Adobe PageMaker 6.5

When it comes to digital imaging software, Adobe Photoshop has long set the standard. Thus, when a new version of the popular program appears, designers tend to stand up and take notice--hen get down to the serious business of learning about it! And for that, there's no better place to turn than the book from the people behind the product: Adobe Press' Adobe Photoshop 7.0 Classroom in a Book. Using the same style of self-paced instruction employed in the best-selling previous edition, this comprehensive set of Photoshop lessons provides everything you need to dive into the world of print, Web, and graphic design with Photoshop 7. Completely revised to cover all of Photoshop 7's new features (including the new Healing Brush, color
