"An important reminder of the lessons Madiba taught us all."—President Bill Clinton There are numerous books about Nelson Mandela, but Good Morning, Mr. Mandela is the first by a trusted member of his inner circle. In addition to offering a rare close portrait, Zelda la Grange pays tribute to Madiba as she knew him—a teacher who gave her the most valuable lessons of her life. Growing up in apartheid South Africa, La Grange, a white Afrikaner, feared the imprisoned Nelson Mandela as "a terrorist." Yet she would become one of his most devoted associates for almost two decades. Inspiring and deeply felt, this book honors a great man's lasting gift.

Buyisiwe feels like a stranger in the place where he grew up. He simply cannot shrug off the feeling of dread following him through the streets of London. And then he receives the terrible news. It is a place of great beauty and splendour, magnificent animals and terrible danger. And now a scarred, man-eating lion prowls the game reserve, waiting for his next victim. The hunt is on. Who will survive? And will Buyisiwe finally find a place where he really belongs?

Internationally acclaimed writer Deon Meyer returns to his beloved Benny Griessel series with a case that combines the disappearance of an Old Masters painting with a grisly murder. Early on a May morning in the depth of South Africa's winter, a woman's naked body, washed in bleach, is discovered on a stone wall beside the N2 highway at the top of Sir Lowry's Pass, some thirty-five miles from Cape Town. The local investigation stalls, so the case is referred to Captain Benny Griessel and his colorful partner Vaughn Cupido of the Hawks—the Directorate for Priority Crime Investigations. The woman proves to be Alicia Lewis, an expert in old Dutch Masters paintings specializing in the recovery of valuable lost art. Discovering the two men she had contacted before coming to South Africa reveals what she was seeking—a rare painting by Carel Fabritius, Rembrandt's finest student, not seen since it disappeared from Delft in 1654. But how Lewis died, why, and at whose hand shocks even the two veteran detectives. The Woman in the Blue Cloak is a compact jewel of a thriller, filled with Deon Meyer's earthy dialogue, clever plotting, and the memorable characters that have peopled all of Deon Meyer's award-winning novels.

A classic historical fantasy revolving around immortality and reincarnations, two themes that were dear to Edwin Lester Arnold and the writers of the late 19th Century. Before the Roman conquest of England, a Phoenician merchant called Phra travels to the Cassiterides, (the Tinislands). Phra dies and is reborn many times, keeping his personal identity throughout each reincarnation and adapting to the different times and places. As a Briton he is the slave-consort of his Druid wife, and a Centurion in the household of a Roman noble woman. He joins the desperate stand of King Harold against the invading Normans, and awakes again as a Saxon thane, an enshrined saint, and a knight under King Edward III, later serving Queen Elizabeth. Along with Gullivar Jones, Phra is considered to be the inspiration for John Carter of Mars by E. R. Burroughs. This version includes the full text of the 1883 edition, a short biography of the author and the complete bibliography of Arnold's fictional and non-fictional works.

From the #1 NYT Bestselling author of BIG ROCK comes a hot & hilarious new standalone... Just call me Mister O. Because YOUR pleasure is my super power. Making a woman feel 'oh-god-that's-good' is the name of the game, and if a man can't get the job done, he should get the hell out of the bedroom. I'm talking toe-curling, mind-blowing, sheet-grabbing ecstasy. Like I provide every time. I suppose that makes me a superhero of pleasure, and my mission is to always deliver. But then I'm thrown for a loop when a certain woman asks me to teach her everything about how to win a man. The only problem? She's my best friend's sister, but she's far too tempting to resist--especially when I learn that sweet, sexy Harper has a dirty mind too and wants to put it to good use. What could possibly go wrong as I give the woman I've secretly wanted some no-strings-attached lessons in seduction? No one will know, even if we send a few dirty sexts. Okay, a few hundred. Or if the zipper on her dress gets stuck. Not on that! Or if she gives me those f*&k-me-eyes on the train in front of her whole family. The trouble is the more nights I spend with her in bed, the more days I want to spend with her out of bed. And for the first time ever, I'm not only thinking about how to make a woman cry out in pleasure --I'm thinking about how to keep her in my arms for a long time to come. Looks like the real Adventures of Mister O have only just begun.... **MISTER O is a standalone romantic comedy and it follows supporting characters first introduced in BIG ROCK**

From the international bestseller: an Afrikaner boy and his father navigate post-Apocalyptic South Africa—"reminiscent of The Stand and The Passage" (Stephen King). Nico Storm and his father, Willem, drive a truck filled with essential supplies through a desolate land. They are among the few in the world, as far as they know, to have survived a devastating virus that has swept over the planet. In this new reality, Nico realizes that his superb marksmanship and cool head mean he is destined to be his father's protector, even though he is still only a boy. Willem Storm, though not a fighter, is a wise and compassionate man with a vision for a new community that survivors will rebuild from the ruins. And so Amanzi is founded, drawing Storm's "homeless and tempest-tost"—starting with Melinda Swanevelder, whom they rescue from brutal thugs; Hennie Fly, with his vital Cessna plane; Beryl Fortuin and her ragtag group of orphans; and Domingo, the man with the tattooed hand. Then Sofia Bergman arrives, the most beautiful girl Nico has ever seen, who changes everything. As the community grows, so do the challenges they face—not just from the attacks of biker brigands, but also from within. Looking back later in life, Nico recounts the traumatic events that led to the greatest rupture of all—the murder of the person he loves most. "Compelling, action-packed and fraught with emotion . . . bears favourable comparison with landmarks of the genre such as Stephen King's The Stand and Cormac McCarthy's The Road. Simply stunning." —John Coates, Express (UK) "Great stuff." —Stephen King

Persomi is young, white, and poor, born the middle child of illiterate sharecroppers on the prosperous Fourie farm in the South African Bushveld. Persomi's world is extraordinarily small. She has never been to the local village and spends her days absorbed in the rhythms of the natural world around her, escaping the brutality and squalor of her family home through the newspapers and books passed down to her from the main house and through her walks in the nearby mountains. Persomi's close relationship with her older brother Gerbrand and her fragile friendship with Boelie Fourie—heir to the Fourie farm and fortune—are her lifeline and her only connection to the outside world. When Gerbrand leaves the farm to fight on the side of the Anglos in WWII and Boelie joins an underground network of Boer nationalists, Persomi's isolated world is blown wide open. But as her very small world falls apart, bigger dreams open to her—dreams of an education, a profession, a native country that values justice and equality, and of love. As Persomi navigates the changing landscape around her—the tragedies of war and the devastating racial strife of her homeland—she finally discovers who she truly is, where she belongs, and why her life—and every life—matters. "Filled with lessons of grace and love, Child of the River is a story that reminds us all to hold steady through life's most fragile hours." —Julie Cantrell, New York Times and USA TODAY bestselling author of Perennials

Plucked from amongst the drowned bodies and the wreckage of the ship which floundered on the rocky reefs, the child is adopted by Willem and Sanna Swart and is given the name Moses. More than fifty years later, Moses spends his days taking care of a flock of sheep, continually haunted by a sense of displacement and a yearning to know his real identity. When he goes to work as a gardener for the elderly Lord and Lady de Saumarez he begins for the first time to feel a sense of belonging, and the missing pieces of his life start to unravel. Dalene Matthee, in this her final work, has created a moving tale of identity lost and found.
