

## ***After Once Now Then After***

It is an adaptation of the age-old Biblical tale of David and Goliath and opens the door for discussions on self-confidence and faith in the face of great obstacles. It is also an excellent book for schools, day cares and Sunday Schools. It is simple, inviting story, and is widely available in print and e-book for easy access.

The Tyler family had the perfect life - until sixteen-year-old Leah decided she didn't want to be perfect anymore. While Leah's parents fight to save their daughter from destroying her brilliant future, Leah's younger sister, Justine, must cope with the damage her out-of-control sibling leaves in her wake. Will this family survive? What happens when love just isn't enough? Jodi Picoult fans will love *In Leah's Wake* - a heartbreaking, ultimately redemptive story about family, connection and our responsibility to those we love.

A collection of essays on the media arts during a time of war, the book looks at everything from cyberwar to video games, as well as technology and violence in the new century.

Do you remember your mother telling you when you were little that you'd never meet Mr. Right if you were spending all your time and energy with Mr. Wrong? And what about the book out a few years ago that created such a hoopla with the single crowd - *He's Just Not That Into You*? The two main characters in *Winter Interlude* either didn't heed their mother's advice or haven't read the book. Now, add into the plot that the two in question are enemies who regularly run into each other, given their current relationships. Paul Morrison, a hunky, blond, financial planner, has been putting time and energy into winning the heart of Kate Winter's best friend for almost as long as Kate, a strong-willed antiques dealer, has been dating James Morrison, Paul's brother. The sparks start to fly when the two get stuck together for a three-hour drive to the mountains and years of misconceptions about each other are slowly being wiped out. It is in the confines of the BMW that the two begin their journey, taking them from being mortal enemies to lovers. *Winter Interlude* tells the story of their adventure - of how they finally find love. Kate and Paul's story is the first one in a series of four friends caught in a time warp. They can't move on because they are stuck on their idea of their perfect dreams. But sometimes life works in mysterious ways and they are all forced by circumstances to change. [Show More](#)

**THE #1 AMAZON HORROR BESTSELLER! "THE STONE MAN is a novel that intrigues, enthralls, horrifies, thrills, and hits the reader with an emotional resonance as only the best stories can."-Ain't It Cool News Nobody knew where it came from. Nobody knew why it came. Even so, for two-bit (and antisocial) reporter Andy Pointer, the appearance in his city of a man made of moving stone meant the scoop of a lifetime. He would soon learn that The Stone Man was much more - and much worse - than that. This is Andy's account of everything that came afterwards, and the people that were lost along the way; of the terrible price that he, and the rest of his country, had to pay. The destruction. The visions. The dying. PRAISE FOR 'THE STONE MAN': "Once again believable characters and a mind blowing story, and when Luke Smitherd is recognised as the great writer he is he is bound to be compared to the likes of James Herbert and Stephen King."-Scrooby1, Amazon UK Review "Tremendous. I was looking for something completely original and different, this nailed it spot on. Highly recommended."-Neil Novita, Amazon USA Review "I have owned a Kindle for about 2 years and downloaded some excellent books for very little cost but Luke Smitherd's works beat the lot"-Silversmith, Amazon UK Review "This ebook was fantastic and totally different from any other sci-fi thriller I've ever read...I kept thinking 'What if...what if...'-Carl Law, Amazon US Review "It was one of those books where you tell yourself you will read just one more page, then look at the clock and realise that it's 2 hours later, I would thoroughly recommend it"-Elaine Hosegood, Amazon UK Review "As soon as I started reading I was completely sucked in, which very rarely happens for me. I couldn't wait to get home and read it each night. I laughed. I cried. I did actual real life gasps of horror."-Katie, Amazon UK**

