

## Adorkable

Jeanne Smith is seventeen and has turned her self-styled dorkiness into an art form. But in spite having hundreds of Internet friends and a cool boyfriend, she feels inexplicably lonely. Things get worse when Michael Lee, the most popular boy at school, suspects that Jeanne's boyfriend is secretly seeing his girlfriend. Michael and Jeanne have NOTHING in common. So why can't she stop talking to him?

Jane, a superstitious fangirl, takes an anonymous babysitting job to avoid an unpaid internship with her college-obsessed mom. The only problem? She's babysitting the siblings of her childhood friend and new crush, Teo. Teo doesn't dislike Jane, but his best friend Ravi hates her, and is determined to keep them apart. So Teo's pretty sure his plans for a peaceful summer are shot. His only hope is that his intermittent search for his birth father will finally pan out and he'll find a new, less awkward home. Meanwhile, at Jane's house, her sister Margo wants to come out as bisexual, but she's terrified of how her parents will react. In a summer filled with secrets and questions, even Jane's Magic 8 ball can't give them clear answers, but Signs Point to Yes.

Drawing together contributions by scholars from a variety of fields, including theater, film and television, sociology, and visual culture, this volume explores the range and diversity of comedic performance and comic forms in the modern age. It covers a range of forms and examples from 1920 to the present day, including plays, film, television comedy, live comedy, and comedy on social media. It argues that the period covered was marked by an explosion of comic forms and a flowering of comic creativity across a range of media. From the communal watching of silent films at the start of the period, to the use of Twitter and other online platforms to share and comment on comedy, technology has brought about significant changes in its form, consumption, and social effects. As comic forms have shifted and developed, so too have attitudes to what comedy can and cannot do.

This study considers its role in entertainment and in provoking consideration of a range of social and political topics. Each chapter takes a different theme as its focus: form, theory, praxis, identities, the body, politics and power, laughter, and ethics. These eight different approaches to comedy add up to an extensive, synoptic coverage of the subject.

“Captivating, fun, and totally swoon-worthy!” This is the kind of story my reader heart craves.” —Rachel Harris, New York Times bestselling author of Eyes on Me Available in print for the first time, and with exclusive bonus content only found in the print version! Fall in love with Sally and Becks all over again. Adorkable (ah-dor-kuh-bul): Descriptive term meaning to be equal parts dorky and adorable. For reference, see Sally Spitz. Seventeen-year-old Sally Spitz is done with dating. Or at least, she's done with the horrible blind dates/hooksups/sneak attacks her matchmaking bestie, Hooker, sets her up on. There's only so much one geek girl and Gryffindor supporter can take. Her solution: She needs a fake boyfriend. And fast. Enter Becks, soccer phenom, all-around hottie, and Sally's best friend practically since birth. When Sally asks Becks to be her F.B.F. (fake boyfriend), Becks is only too happy to be used. He'd do anything for Sal—even if that means giving her PDA lessons in his bedroom, saying she's "more than pretty," and expertly kissing her at parties. The problem: Sally's been in love with Becks all her life—and he's completely clueless. This book features two best friends, one special-edition Yoda Snuggie, countless beneath-the-ear kisses, and begs the question: Who wants a real boyfriend when faking it is so much more fun?

"Jack and Jane just want to fall in love in peace, but Jane's busy-body lady-friends are determined to head the clumsy Jack off at the pass!"...

“Filled with tongue-in-cheek humor...a gently fantastical world brimming with teen shenanigans.” —Publishers Weekly Perfect for fans of Geekerella and Jenn Bennett, this charming, sparkly rom-com follows a wish-granting teen forced to question if she's really doing good—and if she has the power to make her own dreams come true. Charity is a fairy godmother. She doesn't wear a poofy dress or go around granting a wand, but she does make sure the deepest desires of the student population at Jack London High School come true. And she knows what they want even better than they do because she can glimpse their perfect futures. But when Charity fulfills a glimpse that gets Vindhya crowned homecoming queen, it ends in disaster. Suddenly, every wish Charity has ever wanted is called into question. Has she really been helping people? Where do these glimpses come from, anyway? What if she's not getting the whole picture? Making this existential crisis way worse is Noah—the adorkable and (in Charity's opinion) diabolical ex of one of her past clients—who blames her for sabotaging his prom plans and then intervenes and ruins them than good. He demands that she stop granting wishes and help him get his girl back. At first, Charity has no choice but to play along. But soon, Noah becomes an unexpected ally in getting to the bottom of the glimpses. Before long, Charity dares to call him her friend...and even starts to wish he were something more. But can the fairy godmother ever get the happily ever after?

