The world of banking is changing dramatically as a result of regulation, technology and society. New developments in the past three years include advances in regulatory change, the impact of China and India; from the latest technologies to impact bank services, to the latest experiments with a cashless society. The Future of Banking in a Globalised World provides an entertaining yet informative look at the world of banking and chronicles the radical changes that have occurred in the industry over the past three years. Renowned analyst and international speaker, Chris Skinner assesses the trends that have occurred during the past three years and looks at predictions for the future of banking. Issues discussed include:

- *The impact of emerging markets such as China and India*
- *Regulatory changes including Europe's Financial Services Action Plan, MiFID, SEPA, as well as the impact of Basel II and Sarbanes-Oxley*
- *The latest technologies to impact Bank services from algorithmic trading through Web 2.0*
- *The displacement of Cash and Cards through Contactless, Mobile and Biometric Payments*

Topically organized, LexisNexis Practice Guide: New Jersey Criminal Procedure provides concise, practical coverage of the entire process of a criminal trial in New Jersey, from the initial representation of a client through sentencing and post-sentencing procedures and much more. Each Practice Guide chapter combines authoritative legal analysis with an expert author's insights, distilled from years of litigation practice. New Jersey Criminal Procedure includes more than 120 Practice Tips—Strategic Points, Warnings, Timing tips, and Exceptions (all marked with easy-to-recognize icons)—that transition smoothly from legal analysis to practical application of a point of law. Chapter parts begin with a detailed practice checklist (more than 45 checklists total) defining the essentials of a major task. Checklists capture the essential steps (the what, when, and how) of each task, with cross-references to relevant authority, forms, and discussion of the topic within the chapter itself.

Welcome to the Green Book a comprehensive guide for financial institutions that receive ACH payments from the Federal government. Today, the vast majority of Federal payments are made via the ACH. With very few exceptions, Federal government ACH transactions continue to be subject to the same rules as private industry ACH payments. As a result, the Green Book continues to get smaller in size and is designed to deal primarily with exceptions or issues unique to Federal government operations.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide

suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