**Review "Fantastically written characters who make you care about them right from the off, an unfathomable villain who defies all understanding and a supporting cast that flesh out the story beautifully."-Andy Pettifer, Goodreads Review "I spend a lot of time trawling through the kindle book store looking for cheap books, relying on reviews to make my purchases. I have come across some less than average books using this method, but also some real gems. This book definitely falls into the latter category. It had me gripped from page one right through to the Alternative Ending Synopsis at the end. The other reviews leave me little to say other than thanks Luke."-Steve Sut, Amazon UK Review "So good the first thing I did after I put it down was to download his other two books."-Miss H. L. Smith, Amazon UK Review "This book starts with a bang and doesn't let up. I read this in two sittings. Recommended."-Dickydavis, Goodreads review "A very enjoyable read and cracking value at the price. Do not be put off by Science Fiction or Horror in the title if they are not your bag, this is an intelligent and thought provoking read. Highly recommended."-Dave Osborn, Amazon UK Review "I literally found this hard to stop reading, I wanted to know the answers. I have been around a good while so have read all of Asimov, Heinlein, Bradbury etc. and I would genuinely put this author in the same class as these class acts."-K Murphy, Amazon UK Review "...so my 5-star review? That's five stars in comparison to REAL books; not just the stuff you'll find self-published on Kindle. The Stone Man is the sort of book that, if I'd splashed ten quid on in an airport or train station, bookstore, I'd have considered it money well-spent." Militant Ginger, Amazon USA Review A full-length novel. 140,000 words. FROM THE AUTHOR OF 'THE PHYSICS OF THE DEAD' AND 'THE BLACK ROOM' SERIES, ALSO AVAILABLE ON THE KINDLE STORE.**

**Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.**

**"Once: Felix lives in a convent orphanage high in the mountains in Poland. He is convinced his parents are still alive and that they will one day come back to get him. When Nazi soldiers come to the orphanage Felix decides to escape and make his way home. The journey to find his parents is a long and difficult one, as all of Poland is occupied by the Nazis and a dangerous place for a Jewish boy. Felix manages to live and look after himself and another orphan, Zelda, with the help of a kind dentist, Barney, who is hiding and looking after a number of Jewish children. Then is the second story of Felix and Zelda. They escaped from the Nazis, but how long can they now survive when there are so many people ready to hand them over for a reward? Thanks to the courage of a kind, brave woman they are able to hide for a time in the open, but Felix knows he has a distinguishing feature that identifies him as a Jew and that it is only a matter of time before he is discovered, which will mean death for them all. Even though he promised Zelda he would never leave her, he knows he has to, before it is too late."--Bolinda.**

**Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible adult." For now, he's got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot---sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesn't fit into her new, sophisticated world of designer gowns and concert halls. They're in different leagues and Abby makes no qualms of reminding him of it whenever she deigns to visit him. When the couple is involved in a near-fatal car crash, they are broken, stripped, and broken again both stumbling through a journey of healing and self-discovery as they struggle to accept the merciful hand of the only One who can help them up after a fall.**

**One Quarter Now, One-Click Wars to Come**

**Once**

**Her Happy Ever After**

**Ghost of a Rose**

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically,

running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

This is a survival booklet for those who live in earthquake active zones. The information is especially applicable to US citizens who live in California, Oregon, Washington and Alaska and Hawaii. The cities of Memphis and Saint Louis are also sitting in active zones and they are not as prepared for ground motion that topples buildings and freeways as the people in California are prepared. Oklahoma and Texas have been having unnatural earth movements, but for now it seems unlikely a magnitude 6.5 or greater quake will occur in cities in those states. The language is plain and easy to understand. The book is not written to frighten anyone. It is written to help save lives with careful early planning. It should be in libraries for reference.

Things that happen to you in the past can mold you into someone you

1946. Europe is in ruins. Millions of people dream of finding happiness somewhere else. Fourteen-year-old Felix is one of them. When he's offered a journey to somewhere far away, he seizes the opportunity. So does someone very dear to him, even though she wasn't actually invited. They have high hopes for their new land, and their dramatic arrival there makes them want to stay. But before Felix and Anya can embrace the love and friendship of their new world, they must confront the murderous urge for revenge still alive in the old. Felix knows he hasn't faced anything like this before. He may not survive, but he's hoping he will. Maybe.

Once Lost... ...Now Found

A Zombie Novel

The Seeds of New Earth (the Silent Earth, Book 2)

**Felix, a Jewish boy in Poland in 1942, is hiding from the Nazis in a Catholic orphanage. The only problem is that he doesn't know anything about the war, and thinks he's only in the orphanage while his parents travel and try to salvage their bookselling business. And when he thinks his parents are in danger, Felix sets off to warn them--straight into the heart of Nazi-occupied Poland. To Felix, everything is a story: Why did he get a whole carrot in his soup? It must be sign that his parents are coming to get him. Why are the Nazis burning books? They must be foreign librarians sent to clean out the orphanage's outdated library. But as Felix's journey gets increasingly dangerous, he begins to see horrors that not even stories can explain. Despite his grim surroundings, Felix never loses hope. Morris Gleitzman takes a painful subject and expertly turns it into a story filled with love, friendship, and even humor.**

