

Ajaya Book 1

Aren't we chubby, aren't we cute?
Aren't we lovely, as sweet as fruit?
Give us a bear hug, give us a kiss
Regret not later for giving it a miss.
Don't go by these sweet words-for all
little asura kids are naughty and
troublesome and always up to something!
Little will you know when you land in a
muddy puddle or your long hair gets
chopped off into a bob. They will prod,
pull and tug you till you yell-just
like the gods in the heavens,
especially Vishnu and Shiva who are
simply fed up! Indulge in some very,
extremely, most funny naughty tales of
asura twins Kundakka and Mandakka, who
hate going to school; clumsy Bhasma and
pet pig Nakura, who create trouble in
the village; brothers Atapi and Vatapi,
who like to eat ninety-six cartfuls of
fruits as dessert; the great Bana who
claps with his thousand hands and so
many more!

The Mahabharata is one of the greatest
stories ever told. Though the basic
plot is widely known, there is much
more to the epic than the dispute

between Kouravas and Pandavas that led to the battle in Kurukshetra. It has innumerable sub-plots that accommodate fascinating meanderings and digressions, and it has rarely been translated in full, given its formidable length of 80,000 shlokas or couplets. This magnificent 10-volume unabridged translation of the epic is based on the Critical Edition compiled at the Bhandarkar Oriental Research Institute. * The final volume ends the instructions of the Anushasana Parva. The horse sacrifice is held, and Dhritarashtra, Gandhari, Kunti, Vidura and Sanjaya leave for the forest. Krishna and Balarama die as the Yadavas fight among themselves. The Pandavas leave on the great journey with the famous companion—Dharma disguised as a dog. Refusing to abandon the dog, Yudhishtira goes to heaven in his physical body and sees all the Kurus and the Pandavas are already there. * Every conceivable human emotion figures in the Mahabharata, the reason why the epic continues to hold sway over our imagination. In this lucid, nuanced and confident translation, Bibek Debroy

makes the Mahabharata marvellously accessible to contemporary readers. The first-of-its-kind book on data story telling set in the Indian context by an Indian author. The Power of Data Storytelling is a book that aims to solve the classic dilemma of—How do I make company data interesting and present it in the form of a great data story for today's time-crunched professionals. The book focuses on various methods of converting dry facts and figures into interesting characters, events and relaying them in the form of a story to enable company's decision-making. The book covers all data story related aspects—art of storytelling, building, writing and visualizing. The book reflects practical corporate examples from varied fields and how data storytelling enabled the decision-making process. It does not require knowledge of sophisticated tools and introduces new, simple and application-oriented methods at every stage to take data storytelling forward. The book has wide application across industries and organizations with data sets that are

big and small. It has explanatory written and visual examples at every discussion which makes it less theoretical and more practically applicable.

The Kaurava Empire: Volume One

The Story of Ravana and His People

Rolling Dice

The tales of the Mahabharata are updated in this new series from Campfire. Time and again the timeless nature of the greatest stories ever told have been highlighted by readers and fans. This space age rendering of these epic tales really proves the point. The Kauravas and Pandavas go high tech as their forces clash in the fiercest battle the universe has ever known. Told through the eyes of the Pandava Prince, Abhimanyu, and the Kaurava Prince who ultimately kills him, this tale of teenage heroism, sacrifice and adventure has been thrilling readers for centuries. As civil war tears the Empire apart, the Kauravas seek to stamp out the revolution headed by their cousins the Pandavas. But in civil war there are no victors, only victims. Join us on the battlefield of Kurukshetra for the

ultimate battle as the sixteen year-old Abhimanyu risks all to save his family from destruction.

Taking us back to a time that is half history, half myth and wholly magical, bestselling author Chitra Banerjee Divakaruni gives voice to Panchaali, the fire-born heroine of the Mahabharata, as she weaves a vibrant retelling of an ancient epic saga. Married to five royal husbands who have been cheated out of their father's kingdom, Panchaali aids their quest to reclaim their birthright, remaining at their side through years of exile and a terrible civil war. But she cannot deny her complicated friendship with the enigmatic Krishna—or her secret attraction to the mysterious man who is her husbands' most dangerous enemy—as she is caught up in the ever-manipulating hands of fate.

