Presents alphabetically-arranged articles in twenty volumes covering a wide range of human knowledge.

A top secret team of wolf shifters, the Alpha Pack are former Navy SEALs that use their Psy powers to take on the world's greatest predators. But while each member is loyal to the call of desire... Still tormented by his recent captivity, Alpha Pack commander Nick Westfall isn't sure he's fit to lead—especially when he meets the one woman he can't claim and endured at the hands of a rogue vampire. Vampire princess Calla Shaw has seen her own share of heartbreak, but she can tell that the wild attraction she and Nick feel for each other is significant—if only he'd let it. But Calla isn't about to give up on her mate without a fight. Time is running out, not only for Nick to claim his mate, but for Calla and her coven. A vampire one the Alpha Pack can't hope to win if their leader can't pull himself back from the abyss...

This book about the reparations issue ("Wiedergutmachung" in German; "shilumim" in Hebrew) brings together selected protocols of all debates held in the Knesset, in its Foreign Affairs Committee, in the Government and in the high councils of the ruling party Mapai, regarding conducting negotiations with the West German Government. This is the first book documenting the issue, recently opened to the public. With the elaborate introduction by Yehiam Weitz, this book will serve as a basic textbook for an important chapter not only in Israeli and German history but in general.

Brave New Worlds

A Book-lover's Holidays in the Open

**Taking refuge in fairy tales after the loss of his mother, twelve-year-old David finds himself violently propelled into an imaginary land in which the boundaries of fantasy and reality are disturbingly melded. By the author of The Black Angel. 75,000 first printing.**

**A Book-Lover's Holidays in the Open is a classic literary work by Teddy Roosevelt which describes the US president's adventures in the great American outdoors. The man should have youth and strength who seeks adventure in the wide, waste spaces of the earth, in the marshes, and among the vast mountain masses, in the northern forests, amid the steaming jungles of the tropics, or on the deserts of sand or of snow. He must long greatly for the lonely winds that blow across the wilderness, and for sunrise and sunset over the rim of the empty world. His heart must thrill for the saddle and not for the hearthstone. He must be helmsman and chief, the cragsman, the rifleman, the boat steerer. He must be the wielder of axe and of paddle, the rider of fiery horses, the master of the craft that leaps through white water. His eye must be true and quick, his hand steady and strong. His heart must never fail nor his head grow bewildered, whether he face brute and human foes, or the frowning strength of hostile nature, or the awful fear that grips those who are lost in trackless lands.**

Since the appearance of the first science fiction magazine in 1926, thousands of short stories have been published in periodicals devoted to the genre. These stories cover a wide range of subjects, from spacecraft to the human condition, and feature little-known authors as well as masters like Ellison and Asimov. In the past, finding which issue of what magazine ran a certain story was nearly impossible. This much-needed reference tool provides valuable assistance in the daunting task of locating short stories published in science fiction magazines, providing exhaustive indexes to magazines, authors, and titles, allowing a variety of options for research on 34,000 stories appearing in nearly 5,000 issues of 133 genre magazines. Stories from all major American publications, as well as from several minor periodicals, are indexed. Also included is an appendix of the best known and most prolific contributors, giving the titles of all their stories in this work (necessary because the huge author index does not show titles). A guide to how to use this book clarifies its features for the researcher.

Separated from his human parents, Mowgli is raised by wolves, mentored by the cunning panther Bagheera, and taught the Law of the Jungle by Baloo, the strict but kindly bear. But the Indian jungle is full of dangers and he must fight to survive; the tiger, Shere Khan, has sworn to kill him, the sinister monkey residents of the Cold Lairs wish to kidnap him, and his home is threatened by the Cobra and the Red Dog.

Introduction by Paul Tremblay Publishers Weekly top ten list for most anticipated horror/Scifi Fall 2016 releases. Laird Barron's fourth collection gathers a dozen stories set against the backdrops of the Alaskan wilderness, far-future dystopias, and giallo-fueled nightmare vistas. All hell breaks loose in a massive apartment complex when a modern day Jack the Ripper strikes under cover of a blizzard; a woman, famous for surviving a massacre, hits the road to flee the limelight and finds her misadventures have only begun; while tracking a missing B-movie actor, a team of man hunters crashes in the Yukon Delta and soon realize the Arctic is another name for hell; an atomic-powered cyborg war dog loyally assists his master in the overthrow of a far-future dystopian empire; following an occult initiation ritual, a man is stalked by a psychopathic sorority girl and her team of horrifically disfigured henchmen; a rich lunatic invites several high school classmates to his mansion for a night of sex, drugs, and CIA-funded black ops experiments; and other glimpses into occulted realities a razor's slice beyond our own. Combining hardboiled noir, psychological horror, and the occult, Swift to Chase continues three-time Shirley Jackson Award winner Barron's harrowing inquiry into the darkness of the human heart.

“A remarkably assured fantasy debut that mixes of the inventiveness of China Miéville with the fast paced heroics of David Gemmell.”—Anthony Ryan, New York Times bestselling author of The Legion of Flame Set on a postapocalyptic frontier, *Blackwing* is a gritty fantasy debut about a man’s desperate battle to survive his own dark destiny... Hope, reason, humanity: the Misery breaks them all. Under its cracked and wailing sky, the Misery is a vast and blighted expanse, the arcane remnant of a devastating war with the immortals known as the Deep Kings. The war ended nearly a century ago, and the enemy is kept at bay only by the existence of the Engine, a terrible weapon that protects the Misery’s border. Across the corrupted no-man’s-land teeming with twisted magic and malevolent wraiths, the Deep Kings and their armies bide their time. Watching. Waiting. Bounty hunter Ryhalt Galharrow has breathed Misery dust for twenty bitter years. When he’s ordered to locate a masked noblewoman at a frontier outpost, he finds himself caught in the middle of an attack by the Deep Kings, one that signifies they may no longer fear the Engine. Only a formidable show of power from the very woman he is seeking, Lady Elizabeth Tanza, repels the assault. Elizabeth is a shadow from Galharrow’s grim past, and together they stumble onto a web of conspiracy that threatens to end the fragile peace the Engine has provided. Galharrow is not ready for the truth about the blood he’s spilled or the gods he’s supposed to serve...

When his cover is blown, former Berlin bull and unwilling SS officer Bernie Gunther must re-enter a cat-and-mouse game that continues to shadow his life a decade after Germany's defeat in World War 2... The French Riviera, 1956: Bernie's old and dangerous adversary Erich Mielke, deputy head of the East German Stasi, has turned up in Nice—and he's not on holiday. Mielke is calling in a debt and wants Bernie to travel to London to poison a female agent they've both had dealings with. But Bernie isn't keen on assassinating anyone. In an attempt to dodge his Stasi handler—former Kripo comrade Friedrich Korsch—Bernie bolts for the German border. Traveling by night and hiding by day, he has plenty of time to recall the last case he and Korsch worked together... Obersalzberg, Germany, 1939: A low-level bureaucrat has been found dead at Hitler's mountaintop retreat in Bavaria. Bernie and Korsch have one week to find the killer before the leader of the Third Reich arrives to celebrate his fiftieth birthday. Bernie knows it would mean disaster if Hitler discovers a shocking murder has been committed on the terrace of his own home. But Obersalzberg is also home to an elite Nazi community, meaning an even bigger disaster for Bernie if his investigation takes aim at one of the party's higher-ups... 1939 and 1956: two different eras about to converge in an explosion Bernie Gunther will never forget.

Meet the Alpha Pack, a top-secret military team of wolf-shifters fighting the most dangerous predators in the world, human and nonhuman.