**I hoped the Nazis would be defeated. And they were. I hoped the war would be over. And it was. I hoped we would be safe. But we aren't. Soon continues the incredibly moving story of Felix, a Jewish boy still struggling to survive in the wake of the liberation of Poland after the end of World War Two.**

**Felix and Zelda have escaped the train to the death camp, but where do they go now? They're two runaway kids in Nazi-occupied Poland. Danger lies at every turn of the road. With the help of a woman named Genia and their active imaginations, Felix and Zelda find a new home and begin to heal, forming a new family together. But can it last? Morris Gleitzman's winning characters will tug at readers' hearts as they struggle to survive in the harsh political climate of Poland in 1942. Their lives are difficult, but they always remember what matters: family, love, and hope.**

**Hide your children, lock your doors, and load your guns because zombies are real and they are coming. Danny Terrence knows this better than anyone. He spent months preparing for the inevitable moment the disease would reach his small town. What he didn't prepare for is the fact that nobody really believes him. Luckily for him, an old classmate and bully just happens to be the first one bitten. The bad news is that the family with the biggest arsenal of guns just packed up and left town, leaving them defenseless from an oncoming zombie horde. Being a leader isn't turning out the way Danny imagined. Yet four other survivors easily have it worse than him. Between a thirteen-year-old girl on a road trip from hell, a family of paranoid hunters having to deal with their feelings for the first time ever, a stubborn doctor butting heads with a cold-hearted sergeant and an amoral British professor carrying the fate of humanity in his hands, Danny has it easy. Unless, of course, they all end up in his town, messing with his already messed up life. Follow these five people as their paths cross and their lives and hopes are challenged in this thrilling novel. Those Who Remain: Book One is part of a trilogy.**

With an uncanny relevance to today's world and inspired by the life of its author, *Karl's Story*, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl. A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle and elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk. *Karl's Story* begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin. Their journey, their story, enchants children by its sense of The Little Prince speaks timelessly to adults as well. *Karl's Story* tells of European refugees and is as relevant today as then. The chaos of the time turned the lives of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride. Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times. It is indeed a book for all.

Some days, all you need is a message from a stranger. Ruby Santos knew exactly what she was getting herself into when she signed up to write a soldier overseas. The guidelines were simple: one letter or email a week for the length of his or her deployment. Care packages were optional. Been there, done that. She thought she knew what to expect. What she didn't count on was falling in love with the guy.

Strength comes in numbers of merry men. Philip, one of the lost children of Fairendale, wakes in the woods outside the village of Lincastle, surrounded by the forest's most frightening creatures. Thus begins his daily battle to outsmart the creatures that would like nothing more than to eat him, requiring Philip to construct a makeshift bow from wood and leather and become, in a few days' time, a master archer. One day, while Philip is out hunting, he meets one of the legendary merry men. After discovering he can miraculously shoot an arrow and hit a bulls-eye, the ragged men invite Philip to join them in stealing from the rich of Lincastle and giving to the village poor. But in spite of his valiant efforts and his extraordinary bravery, Philip will need more than just the merry men to rescue him from what is coming. The *Boy Who Robbed the Rich* is the eighth book in the Fairendale series, an epic fantasy middle grade series that explores both familiar and unfamiliar fairy tales, legends, myths, and folk tales. The world of Fairendale is a world of good and evil, of heroes and villains--all on a quest for what they believe is right. But one cannot always know, at first glance, who is the villain and who is the hero. Throughout the story of King Willis and his determination to keep the throne of Fairendale is woven into the story of his son, Prince Virgil, heir to the throne and friend to the villagers. The story of fairy tale children fleeing for their lives--children who become what we know as fairy tale villains, for one good reason or another. But, remember, one can never always know, at first glance, who is the villain and who is the hero.

The Arsonist's Last Words

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Keith Shipley is a regular kid with Misery Guts for parents. Sick of gloomy life in London, he hatches a plan to move his even gloomier parents to sunny Australia. But when they arrive in Australia, his parents become Worry Warts. Fed up with their fretting and fussing, Keith comes up with a scheme to make them rich. Very, very rich. After all Keith's hard work, his parents split up and start putting on Puppy Fat. Exasperated with their laziness, he devises a strategy to whip them into shape - and find them new partners!! It's a brilliant plan ... if he can pull it off!