Provides and in-depth analysis of Western and Eastern models of the mind and their differing perspectives.

Strengthening Policy Research: Role of Think Tank Initiative in South Asia is a vivid presentation of the diverse journeys of think tanks under the aegis of the Think Tank Initiative (TTI) programme managed by the International Development Research Centre in South Asia. The book extensively discusses the three areas of TTI support to strengthen think tanks, viz., organizational performance, research quality and policy engagement. It emphatically demonstrates the crucial role of long-term core support in strengthening think tanks for more rigorous research quality as the basis for public policymaking. It presents a rich tapestry of complex

pathways that each think tank adopts to engage in policy outreach in their respective domains. The book makes a strong, evidence-based case on how even limited yet assured funding to think tanks leads to enhanced organizational capacities for good quality research, effective policy outreach and improved sustainability. It firmly puts forth the view that governments need to work jointly with private funding organizations to strengthen think tanks, which is in the best interest of evidence-informed and effective public policy-making.

"THE MAHABHARATA ENDURES AS THE GREAT EPIC OF INDIA. While Jaya is the story of the Pandavas, told from the perspective of the victors of Kurukshetra, Ajaya is the tale of the Kauravas, who were decimated to the last man. From the pen of the author who gave voice to Ravana in the national bestseller, ASURA, comes the riveting narrative which compels us to question the truth behind the Mahabharata. THE DARK AGE OF KALI IS RISING and every man and woman must choose between duty and conscience, honour and shame, life and

death o The Pandavas, banished to the forest following the disastrous games of dice, return to Hastinapura. o Draupadi has vowed not to bind her hair till she washes it in the blood of the Kauravas. o Karna must choose between loyalty and gratitude, friend and Guru. o Aswathama undertakes a perilous mission to the mountains of Gandhara, in search of the Evil One. o Kunti must decide between her firstborn and her other sons. o Guru Drona has to stand with either his favourite disciple or his beloved son. o Balarama, having failed to convince his brother about the adharma of violence, walks the streets of Bharatavarsha, spreading the message of peace. o Ekalavya is called to make the ultimate sacrifice to uphold a woman's honour. o Jara, the beggar, sings of Krishna's love while his blind dog, Dharma, follows. o Shakuni can almost see the realization of his dream to destroy India. As the Pandavas stake their claim to the Hastinapura throne, the Kaurava Crown Prince, Suyodhana, rises to challenge Krishna. As great minds debate dharma and adharma, power hungry men prepare for an apocalyptic war. The women, highborn and humble, helplessly watch the unfolding disaster with deep foreboding. And greedy merchants and unscrupulous priests lie in wait like vultures. Both sides know that beyond the agony and carnage the winner will take all. But even as gods conspire and men's destinies unfold, a far greater truth awaits.

***** One of the six most remarkable writers of India. DNA An Amazing read. The WEEK Unique voice of a rebellious author telling the story from the other side, a feat a few have dared or managed so well. Bihar Times"

This book introduces readers to the many dimensions of historical and contemporary Indian transnationalism and the experiences of migrants and workers to reveal the structures of transnationalism and the ways in which Indian origin groups are affected. The concept of crossing borders emerges as an important theme, along with the interweaving of life in geographic and web spaces. The authors draw from a variety of archives and intellectual perspectives in order to map the narratives of Indian transnationalism and analyse the interplay of culture and structures within transnational contexts. The topics covered range from the history of transnational networks, activism, identity, gender, politics, labour, policy, performance, literature and more. This collection presents a wide array of issues and debates which will reinvigorate discussions about Indian transnationalism. This handbook will be an invaluable resource for academics, researchers, and students interested in studying South Asia in general and the Indian diaspora in particular.

Arjuna is the immortal tale of one of India's greatest heroes. These pages retell in riveting detail the story

of the Pandava Warrior-Prince who has captured the imagination of millions across centuries. This is the intense and human story of his loves, friendship, ambitions, weaknesses and follies, as well as his untimely death and revival, his stint as a eunuch, and the innermost reaches of his thoughts. Told in a refreshingly modern and humourous style and set against the staggering backdrop of the Mahabharata. Arjuna's story appeals equally to the average, discerning reader and the scholar. It spans the epic journey from before his birth, when omens foretold his greatness, across the fabled, wondrous landscape that was his life.

