Introduction to Akkadian

The present edition of the Introduction to Akkadian is fully revised, and supplied with indices to the Akkadian vocabularies and lists, an English-Akkadian glossary, and a paradigm of the strong verbs. The Introduction is intended as a tool in offering a two lessons or one semester course in essential Akkadian grammar. The reading exercises in transliteration and in cuneiform are chosen to introduce the student to common vocabulary and basic cuneiform signs. The exercises are chosen from Old Babylonian, but introduced, as is customary, in their Neo-Assyrian form. In addition to the twelve lessons, there are appendices dealing with

phonetics and metrology, indices, and a paradigm of the strong verb.

Babylonians and Assyrians

A compendious dictionary of two official languages of the Assyrian Empire, Neo-Assyrian and Standard Akkadian, and the first English-Akkadian dictionary ever published. This volume is essential for every Assyriologist, Semitist, and interested layman, it contains about 13,000 Assyrian entries and about 23,000 English entries. Based on the Corpus of Neo-Assyrian text database and relying on the glossaries to previous SAA volumes, the Helsinki Assyrian Dictionary is, unlike other "Assyrian" dictionaries, actually a dictionary of Assyrian. It documents the language of the Neo-Assyrian period as reflected in the contemporary documents. In addition to Assyrian words and phrases, it also includes Babylonian words from letters to and from the Assyrian bureaucracy, words from royal inscriptions and other texts written in Standard Akkadian (the Assyro-Babylonian literary language), and many Aramaic words in common usage.

Paris in the Middle Ages

Palestinian Arab Folktales

A collection of Palestinian Arab folktales which reflect the culture and highlights the role of women in the society.

A Concise Dictionary of Akkadian

Assyrian-English-Assyrian Dictionary

Assyrian Grammar

Speak, Bird, Speak Again

By analysing the folk stories and personal narratives of a cross-section of Palestinians, Sirhan offers a detailed study of how content and sociolinguistic variables affect a narrator's language use and linguistic behaviour. This book will be of interest to anyone engaged with narrative discourse, gender discourse, Arabic studies and linguistics.

Folk Stories and Personal Narratives in Palestinian Spoken Arabic

A Grammar of Akkadian

Centering on the streets of this metropolis, Simone Roux peers into the secret lives of people within their homes and the public world of affairs and entertainments, populating the book with laborers, shop keepers, magistrates, thieves, and strollers.
