Insight Guides Great Break Edinburgh

Create authentic, show-stopping 18th century gowns for reenactment or cosplay by using traditional hand sewing techniques from the era.With the popularity of Outlander, Penny Dreadful and Game of Thrones --as well as the popularity of conventions like San Diego Comic Con--fans are eager to create period gowns that emulate the characters they love. Lauren Stowell and Abby Cox, owners of the popular online store American Duchess, have teamed together to recreate four complete dresses from the 18th century. Whether readers are experienced seamstresses or are new to hand sewing, they won't want to miss this comprehensive guide. The projects include The English Gown, The Sacque, The Italian Gown and The Round Gown. Each project is broken down into easy-to-follow steps and Lauren and Abby tackle every detail--fabric, patterns, stitch techniques, accessories, shortcuts and troubleshooting. Whether you choose a romantic 1790s muslin gown or a grand saque gown of silk taffeta, you will feel like you just stepped out of your favorite novel or period of history. Lauren and Abby's company, American Duchess, has been featured on Late Night with Seth Meyers, Reno Gazette Journal, the Today Show and Garmz.com. Their historically accurate shoes have been used in productions by the New York Metropolitan Opera, Ford's Theater, Broadway's Cinderella, The Jimmy Fallon Show and The Knick . Lauren and Abby have over 32k Facebook followers and over 34k followers on Instagram.

A Visitor's Guide to the Literary South

A Travel Guide

Lonely Planet Georgia, Armenia & Azerbaijan

A Sovereign Country of the Caucasus

Step back in time and discover the sights, sounds and smells of London through the ages in this enthralling journey into the capital's rich, teeming and occasionally hazardous past. 'London: A Travel Guide Through Time is easily the most engaging social history of the capital since the books of Liza Picard a decade ago.' - Londonist Let time traveller Dr Matthew Green be your guide to six extraordinary periods in London's history - the ages of Shakespeare, medieval city life, plague, coffee houses, the reign of Victoria and the Blitz. We'll turn back the clock to the time of Shakespeare and visit a savage bull and bear baiting arena on the Bankside. In medieval London, we'll circle the walls as the city lies barricaded under curfew, while spinning further forward in time we'll inhale the 'holy herb' in an early tobacco house, before peering into an open plague pit. In the 18th century, we'll navigate the streets in style with a ride on a sedan chair, and when we land in Victorian London, we'll take a tour of freak-show booths and meet the Elephant Man. You'll meet pornographers and traitors, the mad, bad and dangerous to know, all desperate to show you the thrilling and vibrant history of the world's liveliest city. Discover and explore the most fabled venues in American letters. Follow in the footsteps of some of American literature's most renowned writers: See the hotel in Louisville, Kentucky, that inspired F. Scott Fitzgerald to pen The Great Gatsby. Step inside the Asheville, North Carolina, home that became the model for Thomas Wolfe's Look Homeward Angel. Visit the Florida lighthouse whose beacon Stephen Crane followed after his shipwreck. Wander along the West Lawn at the University o Virginia and see the house where Edgar Allan Poe lived. This literary journey will bring you to these sites and more as you travel throughout the American South. From Virginia to Louisiana, you will experience the haunts, havens, and homesteads of important writers who lived in, visited, or were inspired by the South's fertile soil.