The definitive book on Obama's historic nuclear deal with Iran from the author of the Foreign Affairs Best Book on the Middle East in 2012 This timely book focuses on President Obama's deeply considered strategy toward Iran's nuclear program and reveals how the historic agreement of 2015 broke the persistent stalemate in negotiations that had blocked earlier efforts. The deal accomplished two major feats in one stroke: it averted the threat of war with Iran and prevented the possibility of an Iranian nuclear bomb. Trita Parsi, a Middle East foreign policy expert who advised the Obama White House throughout the talks and had access to decision-makers and diplomats on the U.S. and Iranian sides alike, examines every facet of a triumph that could become as important and consequential as Nixon's

rapprochement with China. Drawing from more than seventy-five in-depth interviews with key decision-makers, including Iran's Foreign Minister Javad Zarif and U.S. Secretary of State John Kerry, this is the first authoritative account of President Obama's signature foreign policy achievement.

Revolutionary Thoughts on the Direction for Spiritual and Social Reform in Our Time

A Novel

INSTANT NEW YORK TIMES BESTSELLER From the New York Times bestselling author of I'm Judging You, a hilarious and transformational book about how to tackle fear--that everlasting hater--and audaciously step into lives, careers, and legacies that go beyond even our wildest dreams Luvvie Ajayi Jones is known for her trademark wit, warmth, and perpetual truth-telling. But even she's been challenged by the enemy of progress known as fear. She was once afraid to call herself a writer, and nearly skipped out on doing a TED talk that changed her life because of imposter syndrome. As she shares in Professional Troublemaker, she's not alone. We're all afraid. We're afraid of asking for what we want because we're afraid of hearing "no." We're afraid of being different, of being too much or not enough. We're afraid of leaving behind the known for the unknown. But in

order to do the things that will truly, meaningfully change our lives, we have to become professional troublemakers: people who are committed to not letting fear talk them out of the things they need to do or say to live free. With humor and honesty, and guided by the influence of her professional troublemaking Nigerian grandmother, Funmilayo Faloyin, Luvvie walks us through what we must get right within ourselves before we can do the things that scare us; how to use our voice for a greater good; and how to put movement to the voice we've been silencing--because truth-telling is a muscle. The point is not to be fearless, but to know we are afraid and charge forward regardless. It is to recognize that the things we must do are more significant than our fears. This book is about how to live boldly in spite of all the reasons we have to cower. Let's go!

Guidelines for Design of Low-Rise Buildings Subjected to Lateral Forces is a concise guide that identifies performance issues, concerns, and research needs associated with low-rise buildings. The book begins with an introduction that discusses special problems with low-rise buildings subjected to wind and earthquakes. Chapter 2 examines probabilistic methods and their use in evaluating risks from natural hazards. It also addresses the characteristics of wind and seismic forces and levels of risk implied by building codes. Wind forces are covered in more detail in Chapter 3, with discussions of wind force concepts and wind-structure interactions. Chapter 4 is devoted to earthquake forces and traces the development of building codes for earthquake resistant design. Chapter 5 describes the main framing

systems used to resist lateral forces and discusses the code requirements for drift control. The designs and requirements for connections between building elements are addressed in Chapter 6. It includes examples along with several illustrations of suitable connections. The performance of non-structural elements during wind and earthquake forces is also examined in detail. This book serves as an important reference for civil engineers, construction engineers, architects, and anyone concerned with structural codes and standards. It is an excellent guide that can be used to supplement design recommendations and provide a design basis where there are no current requirements.

THE MAHABHARATA ENDURES AS THE GREAT EPIC OF INDIA. But while Jaya is the story of the Pandavas, told from the perspective of the victors of Kurukshetra; Ajaya is the narrative of the ÔunconquerableÕ Kauravas, who were decimated to the last man. At the heart of IndiaÕs most powerful empire, a revolution is brewing. Bhishma, the noble patriarch of Hastinapura, is struggling to maintain the unity of his empire. On the throne sits Dhritarashtra, the blind King, and his foreign-born Queen Ð Gandhari. In the shadow of the throne stands Kunti, the Dowager-Queen, burning with ambition to see her firstborn become the ruler, acknowledged by all. And in the wings: Parashurama, the enigmatic Guru of the powerful Southern Confederate, bides his time to take over and impose his will from mountains to

