Bestselling author Alain de Botton considers how our private homes and

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

public edifices

influence how we feel,
and how we could build
dwellings in which we
would stand a better
chance of happiness. In
this witty, erudite look

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

at how we shape, and are
shaped by, our
surroundings, Alain de
Botton applies
Stendhal's motto that
"Beauty is the promise
of happiness" to the

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

spaces we inhabit daily. Why should we pay attention to what architecture has to say to us? de Botton asks provocatively. With his trademark lucidity and

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

humour, de Botton traces how human needs and desires have been served by styles of architecture, from stately Classical to minimalist Modern,

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

arguing that the stylistic choices of a society can represent both its cherished ideals and the qualities it desperately lacks. On an individual level, de

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

Botton has deep sympathy for our need to see our selves reflected in our surroundings; he demonstrates with great wisdom how buildings — just like friends — can

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

serve as guardians of our identity. Worrying about the shape of our sofa or the colour of our walls might seem self-indulgent, but de Botton considers the

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

hopes and fears we have
for our homes at a new
level of depth and
insight. When shopping
for furniture or
remodelling the kitchen,
we don't just consider

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

functionality but also
the major questions of
aesthetics and the
philosophy of art: What
is beauty? Can beautiful
surroundings make us
good? Can beauty bring

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

happiness? The buildings we find beautiful, de Botton concludes, are those that represent our ideas of a meaningful life. The Architecture of Happiness marks a

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

return to what Alain
does best — taking on a
subject whose allure is
at once tantalizing and
a little forbidding and
offering to readers a
completely beguiling and

Download Ebook Advanced
Handbook Cambridge English
Language Assessment

original exploration of the subject. As he did with Proust, philosophy, and travel, now he does with architecture.