In Georgian London: Into the Streets, Lucy Inglis takes readers on a tour of London's most formative age - the age of love, sex, intellect, art, great ambition and fantastic ruin. Travel back to the Georgian years, a time that changed expectations of what life could be. Peek into the gilded drawing rooms of the aristocracy, walk down the quiet avenues of the new middle class, and crouch in the damp doorways of the poor. But watch your wallet - tourists make perfect prey for the thriving community of hawkers, prostitutes and scavengers. Visit the madhouses of Hackney, the workshops of Soho and the mean streets of Cheapside. Have a coffee in the city, check the stock exchange, and pop into St Paul's to see progress on the new dome. This book is about the Georgians who called London their home, from dukes and artists to rent boys and hot air balloonists meeting dog-nappers and life-models along the way. It investigates the legacies they left us in architecture and art, science and society, and shows the making of the capital millions know and love today. 'Read and be amazed by a city you thought you knew' Jonathan Foyle, World Monuments Fund 'Jam-packed with unusual insights and facts. A great read from a talented new historian' Independent 'Pacy, superbly researched. The real sparkle lies in its relentless cavalcade of insightful anecdotes . . . There's much to treasure here' Londonist 'Inglis has a good ear for the outlandish, the farcical, the bizarre and the macabre. A wonderful popular history of Hanoverian London' London Historians In 2009 Lucy Inglis began blogging on the lesser-known aspects of London during the Eighteenth Century - including food, immigration and sex- at GeorgianLondon.com. She lives in London with her husband. Georgian London is her first book.

This pocket-sized guide is a convenient, quick-reference companion to discovering what to do, what to see and how to get around Dublin. It covers top attractions like Temple Bar and tours of Georgian Dublin, as well as hidden gems, including The Book of Kells, the National Gallery and Christchurch Cathedral, as well as a once in a lifetime trip to the beautiful Wicklow Mountains and exploring the shopping delights of Grafton Street, or roaming around Dublin Castle and Phoenix Park. The Time Traveler's Guide to Regency Britain

Daily Life in the Georgian and Regency Periods

This beautifully illustrated book explores the rich complexity of Regency clothing through the lens of the collected writings of Jane Austen.

An authoritative account of everyday life in Regency England, the backdrop of Austen's beloved novels, from the authors of the forthcoming Gibraltar: The Greatest Siege in British History (March 2018) Jane Austen, arguably the greatest novelist of the English language, wrote brilliantly about the gentry and aristocracy of two centuries ago in her accounts of young women looking for love. Jane Austen’s England explores the customs and culture of the real England of her everyday existence depicted in her classic novels as well as those by Byron, Keats, and Shelley. Drawing upon a rich array of contemporary sources, including many previously unpublished manuscripts, diaries, and personal letters, Roy and Lesley Adkins vividly portray the daily lives of ordinary people, discussing topics as diverse as birth, marriage, religion, sexual practices, hygiene, highwaymen, and superstitions. From chores like fetching water to healing with medicinal leeches, from selling wives in the marketplace to buying smuggled gin, from the hardships faced by young boys and girls in the mines to the familiar sight of corpses swinging on gibbets, Jane Austen’s England offers an authoritative and gripping account that is sometimes humorous, often shocking, but always entertaining.

Walk in Jane Austen's footsteps with this unique travel guide - the first book to explore England in relation to its most beloved Regency author. Rambling across the rolling fields of Hampshire, along the bustling streets of London and around the golden crescents of Bath, Jane Austen's England is the perfect companion for any Janeite planning a pilgrimage. Functionally arranged by region, each chapter tracks down the most iconic scenes from both the big and little screen, as well as the key destinations where Jane lived, danced and wrote. Descriptions of each location are interspersed with biographical anecdotes and local history. Subsections focus on various stately homes that have been featured in every adaptation of every novel, from the beloved Pride and Prejudice television series (1995, Jennifer Ehle and Colin Firth) to Pride and Prejudice and Zombies (2016). With a compilation of websites, seasonal opening hours and tour details, this compact book contains everything you need to immerse yourself in Austen. AUTHOR: Karin Quint is a journalist and photographer, based in The Netherlands. Whether through images or the written word, Quint has a passion for capturing the world around her. Quint discovered Austen unwittingly at 20, when she picked up De Gezusters Bennet (The Bennet Sisters) for ten cents at a flea market: the Dutch translation of Pride and Prejudice. She set up JaneAusten.nl in search of fellow enthusiasts, which introduced her to the worldwide Jane Austen community. Quint is an ambassador for the Jane Austen Literacy Foundation. She has co-written two other travel guides about Wales and Scotland. SELLING POINTS: * The first and only travel guide that focuses on Austen's life, work, and legacy *