ocean. Ekalavya, a young Nishada, yearns to break free of caste restrictions and become a warrior. Karna, son of a humble charioteer, travels to the South to study under the foremost Guru of the day and become the greatest archer in the land. Balarama, the charismatic leader of the Yadavas, dreams of building the perfect city by the sea and seeing his people prosperous and proud once more. Takshaka, guerilla leader of the Nagas, foments a revolution by the downtrodden as he lies in wait in the jungles of India, where survival is the only dharma. Jara, the beggar, and his blind dog Dharma, walk the dusty streets of India, witness to people and events far greater than they, as the Pandavas and the Kauravas confront their searing destinies. Amidst the chaos, Prince Suyodhana, heir of Hastinapura, stands tall, determined to claim his birthright and act according to his conscience. He is the maker of his own destiny or so he believes. While in the corridors of the Hastinapura palace, a foreign Prince plots to destroy India. And the dice falls

The Mahabharata

***High above the sky stands Swarga,
paradise, abode of the gods. Still above is
Vaikuntha, heaven, abode of God. The
doorkeepers of Vaikuntha are the twins,***

Jaya and Vijaya, both whose names mean 'victory'. One keeps you in Swarga; the other raises you into Vaikuntha. In Vaikuntha there is bliss forever, in Swarga there is pleasure for only as long as you deserve. What is the difference between Jaya and Vijaya? Solve this puzzle and you will solve the mystery of the Mahabharata. In this enthralling retelling of India's greatest epic, the Mahabharata, originally known as Jaya, Devdutt Pattanaik seamlessly weaves into a single narrative plots from the Sanskrit classic as well as its many folk and regional variants, including the Pandavani of Chattisgarh, Gondhal of Maharashtra, Terukkuttu of Tamil Nadu, and Yakshagana of Karnataka. Richly illustrated with over 250 line drawings by the author, the 108 chapters abound with little-known details such as the names of the hundred Kauravas, the worship of Draupadi as a goddess in Tamil Nadu, the stories of Astika, Madhavi, Jaimini, Aravan and Barbareek, the Mahabharata version of the Shakuntalam and the Ramayana, and the dating of the war based on astronomical data. With clarity and simplicity, the tales in this elegant

volume reveal the eternal relevance of the Mahabharata, the complex and disturbing meditation on the human condition that has shaped Indian thought for over 3000 years.

Bottled and Packaged Water, Volume Four in The Science of Beverages series, offers great perspectives on current trends in drinking water research, quality control techniques, packaging strategies, and current concerns in the field, thus revealing the most novel standards in the industry. As consumer demand for bottled and packaged water has increased, the need for scientists and researchers to understand how to analyze water quality, safety, and control are essential. This all-encompassing resource for research and development in this flourishing field covers everything from sensory and chemical composition, to materials and manufacturing. Presents a detailed analysis and sensory characteristics of water to foster research and innovation Provides the latest technological advancements and microbiological characterization methods

in the field Includes regulatory tools for beverage packaging to help industry personnel maintain compliance

This book studies Indian diaspora, currently 20 million across the world, from various perspectives. It looks at the 'transnational' nature of the middle class worker. Other aspects include: post 9/11 challenges; ethnicity in USA; cultural identity versus national identity; gender issues amongst the diaspora communities. It argues that Indian middle classes have the unique advantages of skills, mobility, cultural rootedness and ethics of hard-work.

Learn how Direct Selling has empowered millions of people to enjoy the 31 essential elements for a good life. This book is full of

ideas, skills, tools and solutions that will enlighten, inspire and empower you to build your dream life. Get tools that you can instantly apply to enhance your success and quality of life. There are solutions and breakthrough ideas that will propel you faster to the life you aspire to live. It's like wisdom of a lifetime brought to you in an easy to understand and simple to apply format. Achieve More, Succeed Faster will teach you how to: - Create financial freedom and passive income - Make a 5 step Masterplan to help you achieve your goal - Enjoy lasting happiness and fulfillment - Earn millions while doing what you love to do - Help others to fulfil their dreams - Change habits and break old patterns of behavior - Build a life that is spiritually uplifting - Be a great leader and magnify your influence - Build an empowering circle of friends - Rise faster in your career - Build a new empowering mindset - Be resilient and maintain composure in the face of difficulties This book is also recommended for people who are not into the Direct Selling business but want to understand the real nitty-gritty of this business.