Cursed to Survive is a thrilling love story set in the actual historical events of Germany at the beginning and during the Third Reich. It takes a unique look inside the mind of a patriotic German nobleman with unusual gifts and immense opportunities for glory and domination. We witness the horrors of the Holocaust through his eyes, as he falls madly in love with a daughter of a Jewish doctor in the midst of the Nazi reign. Cursed to Survive is an easy-to-read and passionately engaging novel. It's the story filled with tragedy, real history and a sobering analysis of love, family, friendship, patriotism and other important concepts. The novel features a beautiful, young member of the New York's high society -- Rose Blackford Stern, who in addition to her family's immense wealth and a prominent name has a highly prestigious job with the most influential fashion magazine in New York City. But as readers soon learn, having it all doesn't mean that the search for something beyond the material ever stops. Rose encounters the stunningly handsome Max at the grave of her late grandmother. Max is enigmatic and the subject of Rose's obsession from the moment they meet. Rose has a seemingly perfect life, yet she is unable to shake the emptiness that has consumed her since the death of her beloved grandmother, Aliza, three years prior. Max first meets Aliza when she is a teenage girl in pre-World War II Germany. Max comes from one of the oldest and wealthiest noble families of Europe. The attraction between Maximilian and Aliza is instant and overpowering, albeit impossible -- a German aristocrat could never be with a Jewish commoner. As the Nazi movement gains momentum, their country is shattered and their deep mutual connection becomes deadly. Aliza loses her entire family and lives through terror and abuse before Max infiltrates the Third Reich and rescues her. Nearly seventy years later Max's unusual gifts have brought him to New York, to Aliza's granddaughter Rose, and perhaps to another chance at love.

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

Maris Forrester has a wonderful life with an amazing boyfriend and a fulfilling job. She's happy and content . . . or so she thinks. Maris has always had huge dreams of being on Broadway. Ever since her very first performance as a child, she has envisioned herself on the stage under the shining lights. Now she has to decide whether she should to give up her wonderful life to chase those dreams. When her parents announce they are moving, she comes across a long-lost family treasure. She doesn't realize that this treasure may hold the key to her future and to all her dreams coming true. And if that wasn't sign enough, a mysterious stranger throws another wrench in the mix at a dazzling rooftop party benefiting the Arts. These could be signs of things to come. But will she remain content in her perfect world, or will she step into the unknown world she has always dreamed of?

Enjoy 20 limited-detail illustrations, designed for those who would rather keep it simple. Each page was hand-drawn and edited by K J Kraemer, with you in mind. If you don't want to spend days on a project or just want room to get creative, this adult coloring book is for you!

Includes the booklet Narcissism "The Killer of Love" What could drive an individual who is emotionally strong and highly successful, with a hearty appetite for life, to suddenly lose all desire to live? What could possibly strip a religious person of all belief in God with the blink of an eye? Those vital questions are about to be answered. A Beautifully Disturbing Saga of Love and Survival. Within the throes of a madly passionate romance is the most ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is real as perceived. Beneath the surface of what seems to be a fairy tale romance is the outline for what may very well be the perfect murder, and if you are naive enough to think it can't happen to you, you're wrong... dead wrong. Steven lives a life that most can only dream of. At a young age, he achieved fame in the music industry with the now iconic heavy metal band Slayer, and later as a world-renowned airbrush artist. He has everything that a man could want, except for what he desires most, which is, true love. A handsome, successful, charming man that lives and breathes romance, but has been unable to find the one woman that can captivate his heart. One glorious afternoon, Ashley stumbles into his life, and she is everything that he's hoped for and dreamed of. Their story begins as a passionate, tender, and erotic tale of two people falling in love. Together they seem to have the love that dreams are made of and fairy tales are written about. But do they really? Sometimes when it seems too good to be true, the love of your life may not be the person you think they are. On the surface, Steven and Ashley are the quintessential portrait of an enchanted romance, but underneath an illusion of ideal love is a transparent layer of lies, manipulation, and deceit. Unknowingly, Steven has become trapped in the lethal world of a pathological psychopath. Be prepared to have every one of your emotions assaulted by this unique true story. You will laugh, feel the passion and intense love, you'll get angry, experience excruciating pain, and yes, there will be tears. Live the story as the author experienced it. A memoir that is insanity in the raw, and just when you think it is all over, it begins again before leading to a shocking ending that will not soon be forgotten. Ghost of a Rose is the first romance of it's kind. Without any knowledge of its existence, the author documented from the beginning to end of his relationship with a pathological narcissist. The media has incorrectly portrayed Narcissistic Personality Disorder long enough. This is the true nature of the beast, and as melodramatic it may seem at times, this is what a victim experiences when having the life sucked out of him or her by an emotional vampire. You'll witness first hand the idealization "honeymoon" stage, the gaslighting phase, the abandonment, the torment, confusion, awakening, and healing as it all took place. Through the eyes of the author, you'll bear witness to a man systematically destroyed by a narcissist until his life is left in ruin. 'Dynamic personal stylized writing. Brilliant! A death to birth with a delivery that is painful as bloody hell.' - Becky Joyce Reed "This book saved my life!" - Debbie Perez

