as well as new literary voices. Whether it’s coffee with Austen, a quick lunch with

Faulkner, or an end-of-the-day jolt with Chabon, this book proves a good book is a great source of daily inspiration.

This delightful volume celebrates the love affair with Jane Austen’s ECONOMIST What explains our enduring fascination with Austen? Why, after 200 years, do her books still inspire such devotion? This book brings together thirty-three writers, past and present, on just what it is about Jane. Jay McInerney confesses to serial crushes on most of Austen’s heroines, and celebrates her belief in true love. Amy Heckerling reveals how she transformed Emnainto the hit romantic comedy Clueless, and Martin Amis muses on Pride and Prejudiccas a divine comedy of love, while Fay Weldon wonders whether the ‘bad girls in Mansfield Park’have more fun. Whether discussing Austen’s gift for comedy, or why she would be an ideal dinner guest (although she wouldn’t want to come), A Truth Universally Acknowledgedreminds us why we still love the author who wrote about love better than anyone else in the world. This is a call for both newcomers to the charms of Jane Austen and long-time ‘Janeties’... an invitation for us to understand why we are so in her thrall! CHICAGO TRIBUNE

[What a wonderful collection! Each story is like a little treasure just waiting to be unwrapped, bringing its own unique and engaging perspective to the Austen mythos. A real treat for Jane Austen fans!] ©Syrice James, bestselling author of The Lost Memoirs of Jane Austen and Dracula, My Love Dancing with Mr. Darcy is a sterling collection of short stories inspired by beloved novelist Jane Austen and Chawton House, her longtime home. Stories Inspired by Jane Austen and Chawton House Library

Award-winning author Sonali Dev launches a new series about the Indian family descended from royalty, who have built their lives in San Francisco... It is a truth universally acknowledged that only in an overachieving Indian American family can a genius daughter be considered a black sheep. Dr. Trisha Raje is San Francisco’s most acclaimed neurosurgeon. But that’s not enough for the Rajes, her influential immigrant family who’s achieved power by making its own non-negotiable rules: . Never trust an outsider. . Never do anything to jeopardize your brother’s political aspirations. . And never, ever, defy your family Trisha is guilty of breaking all three rules. But now she has a chance to redeem herself. So long as she doesn’t repeat old mistakes. Up-and-coming chef DJ Caine has known people like Trisha before, people who judge him by his rough beginnings and place pedigree above character. He needs the lucrative job the Rajes offer, but he values his pride too much to indulge Trisha’s arrogance. And then he discovers that she’s the only surgeon who can save his sister’s life. As the two clash, their assumptions crumble like the spun sugar on one of DJ’s stunning desserts. But before a future can be savored there’s a past to be reckoned with... A family trying to build home in a new land. A man who has never felt at home anywhere. And a choice to be made between the two.

An eloquent memoir of a young man’s life transformed by literature. In A Jane Austen Education, Austen scholar William Deresiewicz turns to the author’s novels to reveal the remarkable life lessons hidden within. With humor and candor, Deresiewicz employs his own experiences to demonstrate the enduring power of Austen’s teachings. Progressing from his days as an immature student to a happily married man, Deresiewicz’s A Jane Austen Education is the story of one man’s discovery of the world outside himself. A self-styled intellectual rebel dedicated to writers such as James Joyce and Joseph Conrad, Deresiewicz never thought Austen’s novels would have anything to offer him. But when he was assigned to read Emma as a graduate student at Columbia, something extraordinary happened. Austen’s devotion to the everyday, and her belief in the value of ordinary lives, ignited something in Deresiewicz. He began viewing the world through Austen’s eyes and treating those around him as generously as Austen treated her characters. Along the way, Deresiewicz was amazed to discover that the people in his life developed the depth and richness of literary characters—that his own life had suddenly acquired all the fascination of a novel. His real education had finally begun. Weaving his own story—and Austen’s—around the ones her novels tell, Deresiewicz shows how her books are both about education and themselves an education. Her heroines learn about friendship and feeling, staying young and being good, and, of course, love. As they grow up, they learn lessons that are imparted to Austen’s reader, who learns and grows by their sides. A Jane Austen Education is a testament to the transformative power of literature, a celebration of Austen’s mastery, and a joy to read. Whether for a newcomer to Austen or a lifelong devotee, Deresiewicz brings fresh insights to the novelist and her beloved works. Ultimately, Austen’s world becomes indelibly entwined with our own, showing the relevance of her message and the triumph of her vision.

The Italian General Giulio Douhet reigns as one of the twentieth century’s foremost strategic air power theorists. As such scholars as Raymond Flugel have pointed out, Douhet’s theories were crucial at a pivotal pre-World War II Army Air Force institution, the Air Corps Tactical School.

Author Crowley’s The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner’s knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley’s original text, including the important keys, sigils and diagrams often omitted from reprints.