Rolling Dice is the second cool, sexy YA romance from seventeen-year-old Wattpad sensation and author of The Kissing Booth, Beth Reekles. They say that the higher you

climb, the harder you fall--and Madison Clarke will do anything to keep her new life from crumbling to pieces. Moving from a small town in Maine to Florida, Madison seizes the opportunity to reinvent herself. In Maine she was a "loser," so when the popular kids at her new school decide to take her under their wing, she jumps at the chance. A hot boyfriend, parties, friends . . . If only there wasn't the slight problem of her friendship with Dwight, a cute, funny but totally nerdy guy in Madison's physics class. She can't deny he's fun to spend time with--when no one else is looking. Running from her past and stumbling through the present, what choices lie ahead for Madison in her new life in Florida? From the author of *The Kissing Booth*, Beth Reekles captures how much it takes to reinvent yourself and not leave behind your own sense of integrity. Readers will laugh, empathize, and cheer on Madison as she figures out things.

Baali and Sugreeva of the Vana Nara tribe were orphan brothers who were born in abject poverty and grew up as slaves like most of their fellow tribesmen. They were often mocked as the vanaras, the monkey men. Sandwiched between the never-ending war between the Deva tribes in the north and the Asura tribes in the south, the Vana Naras seemed to have lost all hope. But

Baali was determined not to die a slave. Aided by his beloved brother, Sugreeva, Baali built a country for his people. The capital city, Kishkindha, became a beacon of hope for emancipated slaves from across the world. It was a city of the people, by the people, for the people, where there was no discrimination based on caste, creed, language or the colour of skin. For a brief period in history, it seemed as if mankind had found its ideal hero in Baali. But then fate intervened through the beautiful Tara, the daughter of a tribal physician. Loved by Baali and lusted after by Sugreeva, Tara became the cause of a fraternal war that would change history for ever. The love triangle between Baali, Tara and Sugreeva is arguably the world's first. Written by Anand Neelakantan who gave a voice to Ravana in Asura, Duryodhana in the Ajaya series and Sivagami in the Baahubali series, Vanara is a classic tale of love, lust and betrayal. Shakespearean in its tragic depth and epic in its sweep, Vanara gives voice to the greatest warrior in the Ramayana-Baali. A Modern Rendering Losing an Enemy

With the rapid development in nanotechnology, it is now possible to modulate the physical and chemical properties of nanomaterials with molecular recognition and catalytic functional applications. Such research efforts have resulted in a huge number of catalytic platforms for a broad range of analytes ranging from metal ions, small molecules, ionic liquid and nucleic acids down to proteins. Functionalized nanomaterials (FNMs) have important applications in the environmental, energy and healthcare sectors. Strategies for the synthesis of FNMs have contributed immensely to the textile, construction, cosmetics, biomedical and environmental industries among others. This book highlights the design of functionalized nanomaterials with respect to recent progress in the industrial arena and their respective applications. It presents an inclusive overview encapsulating FNMs and their applications to give the reader a systematic and coherent picture of nearly all relevant up-to-date advancements. Herein, functionalization techniques and processes are presented to enhance nanomaterials that can substantially affect the performance of procedures already in use and can deliver exciting consumer products to match the current lifestyle of modern society.

Have the diplomatic efforts of the Obama administration toward Iran failed? Was the Bush administration's emphasis on military intervention, refusal to negotiate, and pursuit of regime change a better approach? How can the United States best address the ongoing turmoil in Tehran? This book provides a definitive and comprehensive analysis of the Obama administration's early diplomatic outreach to Iran and discusses the best way to move toward more positive relations between the two discordant states. Trita Parsi, a

Middle East foreign policy expert with extensive Capitol Hill and United Nations experience, interviewed 70 high-ranking officials from the U.S., Iran, Europe, Israel, Saudi Arabia, Turkey, and Brazil—including the top American and Iranian negotiators—for this book. Parsi uncovers the previously unknown story of American and Iranian negotiations during Obama's early years as president, the calculations behind the two nations' dealings, and the real reasons for their current stalemate. Contrary to prevailing opinion, Parsi contends that diplomacy has not been fully tried. For various reasons, Obama's diplomacy ended up being a single roll of the dice. It had to work either immediately—or not at all. Persistence and perseverance are keys to any negotiation. Neither Iran nor the U.S. had them in 2009.

