The origin of world
civilization can be traced

Read Book Agada Tantra

to the Indus Valley cradle, where brilliant and original thinkers made groundbreaking discoveries. The history of these discoveries is recorded in the vast Sanskrit literature. In this study, author M. K. Agarwal

Read Book Agada Tantra

explores the cultural and historical significance of the region. He explores Indus Valley culture, which encouraged creative thought—as opposed to the Abrahamic faiths, which herded followers into

Read Book Agada Tantra

dogmatic thinking. He holds that these religions prospered because of their unfettered hatred of the Vedic-Hindu-Buddhist peoples, who were demonized as pagans to be murdered, tortured, raped, enslaved,

Read Book Agada Tantra

and robbed. He also considers the achievements of that culture, such as the creation of the most affluent, most scientifically advanced, and most spiritual of all societies, with

Read Book Agada Tantra

archeological moorings that can be traced back to 8000 BC. No other region can even come close to transforming people and culture like the Indus Valley, but the world's Vedic roots have been ignored, shunned, and

The book is written for the people

Read Book Agada Tantra

who are interested in simple remedies to cure common diseases. The treatments described in this book are based on the authors' observations and clinical experiences for many years. The preparations described here are

Read Book Agada Tantra

from the ancient Ayurvedic texts. Ayurveda is a science based on ancient Indian philosophy. It can appropriately be called 'The Science of Living'. Ayurveda traces its etymology to Ayush, meaning 'life', and Veda, which originates

Read Book Agada Tantra

from vid or knowledge. Popularly speaking, Ayurveda can be defined as a medical science which helps the human body to keep fit, while providing cures from indigenous plants, animal products and minerals for ailments. Thus, being

Read Book Agada Tantra

essentially a science of healing, it concentrates on what is required to lead a healthy, normal life. It deals not only with what is to be done when one falls ill, but also with what should be done to maintain one's health and vigour. Ayurveda

Read Book Agada Tantra

contains details about body care and the various foods and drinks which promote health. Ayurveda is based on scientific principles of diagnosis and treatment. It differs from conventional medicine in the basic principles of investigation and

Read Book Agada Tantra

assigning causes to processes rather than specific areas of physiology. This book comprises time-tested concepts of regulated diet and a healthy lifestyle, supported with remedies and treatments based on Ayurveda that

Read Book Agada Tantra

are safe, effective and affordable. This book explores the interaction between science and society and the development of forensic science as well as the historical roots of crime detection in colonial India. Covering a period from the

Read Book Agada Tantra

mid-19th to mid-20th century, the author examines how British colonial rulers changed the perception of crime which prevailed in the colonial states and introduced forensic science as a measure of criminal identification in

Read Book Agada Tantra

the Indian subcontinent. The book traces the historical background of the development and use of forensic science in civil and criminal investigation during the colonial period, and explores the extent to which forensic science has proven

Read Book Agada Tantra

useful in investigation and trials. Connecting the historical beginning of forensic science with its socio historical context and diversity of scientific application for crime detection, this book sheds new light on the history of forensic science in

Read Book Agada Tantra

colonial India. Using an interdisciplinary approach incorporating science and technology studies and history of crime detection, the book will be of interest to researchers in the fields of forensic science, criminology,