Nikki and her friends Brandon, Chloe, and Zoey are teamed up on an important mission in the tenth book in the #1 New York Times bestselling Dork Diaries series. Nikki has to hide seven ADORKABLE puppies from two parents, one nosy little sister, an entire middle school, and...one mean girl out for revenge, MacKenzie Hollister. If anyone can do it, it's Nikki...but not without some hilarious challenges along the way!

Alister Redgrave knows he's a dork. He dresses in ill-fitting suits and trips over imaginary obstacles constantly; then there's his Star Trek underwear. Still, he hopes to find the love of his life one day. And when he meets Jaiden Greyson, the new Assistant CFO in the Finance department, Alister knows he's found his dream guy. Except, Alister makes a fool of himself repeatedly in front of Jaiden and decides he doesn't have a chance in hell. Jaiden Greyson doesn't know what to make of Alister when he meets him. A more klutzy guy had never existed. But despite all that, there's something about the man that draws him in, and he's determined to find out what it is, no matter the antics of a jealous coworker intent on ruining everything. Jaiden has Alister in his sights, and Alister won't know what hit him, in the best sense.

Popular blogger and dreamer Jeanne Smith falls into an unlikely relationship with high school golden boy Michael Lee, even though the only thing they have in common is a pair of cheating exes.

Words of wisdom for when life gives you lemons

*"Utterly charming." —NPR "Cinematic." —Teen Vogue "Funny and sweet." —Buzzfeed "Dazzling." —Bustle Three starred reviews for this charming romantic comedy about an aspiring teen filmmaker who finds her voice and falls in love, from the New York Times bestselling author of When Dimple Met Rishi. Aspiring filmmaker and wallflower Twinkle Mehra has stories she wants to tell and universes she wants to explore, if only the world would listen. So when fellow film geek Sahil Roy approaches her to direct a movie for the upcoming Summer Festival, Twinkle is all over it. The chance to publicly showcase her voice as a director? Dream come true. The fact that it gets her closer to her longtime crush, Neil Roy—a.k.a. Sahil's twin brother? Dream come true x 2. When mystery man "N" begins emailing her, Twinkle is sure it's Neil, finally ready to begin their happily-ever-after. The only slightly inconvenient problem is that, in the course of movie-making, she's fallen madly in love with the irresistibly adorkable Sahil. Twinkle soon realizes that resistance is futile: The romance she's got is not the one she's scripted. But will it be enough? Told through the letters Twinkle writes to her favorite female filmmakers, From Twinkle, with Love navigates big truths about friendship, family, and the unexpected places love can find you.*

So, what are you waiting for? Come find out what makes Adam Brody so adorkable!

My name is Alexis Delaney, and I'm your average 17-year-old girl. Except I'm a Necromancer. Which means I can see the dead, talk to them and help them move on. Well, I used to be able to. Someone has sealed the Veil. Now the dead are stuck here. And with the extra energy floating around town, the ghosts are getting stronger. It's been two months since I came to Spring Mountain to live with Uncle Rory. And the guys, my five best friends, have done everything they can to help since. Things for once were almost normal, my issues with the dead had become routine. Until they all found girlfriends. Now I'm back to hiding everything again. With ghosts leaving their haunting grounds at will, new people asking questions and trying to build my link to the Veil, I don't know how the hell I'm going to pull this one off. But it can't get that bad, right?

Kate and Thelma are from opposite ends of the social calendar - Kate is a nerdy girly girl and Thelma is a popular tom-boy who runs the school. Their lives get intertwined three years ago at a high school party where they are both dared to make out in front of everyone. Three years later, they meet again with Thelma still holding dear feelings she should have expressed 3 years ago but would Kate who seems indifferent take a second look at Thelma or does she really wish to forget what really happened between them? Kate's bestfriend Ene may just be that one person holding the key to all that really transpired 3 years ago but would she be willing to spill the tea? Find out in this very thrilling read.

