This preparatory manual is a single source reference for postgraduate exam preparation. Intense efforts have gone in preparation of the book to make it complete in all aspects. In-depth coverage of every subject in the form of synopsis is the highlight of the book. To enhance rapid reading, quick learning facts have been framed as an effective learning tool. Multiple-choice questions have been designed to suit both national and international competitive postgraduate entrance examinations.

ECG to PGDEE Basic Sciences is a guidance book that would cover the latest five years of papers of all standard Post Graduate Dental Entrance examinations. The text is organized in such a way that it would serve two precise requirements of students. First, questions are compiled subject-wise, so that students become aware of the newer and emerging intra-subject patterns. Second, the authors have searched all the sources conventional and unconventional - and given explanations as precise and as simplified as possible. This would save a lot of time in their preparatory phase. About the Author : - Dr. Rajeev Chitguppi is a consulting periodontist and implantologist and a popular teacher who has been in the field of guiding MDS aspirants to top in entrance examinations since he got a rank in AIPGEE 1999. The tenure of over ten years and his rich experience in teaching periodontics, community dentistry as well as preparation strategies for entrance examinations has enabled him to assess the needs of students as well as the expectations of an examiner and come out with this superbly designed product. Dr. Rajeev is also the owner of India's first online discussion group on periodontics PERIOINDIA. Apart from being a consultant to pharmaceutical companies related to oral health products, he is also associated with several research and publication works in India. He has made several scientific presentations in national and international scientific events. Dr. Amit Lall is an Academician at Target Educare : Delhi & Northern India as well as a renowned Private Dental Practitioner at New Delhi. He is actively involved in conducting the courses for MDS entrance preparation, and the profession of current clinical dentistry. His self experience of cracking the AIPG exam (year 2006), brought a lot of interest for guiding many doctors towards their dream MDS seat. His undying efforts and attitude in this sector are well acknowledged by many rank holders of various exams thru the years 2007-2009. Dr. Kaustubh Gandhalikar is an Academician at Target Educare : Delhi & Northern India as well as a renowned Private Dental Practitioner at Mumbai. He has many accolades towards his credit, including Dr. Paribai Gehani award for subject excellence at college level. He has been associated with Target Educare Pvt Ltd for last couple of years, and is an active core member of the institute's academics team. Being a rank holder himself, his experience plays a vital role for many candidates looking forward towards a MDS seat. His academic background also crosses seas, making him well versed with the Australian Dental Council licentiate exam system. He is the chief co-coordinator for courses

conducted towards ADC exams preparation in Mumbai.