Packed with travel tips, walking routes, tour times and Austen trivia * A great gift for any Austen fan - but will also be appreciated by ramblers, Anglophiles, and anyone with an interest in Regency England 180 colour images

Recipient of the Geoffrey Roberts Award, this book delves head first into the 8,000 year-old wine traditions of the Republic of Georgia. A storied past, this mountainous country on the Black Sea is finally getting recognition for its unique and wonderful wines and grapes including Rkatsiteli, Saperavi, Chinuri, Krakhuna, Kisi, and over 400 more. Made in both the “international method” of barrel and tank aging as well as the ancient method of terracotta pots called “kvevri”, Georgia offers up a wine for everyone and delicious local dishes to accompany them. This is your complete guide to the wines, food, and people of this beautiful land.

Georgian Cuisine Guide

Regency Fashion

Situated at the crossroads of Europe, Asia and the Middle East, Georgia offers Turkish-style cuisine, trekking opportunities in unspoilt valleys and some of the most hospitable people you're ever likely to meet. An ancient land where Noah's son Thargamos settled and Jason went to obtain the golden fleece, it now has a flourishing modern scene in Tbilisi's caf s, theatres and markets. Tim Burford covers every aspect of this fascinating country, from the pagans of Khevsureti who speak in verse to the desert monastery at Uدابno. Combined with copious detail on Georgian customs, music and full practical information, the Bradt guide remains the essential choice for the curious visitor.

The Georgian Bay Ship Canal was a river and lake canalization scheme designed to create a commercial waterway along the route of the voyageurs. It was the dream of Canadian businessmen and entrepreneurs for centuries. Originally a trade route for Indigenous peoples, it became Canada's first Trans-Canada Highway during the fur trade, greatly contributing to the economic development of the colonies of France and later Britain. In the early years of Canadian nationhood it was viewed as the shortest route to get prairie grain to world markets. The canal scheme was supported by no fewer than six Canadian Prime Ministers and for a century less two years was surveyed a dozen times. It was also hotly debated in the Canadian Senate and House of Commons. The scheme was supported by lobby groups in Northern and Eastern Ontario as well as the Montreal business elite. It was strongly criticized by citizen's groups in cities along the shores of the rival Welland–St. Lawrence route. The story told is why the scheme, despite its geographical advantages, failed to see the bucket of a steam shovel. It is a story of political intrigue, Northern Ontario versus the South and the role that federal government overspending played in its demise. It was also at the center of the battle between federal and provincial governments over control of the lucrative resource of hydro-electricity. The book contains many historic maps and photos of the route as well as modern images from this famous Canadian waterway.

Georgia Travel Guide 2020 will help you plan your trip to this beautiful country in the Caucasus region. The guide book contains up to the date information about local cuisine, transportation, interesting places to visit, accomodation options, security and the history of Georgia. Written by a native who has tons of useful knowledge, Georgia Travel Guide 2020 is a handy and useful passport to the best in Georgia!

A vivid and immersive history of Georgian England that gives its reader a firsthand experience of life as it was truly lived during the era of Jane Austen, Percy Bysshe Shelley, and the Duke of Wellington. This is the age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; the sartorial elegance of Beau Brummell and the poetic licence of Lord Byron; Britain's military triumphs at Trafalgar and Waterloo; the threat of revolution and the Peterloo massacre. In the latest volume of his celebrated series of Time Traveler's Guides, Ian Mortimer turns to what is arguably the most-loved period in British history: the Regency, or Georgian England. A time of exuberance, thrills, frills and unchecked bad behavior, it was perhaps the last age of true freedom before the arrival of the stifling world of Victorian morality. At the same time, it was a period of transition that reflected unprecedented social, economic, and political change. And like all periods in history, it was an age of many contradictions—where Beethoven's thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the

delicate sensitivities of Persuasion. Once more, Ian Mortimer takes us on a thrilling journey to the past, revealing what people ate, drank, and wore; where they shopped and how they amused themselves; what they believed in, and what they were afraid of. Conveying the sights, sound,s and smells of the Regency period, this is history at its most exciting, physical, visceral—the past not as something to be studied but as lived experience.

