As Fergus tries to make sense of the mad world around him—his brother on hunger-strike in prison, his growing feelings for Cora, his parents arguing over the Troubles, and him in it up to the neck, blackmailed into acting as courier to God knows what—a little voice comes to him in his dreams, and the mystery of the bog child unfurls. “True Detective meets Swamp Thing in the Artemis Fowl author’s

neo-noirish thriller about a curmudgeonly dragon in Louisiana.”
—Guardian From the New York Times bestselling author of the Artemis Fowl series comes a hilarious and high-octane adult novel about a vodka-drinking, Flashdance-loving dragon who lives an isolated life in the bayous of Louisiana—and the raucous adventures that ensue when he crosses paths with a fifteen-year-old troublemaker on the run from a crooked sheriff. In the days of yore, he flew the skies and scorched angry mobs—now he hides from swamp tour boats and rises only with the greatest reluctance from his Laz-Z-Boy recliner. Laying low in the bayou, this once-magnificent fire breather has been reduced to lighting Marlboros with nose sparks, swilling Absolut in a Flashdance T-shirt, and binging Netflix in a fishing shack. For centuries, he struck fear in hearts far and wide as Wyvern, Lord Highfire of the Highfire Eyrie—now he goes by Vern. However...he has survived, unlike the rest. He is the last of his kind, the last dragon. Still, no amount of vodka can drown the loneliness in his molten core. Vern’s glory days are long gone. Or are they? A canny Cajun swamp rat, young Everett “Squib” Moreau does what he can to survive, trying not to break the heart of his saintly single mother. He’s finally decided to work for a

shady smuggler—but on his first night, he witnesses his boss murdered by a crooked constable. Regence Hooke is not just a dirty cop, he's a despicable human being—who happens to want Squib's momma in the worst way. When Hooke goes after his hidden witness with a grenade launcher, Squib finds himself airlifted from certain death by...a dragon? The swamp can make strange bedfellows, and rather than be fried alive so the dragon can keep his secret, Squib strikes a deal with the scaly apex predator. He can act as his go-between (aka familiar)—fetch his vodka, keep him company, etc.—in exchange for protection from Hooke. Soon the three of them are careening headlong toward a combustible confrontation. There's about to be a fiery reckoning, in which either dragons finally go extinct—or Vern's glory days are back. A triumphant return to the genre-bending fantasy that Eoin Colfer is so well known for, Highfire is an effortlessly clever and relentlessly funny tour-de-force of comedy and action.

Alice + Freda Forever is a gut-wrenching story of love, death, and the dangers of intolerance."—Bustle In 1892, America was obsessed with a teenage murderess, but it wasn't her crime that shocked the nation—it was her motivation. Nineteen-year-old Alice Mitchell had

planned to pass as a man in order to marry her seventeen-year-old fiancée Freda Ward, but when their love letters were discovered, they were forbidden from ever speaking again. Freda adjusted to this fate with an ease that stunned a heartbroken Alice. Her desperation grew with each unanswered letter—and her father's razor soon went missing. On January 25, Alice publicly slashed her ex-fiancée's throat. Her same-sex love was deemed insane by her father that very night, and medical experts agreed: This was a dangerous and incurable perversion. As the courtroom was expanded to accommodate national interest, Alice spent months in jail—including the night that three of her fellow prisoners were lynched (an event which captured the attention of journalist and civil rights activist Ida B. Wells). After a jury of "the finest men in Memphis" declared Alice insane, she was remanded to an asylum, where she died under mysterious circumstances just a few years later. Alice + Freda Forever recounts this tragic, real-life love story with over 100 illustrated love letters, maps, artifacts, historical documents, newspaper articles, courtroom proceedings, and intimate, domestic scenes.

Artemis Fowl is on a mission to rescue his father, who has been

kidnapped. Artemis must get ahold of a fairy, steal its gold, and use the gold to pay his father's ransom. The problem? He has no idea where to find the magical creatures. With the help of his friends and a reluctant captured fairy, Artemis will discover these magical creatures aren't just real--they're really powerful! Will he be able to get out of this foul situation and save his father?

Fletcher Moon has never been like other kids. For one thing, he has had to suffer the humiliating nickname "Half Moon" because of his short stature. But the real reason Fletcher is different is that ever since he was a baby, he's had a nose for sniffing out mysteries. The best writers of our generation retell classic tales. From Sir Edmund Spenser's *The Faerie Queene* to E. M. Forster's "The Machine Stops," literature is filled with sexy, deadly, and downright twisted tales. In this collection, award-

winning and bestselling authors reimagine their favorite classic stories, the ones that have inspired, awed, and enraged them, the ones that have become ingrained in modern culture, and the ones that have been too long overlooked. They take these stories and boil them down to their bones, and reassemble them for a new generation of readers. Written from a twenty-first century perspective and set within the realms of science fiction, dystopian fiction, fantasy, and realistic fiction, these short stories are as moving and thought provoking as their originators. They pay homage to groundbreaking literary achievements of the past while celebrating each author's unique perception and innovative style. Today's most acclaimed authors use their own unique styles to rebuild the twelve timeless stories: Sir Edmund Spenser's The Faerie Queene - Saladin Ahmed W. W. Jacobs's "The Monkey's Paw" - Kelley Armstrong Joseph Sheridan Le Fanu's "Carmilla" - Holly Black "Sleeping Beauty" - Neil Gaiman The Brothers Grimm's "Rumpelstiltskin" - Kami Garcia Kate Chopin's The Awakening - Melissa Marr Rudyard Kipling's "The Man Who Would Be King" - Garth Nix Henry James's "The Jolly Corner" - Tim Pratt E. M. Forster's "The Machine Stops" - Carrie Ryan Horace Walpole's The Castle of Otranto - Margaret Stohl William Seabrook's "The Caged White Werewolf of the Saraban" - Gene Wolfe Nathaniel Hawthorne's "The Birth-Mark" - Rick Yancey And six illustrations by Charles Vess Having been rejected by the Nomana--the revered warrior-monk order they long

to join--sixteen-year-olds Seeker and Morning Star, along with a curious pirate named Wildman, attempt to prove that they are worthy of joining the community, after all.

One week after their eleventh birthday, the Fowl twins--scientist Myles, and Beckett, the force of nature--are left in the care of house security (NANNI) for a single night. In that time they befriend a troll who has clawed his way through the earth's crust to the surface. Unfortunately for the troll, he is being chased by a nefarious nobleman and an interrogating nun, who both need the magical creature for their own gain, as well as a fairy-in-training who has been assigned to protect him. The boys and their new troll best friend escape and go on the run. Along the way they get shot at, kidnapped, buried, arrested, threatened, killed (temporarily), and discover that the strongest bond in the world is not the one forged by covalent electrons in adjacent atoms, but the one that exists between a pair of twins.

An emotionally charged story about the power of dreams, and how passion can turn to obsession. Beck hates his life. He hates his violent mother. He hates his home. Most of all, he hates the piano that his mother forces him to play hour after hour, day after day. He used to play as she did before illness ended her career and left her bitter and broken. But Beck is too scared to stand up to his mother, and tell her his true passion, which is composing his own music - because the least suggestion of rebellion on his part ends in violence. When Beck meets August, a girl full of life, energy and laughter, love begins to awaken within him and he finds a way to escape his painful existence. But dare he reach for it? Thrilling and powerful, this is an explosive debut for YA readers which tackles the dark topic of domestic abuse in an ultimately hopeful tale.
