'Out-of-this-world amazing... Let me tell you, this author has the skill set of a flippin' pro... It is everything and beyond...Spectacular.' Reviews from the Heart, 5 stars My head is pounding, yawning, I rub my hands over my face, and I'm surprised by the shiny gold band on my left ring finger. What the...I'm Mac! But you already know that, right? You probably even recognize the sound of my voice... Because I'm the radio host that wakes most of Sacramento up every morning. The sultry voice that blares out of your speakers when you're sipping your first coffee of the day, or driving to work, stuck in traffic. I'm the DJ that most of the women in Sacramento lust after. Everyone knows me, knows my reputation: ladies' man, bad boy, eternally single commitment-phobe. I have my own reasons for needing to stay single, my own demons to battle with. Scars that don't show, but that stop me from getting close to anyone. Except, after one hell of a drunken accident, I've woken up married. To a gorgeous green-eyed girl, Kelley. I only met yesterday in a coffee shop. A killer hangover later, it turns out that this playboy is off the market. But there are three problems: 1) I'm married to a girl I met less than twenty-four hours ago. 2) No woman has ever been able to change my ways - who says that Kelley's going to be any different? 3) Kelley must be the one lady in this city who doesn't know who I am - and that means she doesn't know about my past, about the issues that haunt me. So I might be taken, but the question is... for how long? This is a full-length, standalone romance with some hot-under-the-collar action, no cheating and a guaranteed HEA. For fans of R.S. Grey, Whitney G. and Vi Keeland, Accidental Ground features a sexy AF alpha and a steamy will-they-wont-they love story that will have you completely hooked. Girl walks into clinic to donate blood.Girl passes out. Guy comes to her rescue.Guy happens to be Cutie McCute Stuff and has a medical degree. To say I'm accident prone is an understatement. More like unlucky in life, love, and Labradors-and I have the scar to prove it. In fact, my coworkers call me Luckless-Lottie. Dr. Russel Koenig is out of my league, off-limits. Not an option. End of story. Only, through a cruel twist of my bad luck, the good (looking) doctor purchases his ailing grandmother a dog--the kind my parents breed. They want me to work as the liaison even though I limped away from the family business long ago. When Russel's Oma mistakes me for his girlfriend, he doesn't correct her. Maybe my luck has changed. Our first kiss certainly doesn't seem like CPR practice. Is my latest accident the beginning of a new chapter or will rotten luck reign, leaving me forever lonely?

In this irresistible #1 New York Times best-selling novel, Anne Tyler explores the slippery alchemy of attracting opposites, and the struggle to rebuild one's life after unspeakable tragedy. Travel writer Macon Leary hates travel, adventure, surprises, and anything outside of his routine. Immobilized by grief, Macon is becoming increasingly prickly and alone, anchored by his solitude and an unwillingness to compromise his creature comforts. Then he meets Muriel, an eccentric dog trainer too optimistic to let Macon disappear into himself. Despite Macon's best efforts to remain insulated, Muriel up-ends his solitary, systemized life, catapulting him into the center of a messy, beautiful love story he never imagined. A fresh and timeless tale of unexpected bliss, The Accidental Tourist showcases Tyler's talents for making characters--and their relationships--feel both real and magical. It's not every day you wake up to a stranger getting into your bed. Only, he isn't a stranger at all, he's my best friend's hot older brother...and apparently my new roommate. Having him in my space, driving me crazy, isn't a problem at all. Nope. All I need to do is keep control of the situation... But that's easier said than done. Shawn Lassiter is the kind of distraction I don't need. Those muscles and tattoos, wearing nothing but a towel, making me coffee in the morning. It's more than any girl can resist. Right? But Shawn is off-limits, even if his eyes are saying differently. Years ago, back when I still had my crush, he destroyed friendships with his reckless playboy antics. There's no way I'm touching those perfectly formed abs now. I don't care how nice and responsible he's acting. I'm the smart girl--the glasses-wearing, book-reading workaholic. I can totally do this. After all, it's only for two and a half months. I'll be on my best behavior...even if Shawn isn't. Each book in the Accidental Love series is STANDALONE: \* Wrong Bed, Right Roommate \* Wrong Bed, Right Girl \* Wrong Bed, Right Man \* Wrong Bed, Right Brother