Letting Go

A Necklace of Souls  
You've Got Time  
With One More Look at You  
Then

**"Daddy, what is a white lie?" My father put down his spoon and looked at me thoughtfully. "Why'd you ask, Princess?" "I heard you talking yesterday and you said 'one more white lie isn't going to make a difference.' I just want to know what you meant." "You heard that, huh?" My father tilted his head to study me. "It's just a small lie you tell when you don't want to hurt someone's feelings. It's nothing for you to worry about." My eyes grew wide. "Like when you told Aunt Rena that her pie was good even though it tasted icky?" "Exactly." He smiled. "Or when you told the man last week that you hadn't seen Uncle Bruno and you had?" The Smile fell from his face and he straightened in his chair. "No, Princess, that was a different kind of lie." Scrunching up my nose, I asked, "What kind of lie was that?" My father swallowed hard before replying. "That's the kind of lie where you have to have a real good memory." As an inquisitive child, the woman known as Clarissa Solano, could never have imagined how significant those words would become. That she would spend years twisting the truth: hoping and praying that she would not contradict herself and expose the secrets she keeps locked inside. Most of the people in her life don't really know her at all. She forces them to swallow her lies, but she is the one who feels the bitter aftertaste of deception. When Lane Hunter sweeps into her life, she finds herself opening up in ways she never thought possible. He sees beyond the facade to the woman beneath and knows instantly that he wants her. However, all is not as it seems and when secrets and lies are exposed, it threatens to destroy them all. This is the first book in a series of standalone HEAs"**

**WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN** When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy- especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

**Nominated for a Small Business Marketing Book award!** You have 30 days to convert a user to a paying customer starting NOW. The clock is ticking. What will you do? Collecting and analysing the messaging and strategies the leading e-commerce, software and service companies use as they convert trial users to customers in the most important 30 days after sign-up. Steal ideas from successful entrepreneurs, marketers and growth hackers. Two new bonus chapters showcasing more activation campaigns.

**The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. *Keeping secrets can test love to its limits. How will Nick react when he discovers Mia isn't quite the girl he thinks she is? Will Nick let Mia into his head as well as his heart and lay his ghosts to rest? Can they find their way to their Happy Ever After?*

*A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue MARRISA. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...*

*Game recognize gameain't `chu eva heard that one before? Games seem to be the main agenda in this novel about two characters living in the backdrop of Atlanta who feel the need to one up each other until they can no longer play those cards. Mia Smith is a woman on a mission she's independent and making her own way, taking no nonsense. However when she comes across Khalid's path, her way is now shaken, especially when true feelings begin to evolve. Her life is slowly coming together with her new man in a way she didn't believe possible. But when her hidden past comes back around to wreck havoc on her new found happiness, she follows her instincts and tries to protect Khalid at all costs. Khalid Alexander is an educated, corporate brutha who has women at his fingertips. He's a single guy who enjoys being the type of bachelor most men wish they could be. However once he meets Mia, she changes his world. The love `em and leave `em attitude can't withstand what he is now feeling which is love. Now that his heart is clouded with the sensation of love, he hesitantly lets his guard down. When Mia makes a drastic move, he's suddenly back where he was before. In the love games that they play, will these two stay lost or will they finally be found? The choice is up to them*

*Set in the current day, this is the final book in the series that began with Once, continued with Then and is . . . Now. Felix is a grandfather. He has achieved much in his life and is widely admired in the community. He has mostly buried the painful memories of his childhood, but they resurface when his granddaughter Zelda comes to stay with him. Together they face a cataclysmic event armed only with their with gusto and love—an event that helps them achieve salvation from the past, but also brings the possibility of destruction. Now is one of Kirkus Reviews' Best Children's Books of 2012*