BHISHMA, THE NOBLE PATRIARCH of Hastinapura, is struggling to maintain the unity of his empire, aided by his able Prime Minister, Vidhura. But beyond the Vindhyas, in the deep South, the enigmatic Guru of the powerful Southern Confederacy, bides his time to take over Hastinapura and impose his dark will upon all of India. On the throne sit Dhritarashtra the blind king, and his foreign-born queen Gandhari. A rival queen Kunti, stands in the shadow of the throne, ambition burning in her heart to see her eldest son become King, aided by his four Pandava brothers. An unscrupulous Priest, and a man who wishes to be king-maker, conspire with the Pandavas to ensure Prince Suyodhana, the rightful heir, is denied his legacy. In the dark forests of India, where poverty alone rules, a revolution is brewing; Ekalavya, a young Nishada, yearns for the knowledge of warriors; Karna, a humble charioteer's son, travels the to the South to become the greatest archer in the land; Aswathama, a Brahmin youth, disobeys Drona, his illustrious father, to stand beside his friend and Prince; and Balarama, charismatic leader of the Yadavas, dreams of

building the perfect city by the sea. And a beggar and a blind dog walk the dusty streets of India, witness to those far greater than he, become puppets in the hands of their searing destinies. Amidst the chaos, Prince Suyodhana, heir of Hastinapura, stands tall, determined to claim his birthright and act according to his conscience. Neither God nor Man can stop him from doing what he thinks is right. He is the maker of his own destiny É or so he believes. But in the shadows of the Court, a foreigner gambles Ð his dream to destroy India. And the dice falls É

The Mahabharata is the more recent of India's two great epics, and by far the longer. First composed by the Maharishi Vyasa in verse, it has come down the centuries in the timeless oral tradition of guru and sishya, profoundly influencing the history, culture, and art of not only the Indian subcontinent but most of south-east Asia. At 100,000 couplets, it is seven times as long as the Iliad and the Odyssey combined: far and away the greatest recorded epic known to man. The Mahabharata is the very Book of Life: in its variety, majesty and, also, in its violence and tragedy. It has been said that nothing exists that cannot be found within the pages of this awesome legend. The epic describes a great war of some 5000 years ago, and the events that led to it. The war on Kurukshetra sees ten million

warriors slain, brings the dwapara yuga to an end, and ushers in a new and sinister age: this present kali yuga, modern times. At the heart of the Mahabharata nestles the Bhagavad Gita, the Song of God. Senayor ubhayor madhye, between two teeming armies, Krishna expounds the eternal dharma to his warrior of light, Arjuna. At one level, all the restless action of the Mahabharata is a quest for the Gita and its sacred stillness. After the carnage, it is the Gita that survives, immortal lotus floating upon the dark waters of desolation: the final secret! With its magnificent cast of characters, human, demonic, and divine, and its riveting narrative, the Mahabharata continues to enchant readers and scholars the world over. This new rendering brings the epic to the contemporary reader in sparkling modern prose. It brings alive all the excitement, magic, and grandeur of the original-for our times.

The present study of transnationalism was born out of observations that migrants no longer simply cross borders to live elsewhere, but regularly turn this 'crossing borders' into a lifestyle of its own. This book not only presents an important overview of transnationalism in India, but also acts as an important source of inspiration to think beyond the concept and the way it has been studied so far. The book will be useful to students and researchers working in the areas of Indian diaspora and transnationalism.

Across All Boards, ICSE/ISC Boards

"Although there have been some discussions about `diaspora` in the past, this has been more pronounced in the intellectual and public domain during the last decade of the 20th century. Why has `diaspora` attracted such scholarly interest only recently? Who are the protagonists who have made important contributions to the field? This comprehensive

collection of essays provides some answers by focusing on themes such as immigration, transnationalism, ethnicity, identity, religion, politics, citizenship, gender, sexuality, and hybridity which comprise the domain of diaspora studies. This book will be useful not only to sociologists but also to scholars working in the fields of social anthropology, political science, geography, history, philosophy, literary, cultural and ethnic studies."