*Debut author Jilly Gagnon bursts onto the scene with a story equal parts bite and romance, perfect for fans of Jenny Han and Jennifer E. Smith, about falling for someone in front of everyone. In this modern day love story: Girl likes boy, Girl snaps photo and posts it online. Boy becomes insta-famous. And what starts out as an innocent photo turns into a whirlwind adventure that forces them both to question whether fame—and love—are worth the price...and changes both of their lives forever. Told from alternating points of view, #famous captures the sometimes-crazy thrill ride of social media and the equally messy but wonderful moments of liking someone in real life.*

A New York Times bestseller The Haunting of Sunshine Girl,in active development for television by The Weinstein Company, a hit paranormal YA series based on the wildly popular YouTube channel about an "adorkable" teenager living in a haunted house. Shortly after her sixteenth birthday, Sunshine Griffith and her mother Kat move from sunny Austin, Texas, to the rain-drenched town of Ridgemont, Washington. Though Sunshine is adopted, she and her mother have always been close, sharing a special bond filled with laughter and inside jokes. But from the moment they arrive, Sunshine feels her world darken with an eeriness she cannot place. And even if Kat doesn't recognize it, Sunshine knows that something about their new house is just ... creepy. In the days that follow, things only get stranger. Sunshine is followed around the house by an icy breeze, phantom wind slams her bedroom door shut, and eventually, the laughter Sunshine hears on her first night evolves into sobs. She can hardly believe it, but as the spirits haunting her house become more frightening—and it becomes clear that Kat is in danger—Sunshine must accept what she is, pass the test before her, and save her mother from a fate worse than death.

I know what you're thinking. You're thinking this will be just one more story of the ignored, "big-boned" girl, who sheds her glasses and a few extra pounds and finally attracts the notice of the most popular guy in school. Except it isn't. Because I'm not unpopular. Not all that ignored. And I love the way I look—just as I am. Then someone puts my name in for Homecoming Court. The bigger surprise? People actually vote for me! Now, I'm a "princess"—whether I like it or not—but the guy I'm paired with isn't exactly Prince Charming. Rhys Castle is the strong, silent type who always wears a frown—he's certainly never smiled at me. I'm 99.9% sure he hates being on Court and being my partner, but surprisingly...he doesn't switch when he gets the chance. Turns out Rhys has a secret—something that makes him run hot and cold throughout the entire three weeks of Homecoming festivities. Whether he's stepping on my feet during dance lessons or gallantly escorting me through the Homecoming parade, I can't get a read on this guy, and for the first time, I find my confidence wavering. But there's more to Rhys than meets the eye. And the more the spotlight shines on me, I realize there's more to me, too.

From fantasy and sci-fi to graphic novels, from boy scouts to board games, from blockbuster films to the cult of theatre, Shakespeare is everywhere in popular culture. Where there is popular culture there are fans and nerds and geeks. The essays in this collection on Shakespeare and Geek Culture take an innovative approach to the study of Shakespeare's cultural presences, situating his works, his image and his brand to locate and explore the nature of that geekiness that, the authors argue, is a vital but unrecognized feature of the world of those who enjoy and are obsessed by Shakespeare, whether they are scholars, film fans, theatre-goers or members of legions of other groupings in which Shakespeare plays his part. Working at the intersections of a wide range of fields – including fan studies and film analysis, cultural studies and fantasy/sci-fi theory – the authors demonstrate how the particularities of the connection between Shakespeare and geek culture generate new insights into the plays, poems and their larger cultural legacy in the 21st century. Seventeen-year-old Sadie is tired of being a good girl. Her Career Aptitude Test results say she's ideally suited for a career in the clergy (aka a nun), and on top of that, she receives yet another rejection. An aspiring dancer/choreographer, Sadie dreams of being featured on Dancer's Edge-but they say she's too sweet, needs more life experience. Her BFF, Kyle, and her oldest friend, 79-year-old Betty, agree: Sadie is in desperate need of a life makeover. But she'll need a coach. Sadie doesn't lie, cheat or steal—heck she doesn't even curse (part of the reason she hasn't checked off anything on her "Carpe Diem List"). Sadie doesn't know the first thing about being bad. But Kyle's twin brother, Colton, does. And he's willing to teach Sadie on one condition: she has to do everything he says for the next month. A dazzling first kiss, two smokin' hot brothers and a bet that changes everything. In this enemies-to-more YA romance, Sadie learns: Breaking the rules can be fun—especially when it leads to happily-ever-after.
