*The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.*

***An accounting study guide with questions, and answers is a helpful tool for anyone that is taking an an accounting class. An accounting course book covers topics extensively. With the study guide the person can take the quizzes, and check their answers. The study guide shows which answer is correct. Some study guide books will explain why the other answers is close, but not correct. Once the person takes the quiz on a specific topic. They will find out where their weakness is, and what areas they have to study. The book will help them prepare for class exams, and any professional exams they may take.***

**Earn College Credit with REA's Test Prep for CLEP® Financial Accounting** Everything you need to pass the exam and get the college credits you deserve. CLEP® is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass CLEP® exams and earn college credit while reducing their tuition costs. Our CLEP® test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. The CLEP® Financial Accounting test prep assesses the skills tested on the official CLEP® exam. Our comprehensive review chapters cover: accounting principles and ethics; forms of business and cycles; the income statement; the balance sheet; statement of cash flows; investments; contingent liabilities, and more. The book includes two full-length practice tests. Each exam comes with detailed feedback on every question. We don't just say which answers are right-we explain why the other answer choices are wrong-so you can identify your strengths and weaknesses while building your skills. REA is the acknowledged leader in CLEP® preparation, with the most extensive library of CLEP® titles available. Our test preps for CLEP® exams help you earn college credit, save on tuition, and get a college degree.
