

New York Times Book Review When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find many parts of the world, your address can reveal your race and class. In this wide-ranging and remarkable book, Deirdre Mask looks at the fate of streets named after Martin Luther King Jr., the wayfinding means of ancient Romans, and how Nazis haunt the flipside of having an address is not having one, and we also see what that means for millions of people today, including those who live in the slums of Kolkata and on the streets of London. Filled with fascinating people and histories, The Address Book illuminates hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't—and why.

Book Description Have you ever spent too-long time on finding contact information of our friends? We wrote addresses of our friends in a notebook, but when we need to find one, we couldn't find it immediately. We had to flip pages one by one, one by one, back and forth. However, we still couldn't find the information we needed because the information is unorganized. That's why we need to use an address notebook with alphabetical sections. Specification of this book This address organizer is 6 x 9 inches, medium size. It can easily be taken with you anywhere. Just put it in a bag and you can go around. There are 106 pages, 53 white-paper sheets, in this address notebook. The book contains areas to fill-in contact information - name / address / phone / email / birthday / notes, 3 sets per page. Each area for address comes with two blank lines to write in so that you can jot down the information more comfortably with plenty of room. The interior of the book is also presented in alphabetical order, A to Z respectively, each letter for 4 pages. You can have just a glance on a page to see which A-Z section you are at.
