Meet Little Penis, the cute dinky winky you bring to life when you put your finger in the puppet in this delightfully crass and hilarious parody board book for adults. This board book parodies children's finger puppet books with its bold colors and simple illustrations, but this book is not for children! Instead, put your finger in the hole in the back of the book, and follow the adventures of Little Penis as he goes swimming (poor shrinking Penis!); gets out of bed early, so big and tall; gets a gentle kiss and hug (along with a good hard tug); head to a bar, gets drunk, and hooks up; and more—getting bigger and bigger with the turn of each page. Sometimes he's up and sometimes he's down, but there's a happy ending as he finds his snug, warm

The original is back. TRULY TASTELESS JOKES took America by storm and made it laugh at itself. It's all in here, disgusting, repulsive, cruel, and just plain tasteless jokes and stories that will make you smile, laugh, or groan--and love every minute of it.

#NSFW Make Sure No One Is Watching Behind You! Why did God create penises for men? He gave them at least one way to shut the woman up. A little laughter goes a long way and certainly, Naughty Adult Joke Book #4: Dirty, Funny And Slutty Jokes That Pollute The Dirtiest Minds, will take you to a great length. It is certainly one of the richest collections of naughty jokes for the adult audience. The book's chapters sort the jokes by their lengths. Of the two chapters, one is a compilation of some of the funniest short jokes, and the other is a collection of extremely hilarious long jokes, each with its unique setting. Naughty jokes are appropriate for adults; they just require the right setting. You may not be found telling these jokes at a religious function, but at a social event with friends, the jokes in this book will be the highlight of the evening. Many people find it difficult to start a conversation, and good jokes can kickstart a lively conversation. Those who like to be the life of the party get their material from content as interesting as that presented in this book. Ever wondered how some people can keep an audience for the entire day or the

evening? While a number are naturally humorous, others get their material from books like this one. Reading jokes works like reading any other kind of literature; the more you read, the more you shape your mind to think in that direction. Therefore, if you train your mind to notice the queer and the funny in various situations, then you will do so even in other unrelated situations. Suddenly, your life and your way of thinking will become more positive. To that end, it is hoped that this book will be the light that lights up your path because it will be creating a jolly mood on the inside, change how you perceive situations, and even change how you relate with others. You will become good at initiating conversations and a fun person that people will constantly look forward to speaking with. You will also teach others around you to initiate the change that you have just initiated. Overall, reading these jokes is certainly going to make you feel better and in control of what happens in and around you. Act now by reading this special book today and begin the movement that turns around the lives of people with humor! Inside this book you will find: - Age-appropriate jokes - A vast collection of long jokes that provide context to make them relatable to the readers - The most interesting collection of short jokes that makes them easy to read on the go - The most well-ordered compilation of adult humor jokes - Some of the most humorous jokes you want to tell your friends - A list of some of the most good-natured jokes, none is trashy or

the journal Cognitive Processing has found that intelligence
plays a key role in the appreciation of black humor - as well as
several other factors, notably a person's aggression levels."
Black Humour is one of the best compilations of jokes in English
that will surely hold your attention, you will find in the book
300 adult jokes, dirty jokes, ironic jokes and a lot of funny
ridiculous jokes. Examples: -"Black humor is like a pair of

Another example of black humour, "Suicide just isn't funny, no matter which way you slice it," is an effective satire at the way that suicide is treated in mainstream western culture, insinuating that attitudes towards suicide are even more morose or morbid than the act or mental condition leading to it." WHAT THE HECK IS AN INTERNET MEME? Meme (pronounced meem): An idea, belief or element of social behavior spread that is transmitted from one person or

group of people to another. This word was coined in the '70s by Richard Dawkins, the atheist godman worshipped by neckbeards everywhere. Simply put, Internet memes are memes that spread on the Internet through social networking sites, blogs, email, news sources, and so on. In the real world they're called "ideas," but pseudo-intellectuals prefer "memes." WHERE DO INTERNET MEMES COME FROM? Amongst all the stupid crap on the Internet are hilarious gems of wit and wisdom. Most of the best memes start as images shared on the Web and, by some great misfortune, they find their way into the lecherous hands of drunken basement trolls who mutate these images into the hilarious, the lame, and sometimes the downright bizarre. WHAT IS THIS BOOK? This book will take you on a bizarre journey through the bilges of the Internet and introduce you to 23 of its funniest and most popular memes, complete with a sh*tload of images that might just make you wet your panties. "On this journey you will share lulz with unsavory characters like..." "Foul Bachelor Frog" "Socially Awkward Penguin" "Paranoid Parrot" "Courage Wolf" "Advice God" "Joseph Ducreux" "Hipster Kitty" "Inglip" "Successful Black Man" "Forever Alone" "Bill O'Reilly" "And more..." This zany strip enters the comic-collection scene with circus-like zeal. All that's missing is a parade of elephants and a clown-car escort. Yorker, Conan O'Brien, and Mad Magazine. Put succinctly, the brothers McCoy present "comics for a bold new world." Creating a world where greeting cards heal hospital patients, police officers pull over children driving bumper cars, babies use the patch to quell the pacifier habit, and nudists find out what constitutes a streaker in their colony, the St. Louis area natives alternate writing and drawing duties for the daily panel. The brothers each have been nominated for multiple National Cartoonists Society awards, and Glenn has won in three categories. Gary McCoy's past as a comedian (he won HBO's Stand-Up Stand-Off contest for the St. Louis area in 1995) also shines through in the strip's offbeat humor. Their impressive freelance client list reads like a who's who in cartooning: Disney, DreamWorks, and Hyperion, to name just a few.