Could you successfully be a Georgian? Find yourself immersed in the pivotal world of Georgian England, exciting times to live in as everything was booming; the Industrial Revolution, the Enlightenment, and the nascent Empire; inhabited by Mary Shelley, the Romantic Poets and their contemporaries. However, rather than just wondering about the famous or infamous, you will find everything you need to know in order to survive undetected among the ordinary people. What to wear, how to behave yourself in public, earn a living, and find somewhere to live. Very importantly, you will be given advice on how to stay on the right side of the law, and how to avoid getting seriously ill. Monica Hall creatively awakens this bygone era, filling the pages with all aspects of daily life within the period, calling upon diaries, illustrations, letters, poetry, prose, 18th century laws and archives. This detailed account intimately explores the ever changing lives of those who lived through Britains imperial prowess, the birth of modern capitalism, the reverence of the industrial revolution and the upheaval of great political reform and class division. A Visitors Guide to Georgian England will appeal to Romantic poetry lovers, social history fans, fiction and drama lovers, students and anyone with an interest in this revolutionary era.

"[This book] offers [an] ... insight into the world of female inequality in the eighteenmth century. It looks at the reasons for their inequality - the legal barriers, the lack of education, the prejudices and misconceptions held by men - and also examines the reluctance of women to compete on an equal footing. ... Representing women from all walks of life The book examines the way that the Quaker movement, with its doctrine of equality between men and women, spawned so many successful businesses and helped propel women to the forefront."--Back cover.

'Ian Mortimer has made this kind of imaginative time travel his speciality' Daily Mail In the latest volume of his celebrated series of Time Traveller's Guides, Ian Mortimer turns to what is arguably the most-loved period in British history - the Regency, or Georgian England. This is the age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; the sartorial elegance of Beau Brummell and the poetic licence of Lord Byron; Britain's military triumphs at Trafalgar and Waterloo; the threat of revolution and the Peterloo massacre. A time of exuberance, thrills, frills and unchecked bad behaviour, it was perhaps the last age of true freedom before the arrival of the stifling world of Victorian morality. At the same time, it was a period of transition that reflected unprecedented social, economic and political change. And like all periods in history, it was an age of many contradictions - where Beethoven's thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the delicate sensitivities of Persuasion. Once more, Ian Mortimer takes us on a thrilling journey to the past, revealing what people ate, drank and wore; where they shopped and how they amused themselves; what they believed in and what they were afraid of. Conveying the sights, sounds and smells of the Regency period, this is history at its most exciting, physical, visceral - the past not as something to be studied but as lived experience.

This interdisciplinary study explores the evolution, structure, and uses of the image of Georgian Bath, from its genesis in the eighteenth century to its renaissance in the twentieth century. In recent decades there has been both a popular resurgence of interest in heritage and tradition, and a growing academic awareness of the power of imagery in shaping the lives of individuals and societies. There is perhaps no city in Britain so saturated in history and layered with historic imagery as Bath. It therefore provides an ideal case-study to investigate the dynamic fusion and impact of the forces of past and representation. The dominant perception of Bath today is that of a classical and particularly Georgian city. In this stimulating and scholarly study, Peter Borsay examines the construction and development of this image. Its principal components, biography and architecture, are explored, together with the media through which it was constructed and transmitted, as well as its commercial, social, political, and psychological uses. Dr Borsay concludes by relating the findings for Bath to current debates on towns, heritage, and the nature of history.