This handbook offers an analysis of Asian diaspora and development, and explores the role that immigrants living within diasporic and transnational communities play in the development of their host countries and their homeland. Bringing together an array of interdisciplinary scholars from across the world, the handbook is divided into the following sections: • Development Potential of Asian Diasporas • Diaspora, Homeland, and Development • Gender, Generation, and Identities • Soft Power, Mobilization, and Development • Media, Culture, and

Representations. Presenting cutting-edge research on several dimensions of diaspora and development, Routledge Handbook of Asian Diaspora and Development provides a platform for further discussion in the fields of migration studies, diaspora studies, transnational studies, race relations, ethnic studies, gender studies, globalization, Asian studies, and research methods.

Elements of yoga practices have become increasingly popular with both medical and mental health professionals, as well as the subject of much empirical research. Meditation, one of yoga's most important practices, has been found effective in the treatment of a wide variety of physical and psychological problems, including coronary artery disease, chronic pain, anxiety, and depression.

The epic tale of victory and defeat... The story of the Ramayana had been told innumerable times. The enthralling story of Rama, the incarnation of God, who slew Ravana, the evil demon of darkness, is known to every Indian. And in the pages of history, as always, it

is the version told by the victors, that lives on. The voice of the vanquished remains lost in silence. But what if Ravana and his people had a different story to tell? The story of the Ravanayana had never been told. Asura is the epic tale of the vanquished Asura people, a story that has been cherished by the oppressed outcastes of India for 3000 years. Until now, no Asura has dared to tell the tale. But perhaps the time has come for the dead and the defeated to speak. "For thousands of years, I have been vilified and my death is celebrated year after year in every corner of India. Why? Was it because I challenged the Gods for the sake of my daughter? Was it because I freed a race from the yoke of caste-based Deva rule? You have heard the victor's tale, the Ramayana. Now hear the Ravanayana, for I am Ravana, the Asura, and my story is the tale of the vanquished." "I am a non-entity-invisible, powerless and negligible. No epics will ever be written about me. I have suffered both Ravana and Rama - the hero and the villain or the villain and the hero.

When the stories of great men are told, my voice maybe too feeble to be heard. Yet, spare me a moment and hear my story, for I am Bhadra, the Asura, and my life is the tale of the loser." The ancient Asura empire lay shattered into many warring petty kingdoms reeling under the heel of the Devas. In desperation, the Asuras look up to a young saviour-Ravana. Believing that a better world awaits them under Ravana, common men like Bhadra decide to follow the young leader. With a will of iron and a fiery ambition to succeed, Ravana leads his people from victory to victory and carves out a vast empire from the Devas. But even when Ravana succeeds spectacularly, the poor Asuras find that nothing much has changed for them. It is when that Ravana, by one action, changes the history of the world.

"A new selection from the national epic of India. Originally composed in Sanskrit sometime between 400 BC and 400 AD, The Mahabharata--with one hundred thousand stanzas of verse--is one of the longest poems in existence. At the heart of the saga is a conflict

between two branches of a royal family whose feud culminates in a titanic eighteen-day battle. Exploring such timeless subjects as dharma (duty), artha (purpose), and kama (pleasure) in a mythic world of warfare, magic, and beauty, this is a magnificent and legendary Hindu text of immense importance to the culture of the Indian subcontinent."--Publisher's description.

Book 1 of the Zone War series. A few short years from now, eco-terrorists unleash the worst attack the world has ever seen. Over 25,000 autonomous combat drones are released in Manhattan from the hold of a ship. Hundreds of thousands are dead, and the entire island is evacuated and quarantined in just a few days' time. Ten years later, Manhattan is still empty of humans, with the exception of the salvage specialists of the most watched reality show in history: Zone War. Produced live and unedited, the show follows five teams of armored vehicle specialists who brave the active drones to

recover lost riches and collect bounties on dead ones. Ram it, slam it, grab the goods and bull your way back out. And don't break down, because no one will be coming to your aid. Armored entry is the way to go... Unless...Meet Ajaya "AJ" Gurung, sniper's son, drone technician and Zone infiltrator. Following his father's footsteps while forging ahead in ways all his own, AJ has the potential to be the most successful recovery specialist of all time. The drones are changing, the rules have been thrown out and nothing about the Zone is what it seems. Adapt or die.
