Photoshop that will not only change the industry again, but it will change the way we all work in Photoshop forever, so we can finally spend less time fixing our images, and

finishing them.

You're about to

become a

Photoshop

Shark! Scott has

focused in and

really narrowed

things down to

just exactly

which Photoshop

tools and

Get Free Adobe Photoshop Cs3 Extended Edition

techniques we
absolutely,
positively have
to know, and he
found that there
are just seven
major tools,
seven major
features that we
have to master
to enhance our
images like a

Get Free Adobe Photoshop Cs3 Extended Edition

pro. But then he took it a step further. Out of those seven major tools, he looked at which parts or sections of those tools do we really need to master, and which parts can we pretty much

Get Free Adobe Photoshop Cs3 Extended Edition

ignore (in other words, he whittled it down so you're not learning parts of the tools that you're probably never going to need). Then, and perhaps most importantly, he determined

Get Free Adobe Photoshop Cs3 Extended Edition

exactly when
and in which
order to apply
these seven
techniques that
make up Scott's
amazing
"Photoshop
Seven Point
System." But the
magic of this
book, is not just

Get Free Adobe Photoshop Cs3 Extended Edition

listing the seven tools and showing how they work. It's how they're used together, and how Scott teaches them (and makes it stick), that makes this book so unique. You're

Get Free Adobe Photoshop Cs3 Extended Edition

not going to just learn one technique for fixing shadows, and another technique for adjusting color (every Photoshop book pretty much does that, right?). Instead,

Get Free Adobe Photoshop Cs3 Extended Edition

you're going
start off at
square one, from
scratch, as each
chapter is just
one photo—one
project—one
challenging
lifeless image
(you'll follow
along using his
the same

images), and you're going to unleash these seven tools, in a very specific way, and you're going to do it again, and again, and again, in order on different photos, in different

Get Free Adobe Photoshop Cs3 Extended Edition

situations, until they are absolutely second nature. You're finally going to do the FULL fix—from beginning to end—with nothing left out, and once you learn these seven very

Get Free Adobe Photoshop Cs3 Extended Edition

specific

techniques, and
apply them in
order, there
won't be a an
image that
appears on your
screen that you
won't be able to
enhance, fix,
edit, and finish
yourself! Plus,

Get Free Adobe Photoshop Cs3 Extended Edition

Scott's

techniques work
across a wide
range of photos,
and that's
exactly what
you'll be working
on in the book,
from landscapes
to portraits, to
architectural, to
nature, from

photography to
everything in
between—there
isn't a photo you