Written by locals, Fodor's Essential Ireland is the perfect guidebook for those looking for insider tips to make the most out their visit to Dublin and Ireland. Complete with detailed maps and concise descriptions, this travel guide will help you plan your trip with ease. Join Fodor's in exploring one of the most exciting countries in Europe. Ireland may be a small island, but it's packed with things to do and see and simply overflowing with natural beauty, vibrant culture, and ancient history. From the splendor of its Georgian homes and Norman castles to its strikingly scenic landscapes, lush green fields, and postcard-perfect villages, there's majesty at every turn here. Add a lively pub culture, a thriving arts and music scene, a reverence for the spoken word, and a warm and welcoming people, and you see why the Emerald Isle is one of Europe's most popular destinations. Fodor's Essential Ireland 2019 includes:
•UP-TO-DATE COVERAGE: Fully updated coverage of neighborhoods, must-see attractions, hotels, restaurants, nightlife, shopping, and more. New restaurants and hotels throughout Ireland showcase the best options at different price points and categories. Updated annually to ensure the best and most relevant content.
•ULTIMATE EXPERIENCES GUIDE: A brief introduction and spectacular color photos capture the ultimate experiences and attractions throughout Ireland.
•DETAILED MAPS: 50 detailed maps to help you plan and get around stress-free.
•GORGEOUS PHOTOS AND ILLUSTRATED FEATURES: In-depth illustrated features cover Dublin's literary heritage, iconic sights like the Ring of Kerry and the Rock of Cashel, and the Anglo-Irish Georgian House. Other features shine a spotlight on cruising on the Shannon, hiking in the West, and Irish whiskeys.
•ITINERARIES AND TOP RECOMMENDATIONS: Check out the Great Itineraries section to help plan your time, whether it's a few days or a few weeks. Find suggested excursions from Dublin, a tour of Northern Ireland, as well as the Wild Atlantic Way coastal route. Includes tips on where to eat, stay, and shop as well as information about nightlife, sports, and the outdoors.
Fodor's Choice designates our best picks in every category.
•INDISPENSABLE TRIP-PLANNING TOOLS: Planners gives useful, practical overviews of important travel information. A Calendar of Events helps visitors choose the best time to plan a visit around special festivals, parades, and golf tournaments.
•COVERS: Dublin, Clare, Galway, Cork, Belfast, the Aran Islands, the Ring of Kerry, Connemara, and much more.

Planning on visiting the United Kingdom, too? Check out Fodor's Essential England, Fodor's London 2018, Fodor's Essential Great Britain, and Fodor's Scotland.

This new sixth edition of Brad's Georgia, the only dedicated guide to the country, has been thoroughly updated throughout to include all the most recent developments, ranging from greatly expanded coverage of Batumi, Adjara and Svaneti to the addition of new maps for Tbilisi, Mestia and Telavi. Tourism is booming in Georgia: the number of guesthouses has mushroomed, Tbilisi airport has just opened a second terminal and a new terminal and rail link are under construction at Kutaisi airport. New low-cost flights are now available and visa-free travel is the norm for most. With Brad's Georgia discover both the old and the new. The capital, Tbilisi, has seen huge changes in the past decade with some conspicuous new projects such as the Peace Bridge, the Opera House and the Presidential Palace, as well as excellent new restaurants and bars. Much of the country can be reached in day-trips from the luxury hotels of Tbilisi and Batumi, and the remotest areas such as Svaneti and the Pankisi Valley can also now be visited. In addition, Mestia, the capital of Svaneti, now has an airport and two ski resorts. Also new for this edition is expanded information on Tusheti and the Trans Caucasian Trail, a volunteer-led project to create two long-distance hiking routes, east-west and north-south, linking the Black Sea with the Caspian, the Greater Caucasus with the Lower Caucasus and Georgia with Armenia and Azerbaijan. The Georgian wine industry is covered, with particular emphasis on natural qvevri wines, and so too are skiing, rugby, the World Heritage sites of Mtskheta and Gelati, Georgian food, 5th-century churches, cave cities, and Georgian polyphonic singing. Brad's unique guide to Georgia is the ideal companion for all travellers, from serious hikers to wine buffs, high-end culture lovers to backpackers of all ages.
